Teacher suggestion and Action taken report

Clarity and further explanation were highlighted as being necessary by some faculty members.

The resource person's entire performance and the presentation were praised by the faculty. They expressed the impression that the programme was more educational and helped them learn new things.

Faculty pleased with the event, saying that it was 74.4% informative and that the resource person was highly involved and cleared up any questions they had. However, the program's overall success rate is 70.4%.

By considering the faculty's suggestions and recommendations, IQAC will view the programme as a significant event in assisting the faculty in moving toward NAAC and NBA Accreditation.
