Employer Feedback on Curriculum

Employer Feedback Analysis (2020- 2021) for the B. Tech (Mining Engineering) Program.

S. NO	Question related to Curriculum	Opinion of the Employer with Percentage					Majority opinion	% of Majority Opinion
		Excellent (%)	Good (%)	Average (%)	Below Average (%)	Poor (%)		
1	Curriculum is contemporary and need based	21	58	13	5	3	Excellent & good	79%
2	There is adequate emphasis on employability skills/ skill development/entrepreneurship in the curriculum	23	59	6	9	3	Excellent & good	82%
3	The electives offered in the curriculum suits the industry needs and technological advancements.	22	56	12	8	2	Excellent & good	78%

Graphical representation of Employer feedback analysis

1. Curriculum is contemporary and need based

2. There is adequate emphasis on employability skills/ skill development /entrepreneurship in the curriculum

3. The electives offered in the curriculum suits the industry needs and technological advancements.

Suggest any courses to be added to /removed from the curriculum

1. Sustainable Mining.
2. Environmental Management in Mines
3. Electrical equipment's in Mine

Suggest the skills to be acquired by our students to meet the industry requirements

1. Get full grip on planning of mines.
2. Students should be through in Management skills
3. Practical skills about new technology Management skills

Any other suggestions on Curriculum

1. Add data science related subjects
2. Practical knowledge about new technologies.
3. Suggested to add courses which help them in industry sector.

The following are observations on Employer feedback and action need to be initiated:

1. The courses which provide different information about various electrical equipment should be included in the curriculum
2. The sustainability and environment friendly mining activity should be followed in the upcoming days. Students should give importance towards it.
3. Mining students should have good knowledge in the planning of underground and surface mines

3. The electives offered in the curriculum suits the industry needs and technological advancements.

Suggest any courses to be added to /removed from the curriculum

1. Socially Relevant Project
2. Green Mining
3. Environmental Management in Mines

Suggest any new topics/technologies/tools/modules to be learned by students to make them industry- ready

1. Everyone should learn new technology in mining field
2. Knowledge in case studies
3. New innovation in mining

Give any other suggestions for improving the Curriculum

1. Better to add social relevant project in every year
2. Modern developments in mine machinery
3. Improve case studies in core mining subjects

The following are observations on Alumni feedback and action need to be initiated:

1. Students should participate in social relevant project which develops their internal and external personality.
2. Include various case studies in the core mining subject for the better understanding of the same course
3. The new innovation, areas and new technology are upcoming in the mining field include those things in the Curriculum..

Give your suggestions for improving the curriculum

1. Live example on technology advances should be included.
2. More guest lecturers required from alumni.
3. Provide field trip.

The following are observations on Student feedback and action need to be initiated:

1. Students should be allowed for internship and industrial visit
2. Alumni and industry person should visit the campus. So that industry condition should be understood properly
3. Different MOU should be signed with different industries so that student can be benefited out of it.
