Number of Participants: 80

Industrial visit to Andhra Pradesh Medtech Zone Ltd, (AMTZ) Visakhapatnam was organized on 04-08-2023 by Dr.K. Ramakrishna Associate Professor and HOD, Department of Pharmaceutical Chemistry, Aditya College of Pharmacy, Surampalem in association with the skill development cell for the IV B. Pharm students. In this regard Mrs. B.N. B Valdehi Associate Professor, Department of Pharmaceutical Chemistry and Mr.B.Raju Associate Professor, Department of Pharmaceutical Chemistry were the coordinators for the programme. About 78 students of IV B. Pharm had participated in the Industrial visit for enhancing practical knowledge and skills.

Introduction to AMTZ Ltd and the importance of departments like Assistive Technology lab, Innovation hub, Manufacturing facilities, Amphenol Sensors and Gamma Facility were explained by the technical officer. He concluded his lecture on production of medical devices, 3D printing technology, and cobalt centre for gamma radiation useful for sterilization. Students visited different facilities such as assisted technology lab, Gamma facility, manufacturing facility of medical devices and Innovation hub. This industrial visit was helpful to the students in understanding the different functioning of various facilities in the manufacture of medical devices and also to gain insights for start-ups like stem cell production for wound healing and also gave an opportunity to understand about the sterilization functioning. Industrial visit is an integral part of our teaching strategy in our academic programs. Industrial visit is to familiarize students especially in the company with the equipments and raw materials used in the production, post

FEEDBACK

Industrial visit to IBSC, AMTZ.

203HI0041.

Pitta. Titus

Myself, Pitta Titus pursuing B.Pharmacy in Aditya college of pharmacy, Surampalem. I visited the IBSC AMTZ, Vizag. During this visit I have experienced a lot on the way of manufacturing the Medical devices and Development of Medical devices. We also interacted with Senior Scientist in AMTZ and got a great knowledge ^{on} our career. We have visited PYRA-MED, and they explained about their projects. We have also visited 3D printing center and Gamma Irradiation centre. The members of AMTZ interacted with a good & friendly manner with us. I thank my college for taking us to visit such Industry. and I would like to have such more visits in future.

An industrial visit was organized for the students of Aditya College of Pharmacy to Seldom Pharma Pvt. Ltd., located in Yanam, on April 3rd & 4th, 2024. The main objective of this visit was to provide students with practical insights into the pharmaceutical manufacturing process and quality control systems. The visit allowed students to understand the operational intricacies of drug production, quality testing, and packaging, while emphasizing the importance of Good Manufacturing Practices (GMP) and safety standards in the pharmaceutical industry. Seldom Pharma Pvt. Ltd. is a leading pharmaceutical manufacturer specializing in the production of oral dosage forms such as tablets, capsules, and syrups. Established in 2005, the company has gained recognition for its commitment to quality and compliance with global pharmaceutical standards, including GMP and WHO guidelines. The plant in Yanam is equipped with state-of-the-art machinery and technology to ensure the production of high-quality medicines. The students were given a guided tour of the manufacturing unit, including the raw material storage area, the production floor, and the quality control laboratory. The group also attended a brief lecture on the company's operations and its approach to maintaining high standards of quality. After the tour, students had the opportunity to interact with Mr. S. Tarun, the Q.A Manager,

PRINCIPAL
Aditya College of Pharm

who gave a detailed talk on the challenges faced by the pharmaceutical industry in maintaining product quality at a large scale. He emphasized the importance of research and development (R&D) in formulating new drugs and improving existing ones. He also discussed various career opportunities in pharmaceutical manufacturing, quality control, and regulatory affairs. The industrial visit to Seldom Pharma Pvt. Ltd. provided valuable exposure to the practical aspects of pharmaceutical manufacturing. Students were able to understand the complexity of the drug production process, the critical role of quality assurance, and the importance of adhering to International standards. The visit also highlighted the significance of innovation, automation, and sustainability in modern pharmaceutical production. This experience enhanced the students' knowledge of the pharmaceutical industry and will serve as a foundation for their future career paths. We extend our heartfelt thanks to the management and staff of Seldom Pharma Pvt. Ltd. for their warm hospitality and for taking the time to provide a comprehensive tour of their facilities.

Respected Sir/Madam,

We Aditya College of Pharmacy located in Surampalem, Kakinda District, AP. We offer B.Pharm, M.Pharm (Pharmaceutical Technology), M.Pharm (Pharmacology) and Pharm D courses. Our students are very enthusiastic and studious to learn and explore opportunities for their carrier. As per the university curriculum, students should visit the pharmaceutical industry in the final semester of this study.

We came to know about your company SELDOM PHARMA PVT LTD, Yanam with rich experience of more than 15 years in pharmaceutical manufacturing and formulations. We request you to grant permission for our final year students to visit your company at your convenient date in the month of February, 2024 to learn and understand the manufacturing practices and quality control.

Kindly consider our request.

Thanking you.
