About the Institution

The Aditya Pharmacy College has commenced working from the academic year 2004-05. The first batch of students has passed out in the year 2008. The students are given coaching in the III and IV year for the GPAT examination as a result the number of students who are qualified in the GPAT examination is quite high. The students participate in various scientific poster presentations and seminars that are organized in different colleges and present seminars and poster presentations and secured prizes for their participation.

The College has over the years acquired advanced equipment and installed in various laboratories. Realizing the importance of web-based learning the management has provided a high speed internet laboratory for the students. There is huge collection of books and journals which are subscribed regularly. The college has started the post graduate courses like Pharmaceutics and Pharmaceutical analysis & quality assurance in pharmacy (M. Pharm) in the year of 2008 and 2009. The college has started the PharmD Course from the year 2010–11. The college name has been changed to Aditya Pharmacy College in the year of 2015.

APC is approved by UGC under sec 2f, PCI & AICTE and it is affiliated to JNTUK. APC also have ISO certification and participating in NIRF. APC provides good infrastructure for holistic development of students and faculty members.

APC also offers Add on courses for the students which help the students to think out of the box. The students of B. Pharm, M. Pharm and PharmD in APC are made to undertake projects/ internship/ field works.

Total percentage of Full-time teachers against sanctioned post is 100%. The college has Qualified Ph.D. holders. Number of research papers published on UGC/SCI/SCOPUS indexed Journals during the last five years is 26. Total number of Functional MOU is 15. All the students are offered placements with good package. The institution has subscription for e- resources. Career development programmes on life skills, soft skills and computing skills, language and communication skills were organized by the institution. Various health awareness programmes and cultural programmes were conducted by the institution to enhance the experimental and holistic development in students.

Aditya Pharmacy College is accredited by NAAC A Grade with CGPA Score of 3.06 and got autonomous status from UGC for period of 2023-2027.

Effective strategic planning requires identifying and implementing strategies, it is a continuous process involving planning, implementing, and assessing outcomes using results, lessons learned for further planning and modifying of the strategies.

The strategic plan is deployed through systematized plan of actions, implementation of plans, resource utilization and involvement of stake holders at various levels. In the strategic deployment and perspective plan of the institution, the institution has come up with a knowledge awareness programme, a Two-day National seminar PHIDAGE 2K23 on theme of pharmacy in the digital age: Emerging Trends and Opportunities. The main intension of the program is to provide a new space for learning. APC invites other primary health care professionals. On National Pharmacy Education Day is celebrated PHARMA ANVESHAN 2024 on career development. Also celebrated National Library Week celebrations, sports day and World Pharmacist Day on 25th September 2023 in theme of Pharmacy united in action for a healthier world by distributing free medicines.

APC also organizes FDPs for faculty members, Internal Training Programme for Lab technicians and also organizes Health Awareness Programmes like Rural health camps and Dental camps.

The institution has been successful in implementing its plan in creating awareness about the field of pharmaceutical sciences to those students who are not much aware of the field.
