### Report on an awareness Programme on "Essentials of Supply chain Management"

Name of the Event: Essentials of Supply chain Management

Introduction to the Event:

An awareness programme was conducted at Aditya Engineering College(A), by the department of Management Studies to impart knowledge on essential part of supply-chain management is to understand the end customer within the marketing channel. How will the customer want to receive the goods or services? Will special packaging be needed or will the item be displayed on store shelves? The customer is the key focus on ensuring an efficient supply-chain. Cost, quality targets, SLAs, and KPIs all need negotiations around the terms. If you want to be successful in supply chain management you need to become a good negotiator.
