### FUNCTIONS:

- Create a platform for regular interactions and knowledge exchange between industry experts and academic faculty.
- Align academic curricula with the industry's evolving needs and demands.
- Facilitate internship opportunities for students in various industries.
- Promote joint research projects and collaborations between academia and industry.
- Organize guest lectures and workshops conducted by industry experts for students and faculty.

- Support budding entrepreneurs and start-ups by connecting them with industry mentors, potential investors, and incubation programs.
- Facilitate industry sponsorships and grants for academic projects and research initiatives.
- Acts as a feedback mechanism, gathering inputs from industries about the strengths and weaknesses of academic programs.
