Report on

Career Counselling Programme on "How to Build Career Path in IT Industry"

Event Name: How to Build Career Path in IT Industry

Introduction to Event:

A career counselling programme on "How to Build Career Path in IT Industry" was organised at Aditya Engineering College (A), Surampalem by the Department of IT. The objective of this programme is to provide awareness on career paths and career ladders. These are two traditional methods by which an employee can develop and progress within an organization. Career ladders are the progression of jobs in an organization's specific occupational fields ranked from highest to lowest based on level of responsibility and pay. Career paths encompass varied forms of career progression, including the traditional vertical career ladders, dual career ladders, horizontal career lattices, career progression outside the organization and encore career.
