On March 9, 2021, T. Neelima, hosted a one-day soft skill development programme for II-PharmD students at Aditya College of Pharmacy. This program's primary goal is to discuss a variety of topics relating to critical thinking, problem solving, effective communication, interpersonal connections, and contact with other professionals.

Modern employment ultimately depends on a person's soft skills since as technology advances, an increasing number of technical vocations are starting to be replaced by automation and artificial intelligence. People who have effective bargaining and communication skills can stand out from the competition. Working together is a crucial part of any workplace. Qualities that make it possible for people to interact with others in meaningful ways. Today's courses require soft skills to apply technical knowledge when and when it is appropriate.

The speaker focused more on lateral thinking, the value of interpersonal relationships, and the importance of good communication on the day of the programme. This was followed by an interactive session when she answered students' questions. She used a digital projector as a teaching tool. Attended the soft skill development programme were about **25 pupils**. Finally, Prof. Dr. K. Ravishankar, our principal, complimented her for imparting information to pupils.

From December 17 to 19, 2018, Mr.T.Ramakrishna led campus recruitment training for IV B.Pharm and V Pharm.D. This 3 days training program was initiated for preparing the students for campus recruitment that was to occur in the future. About 70 students participated.

The resource person discussed about the various areas of opportunities that may come forth in the students' respective field of graduation. He discussed about the importance of personality development in which he included dress code, communication skills, spontaneity and presentability of the candidate during the campus drive. He also discussed about the standard and acceptable formats of resume and discussed the importance of updating resume time to time. He gave the students tips and advises for the overall presentation of the interview. After the session he even gave demo of an effective interview by conducting mock interviews with the students.

At the end of the session he invited queries from the students and gave responses which the students found to be useful. Following then, the principal of Aditya College of Pharmacy, Prof. Dr. K. Ravishankar thanked the speaker and the organisers for conducting a successful event.

REPORT

Name of the Programme: First Aid Training

Duration of Programme: 3 hour

Resource Person Details: Dr. T. Vijaylakshmi

Swayam Health Clinic

Peddapuram-533437

Dr. T. Vijaylakshmi trained **I B.Pharm** students regarding First Aid on **18-11-2016**. 25 students participated in the training program. The main objective behind this program is to train the students on initial care to be taken on injured/ill person so that the immediate help can be life saving.

The speaker expressed the importance of first aid in critical conditions, the ideal qualities a first aider should possess, signs and symptoms to check in the causality

The students were trained in most important life saving skills such as

- Cardio Pulmonary Resuscitation (CPR)
- Management of Choking
- Management of Bleeding.

The speaker addressed various types of first aid given in different situations. **Dr. T. Vijaylakshmi** also clarified the doubts raised by students.

Dr. K. Ravishankar, Principal of Aditya College of Pharmacy, spoke after the program, thanked the speaker and the organisers for their time throughout the speech and acknowledged them.
