Report of Alumni Meet held on 08-01-2022

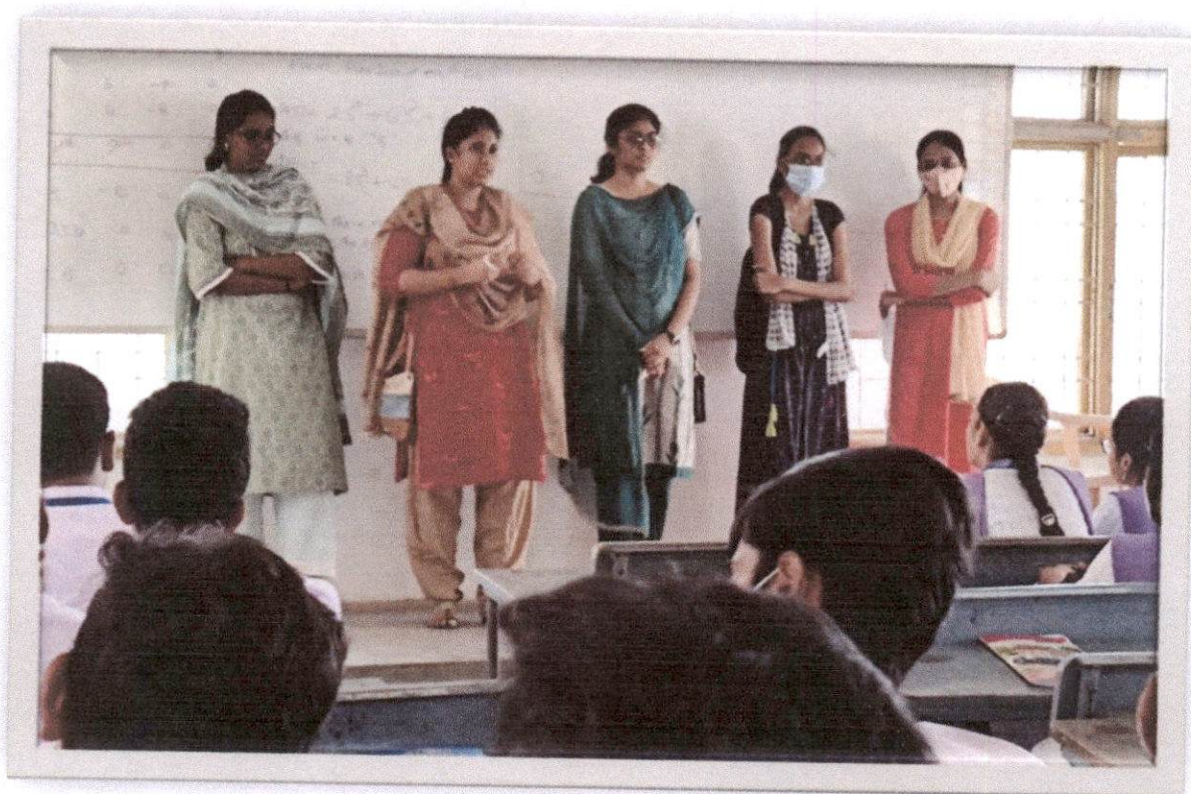

An Alumni Meet was organized on 08th January 2022 by AEC, Surampalem. Even though the date of this Meet was declared in the month of December itself, the news spread far and wide. The Meet was attended by more than 150 alumni of different batches who graduated in year 2005 (First Graduating Batch) to 2021. It was a great pleasure to know about their accomplishments in professional lives. About 35 alumni attended the Meet with their spouses and children and their stay arrangement was made in the Hostels where they once lived. They very proudly took their families to show their campus and places where they lived and spent time.

The alumni meet is to reconnect with the Alumni and celebrate their success and various achievements. The Alumni started arriving in college by 8.30 a.m. and they were received by the registration team and they have been asked to fill the registration form. The Alumni Meet started with a welcome address by the Aditya Engineering College Alumni Association president Mr. V Satyanarayana. The meeting was graced by Aditya Engineering College Principal, Dr. M. Sreenivasa Reddy welcomed the Alumni, and their family members.

In the post lunch session, the alumni visited their respective departments. The HODs of each department took them to various laboratories and other departmental facilities and presented the recent progress and activities they have made. Alumni also interacted with the students and gave motivational talk regarding preparing for higher studies and placements. Students asked many questions regarding placements and the alumni shared their views. After the interaction, they made discussions on the future developments and alumni came up with many suggestions regarding the student development, syllabus of courses etc. They also put forward their services in the growth of the respective Department.
