Report on

Awareness programme on "How to Crack the interviews"

Name of the Event: Awareness programme on "How to crack the interviews"

Introduction to Event:

An awareness programme was conducted at Aditya Engineering College(A), Surampalem by the Department of Master of Computer Applications to explore the students on how to crack the interviews. After Completion of studies, students are interested to get a good job. As the world becomes more digitalised, companies are transforming to use technology more intelligently and strategically. This is leading to the creation of new jobs in the IT sector, even as some earlier ones evolve or get obsolete. To get a good job, a student has to show his talent and achieve a job by showing all his skills. In this programme, the student will be able to know different skills and ways to crack job interviews.
