

Date: 13.08.2018

From
P. Ravi Kishore,
Head of the Department,
Civil Engineering,
Aditya Engineering College (A).

To
The Principal,
Aditya Engineering College (A).

Respected Sir,

Sub: Request to grant permission to organise an awareness programme -reg.

The Department of Civil Engineering is proposing to organise an awareness programme on "**Job opportunities through Auto CAD Certification**" on 27-08-2018 for B.Tech VII semester students to introduce the concepts Auto CAD certification, and its applications. Hence, I request you to grant permission to organize the programme for the benefit of the students and sanction an amount of Rs 12,000/- for smooth conduction of the event.

Please find below the budget estimation for the same.

S.No.	Particulars	Amount in Rs.
1	Honorarium	9,000
2	Travelling Allowance	2,000
3	Miscellaneous	1000
Total		12,000

Thanking you sir,

Yours sincerely

Permitted

Date: 27 -08-2018

Report on

An awareness programme on

"Job opportunities through Auto CAD Certification"

Name of the Event: Job opportunities after Auto CAD certification.

Introduction to Event:

The Department of Civil Engineering at Aditya Engineering College (A), conducted a career-counselling programme to explore employment opportunities and potential growth in various civil engineering fields. AutoCAD is an industry-recognised software used generally by engineers to plan, draw, and edit 2D and 3D designs effectively. It eliminates the limitations of drawing with the hands, keeping the physical design files safe, and the complexities of sharing, getting feedback and making edits in the designs. Keeping up-to-date with the digital advancements, AutoCAD allows professionals to avoid errors, store their designs safely in the cloud that can be accessed anytime from anywhere, change and manipulate the designs and collaborators, and re-use the same design or its elements for different projects. Once designed, the project shall be converted into a prototype through a 3D printer or machine and can then be used for building the final product, ultimately increasing the productivity, efficiency, and accuracy of the project.

Event Date: 27-08-2018.

Co-ordinator: Dr S Govindarajan, Professor, Department of CE.

No of Participants: 109

Expert with Designation:

Dr. Uma Maheswar Arepalli, Assistant Professor, Civil Engineering Dept., SRM University, A.P.

Experts' Profile:

He completed PhD (Structural Engineering) from GITAM, Vizag. He has vast experience in academic and administrative activities. He also led an exceptional work in consultancy and

research in various civil engineering specializations. As a part of professional career, he organised FDPs and Seminars.

Venue: Bill Gates Bhavan Seminar Hall Room No. 301.

Staffing:

Mr. N. Anil Kumar, Asst Prof, CE Dept.

Outcomes:

- Students learned how to be technically sound in the current job market for civil engineering sectors and how to have clarity about their future career as competition rises.
- Through this program, students got awareness of a variety of designing software's.

Closing remarks:

Students are provided with information to develop themselves from the inside out and become competent to strive for their future construction sector. Through this session students will learn about the concepts like create technical schematics and blueprints for the construction of structures and products, provide measurements, dimensions and notes on the materials needed to complete the project, coordinating with other employees to obtain technical details, optimize designs, and resolve issues, modify and revise designs to correct operating deficiencies and limit production problems, writing additional instructions & comments and positioning them into technical drawings and blueprints.
