Report on a seminar on "Carrier Opportunities in Total Productive Maintenance"

Name of the Event: Carrier Opportunities in Total Productive Maintenance

Introduction to the Event:

A seminar was conducted at Aditya Engineering College(A), by the department of Management Studies to impart knowledge on TPM which is designed to disseminate the responsibility for maintenance and machine performance, improving employee engagement and teamwork within management, engineering, maintenance, and operations. The goal of TPM is the continuous improvement of equipment effectiveness through engaging those that impact on it in small group improvement activities. Total quality management (TQM) and total productive maintenance (TPM) are considered as the key operational activities of the quality management system. In order for TPM to be effective, the full support of the total workforce is required. This should result in accomplishing the goal of TPM.
