Report on An awareness programme on "Preparation for the Competitive Examinations"

Name of the Event: Opportunities through Post Graduate Program in Autodesk Revit.

Introduction to Event:

The Department of Civil Engineering at Aditya Engineering College (A), conducted a career-counselling programme to explore employment opportunities and potential growth in various civil engineering fields. In today's time, it is becoming challenging to achieve success in competitive examinations. Applicants work hard for many years to crack the exam, but only some succeed. Therefore, it is essential to strategize the studying methodology to succeed in the exams. So, in this session, guest focused on strategic competitive exam preparation. There are certain parameters like Understand Your Interest, Understand the Exam Pattern, Make a Good Strategy, Set Target, Keep Yourself Updated, Make Notes, Digital Learning, Be Committed & Keep Practicing, Maintain Self Confidence & Stay Positive. From this session, the guest lectured on how to be motivated to achieve any competitive exam with proper planning and strategy.

Staffing:

Mr. N. Anil Kumar, Asst Prof, CE Dept.

Outcomes:

- Students learned how to be technically sound in the current job market for civil engineering sectors and how to have clarity about their future career as competition rises.
- Through this program, students got awareness of a variety of designing software's.

Closing remarks:

From this seminar student got awareness on how to goal for competitive exams. Through this session students learned that, Competitive Examination is all about strategy and proper execution and nothing else. This can be, best done if students are preparing on their own. Coaching centres will not be for you alone but in self-study, you will be able to understand yourself better and study accordingly.
