

Report on Student attributes facilitated by the Institute

The Institute strives to facilitate students for achieving professionalism, transparency, and efficiency in curricular, co-curricular, and extra-curricular activities. To maintain the highest academic standards the institute has been instilling scientific temper, human values and professional ethics among students.

Following student attributes are facilitated by the institute:

- **Discipline and Punctuality:** The institute has been implementing a Code of Conduct for students to inculcate discipline, punctuality, behavioural decorum and professional ethics among them.
- **Integrity:** Integrity is the quality of being able to identify oneself with all things and people, at all times. The institute is continuously striving to nurture this quality among students both in the personal and social dimensions.
- **Inclusiveness:** The institute encourages everyone to taste the nectar of knowledge by promoting inclusiveness among students, encouraging brotherhood, compassion and sensitivity towards humanity by engaging them in various extension activities and community outreach programmes.
- **Sustainable Living:** Students are sensitized towards sustainable development goals of the nation and are encouraged to understand the importance of conservation of natural resources and promote green initiatives.
- **Green Practices and Eco-friendly Habits:** The Green Environment Policy is implemented to inculcate eco-friendly practices among students like 'Ban on Plastic', waste recycling, reuse of waste paper, use of cloth banners, cultivation of Vegetable garden, medicinal plants etc.
- **Social Commitment:** Students of the institute participate in social work through community service project as a part of their curriculum.
- **National Values:** Singing the National Anthem, observing days of national importance, hoisting the national flag at college, constitution day quiz and activities inculcate national feelings and patriotism among students.
- **Value Education:** Values are inculcated through the course universal human values during student induction programme.
- **Excellence:** The institute promotes excellence as a quality among the students in all their activities and inspires them to strive for the best.
