About the Institution

The Aditya Pharmacy College has commenced working from the academic year 2004-05. The first batch of students has passed out in the year 2008. The students are given coaching in the III and IV year for the GPAT examination as a result the number of students who are qualified in the GPAT examination is quite high. The students participate in various scientific poster presentations and seminars that are organized in different colleges and present seminars and poster presentations and secured prizes for their participation.

The College has over the years acquired advanced equipment and installed in various laboratories. Realizing the importance of web based learning the management has provided a high speed internet laboratory for the students. There is huge collection of books and journals which are subscribed regularly. The college has started the post graduate courses like Pharmaceutics and Pharmaceutical analysis & quality assurance in pharmacy (M. Pharm) in the year of 2008 and 2009. The college has started the Pharm.D Course from the year 2010 –11. The college name has been changed to Aditya Pharmacy College in the year of 2015.

APC is approved by UGC under sec 2f, PCI & AICTE and it is affiliated to JNTUK. APC also have ISO certification and participating in NIRF. APC provides good infrastructure for holistic development of students and faculty members.

APC also offers Add on courses for the Students which help the students to think out of the box. The students of B. Pharm, M. Pharm and Pharm.D in APC are made to undertake projects/ internship/ field works.

Total percentage of Full time teachers against sanctioned post is 100%. The college has Qualified Ph.D holders. Number of research papers published on UGC/SCI/SCOPUS indexed Journals during the last five years is 26. Total number of Functional MOU is 15. All the students are offered placements with good package. The institution has subscription for e- resources. Career development programmes on life skills, soft skills and computing skills, language and communication skills were organized by the institution. Various health awareness programmes and cultural programmes were conducted by the institution to enhance the experimental and holistic development in students.
