NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL

F.19.26/EC(SC-146)/DO

28th February 2023

The Principal
ADITYA COLLEGE OF PHARMACY
SURAMPALEM - 533437
Andhra Pradesh

Dear Principal,

Greetings from NAAC!

I am glad to inform you that the outcome of the Assessment and Accreditation (A&A) exercise of your institution has been processed and approved by the Standing Committee constituted by the Executive Committee to examine the peer team reports and declare the accreditation results. Your institution has been Accredited with a CGPA of 3.24 on a seven point scale at A Grade valid for a period of 5 years from 28 - 02 - 2023. The original certificate of accreditation will be dispatched to the institution in due course. The Assessment Outcome Document (AOD) of your institution is available on the portal and the same may be downloaded and displayed on your institutional website. I am sure that the detailed peer team report handed over to you during the exit meeting along with the AOD will enable the institution to initiate further quality enhancement measures.

As per the guidelines of NAAC, it is mandatory for accredited institutions to retain the Self-Study Report (SSR) uploaded on the institutional website for A&A by NAAC until the completion of validity period of A&A. The SSR along with data templates should not be password protected and accessible to all the stakeholders. Institutions are also requested to take note of the mandatory requirement of submitting Annual Quality Assurance Report (AQAR) and uploading them on the institutional website on regular basis. Failing to submit the AQARs annually, institutions will not be eligible for the next cycle of accreditation. For details on the revised guidelines, please visit our website: www.naac.gov.in from time to time.

With best wishes,
Yours sincerely,
(Dr.S.C.Sharma)

QUALITY INITIATIVES BY IQAC 22-23 AY

Plan of action and action taken –outcomes

Plan of action	outcomes
Preparation for NAAC and submission of SSR	The institution got NAAC accreditation with Grade A
Orientation program	Students in their final year learned about advanced drug delivery systems, which will benefit them in their theory tests and professional development.
Conduction of internal audits	Discrepancies were reported and suggestions were given to improve project file, personal file and course files.
Purchasing of advanced scientific equipment	Quotations were obtained from reputed and genuine manufacturers. The institution is strengthened via research.
Conduction of seminars and feedback	1) Students are encouraged by career guiding programs, and these programs assist students in making decisions regarding their future careers. 2) Senior students and faculty members learned about research methodology. The program helps students how to perform their research projects successfully and demonstrates how to become better researchers. It also helps professors who are enrolled in and excited about pursuing their PhDs.
Faculty development programs	Faculty who were both teaching and non-teaching developed certain professional skills.
