3	The electives offered in the curriculum suits the industry needs and technological advancements.	21	41	24	10	4	Excellent & good	62%

Graphical representation of Alumni feedback analysis

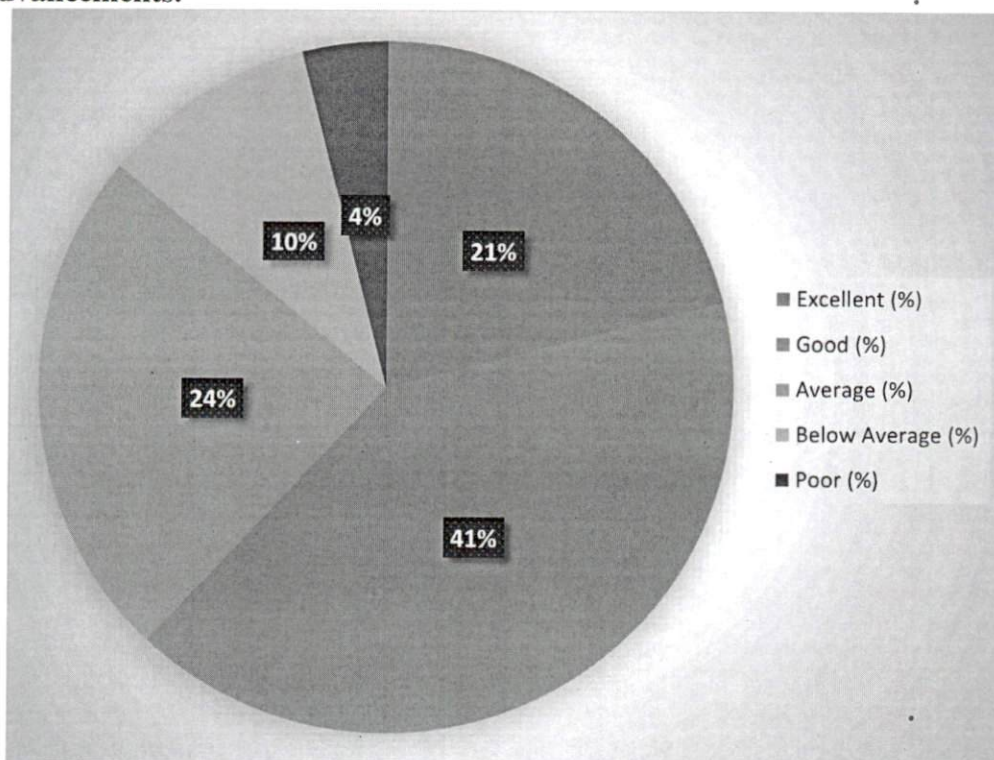

1. Curriculum is contemporary and need based

2. There is adequate emphasis on employability skills/ skill development /entrepreneurship in the curriculum

3. The electives offered in the curriculum suits the industry needs and technological advancements.

Suggest any courses to be added to /removed from the curriculum

1. Guest lectures are required.
2. Minor modifications in syllabus is required.
3. Guest lectures are to be conducted among the students.

Suggest any new topics/technologies/tools/modules to be learned by students to make them industry- ready

1. Software related core labs are to be included.
2. Courses like skill oriented are to be added.
3. Students are planned to do the Projects related to real-time problems.

Give any other suggestions for improving the Curriculum

1. Job oriented software courses are to be included in the curriculum.
2. Practical application of theoretical courses is to be added.
3. Application of soft computing techniques in projects.

The following are observations on Alumni feedback and action need to be initiated:

1. The need for technical and social initiatives is necessary and enormous.

3. The electives offered in the curriculum suits the industry needs and technological advancements.

Suggest any courses to be added to /removed from the curriculum

1. The curriculum is good.
2. Value added courses should be made compulsorily.
3. Gaining of practical knowledge through industrial visits.

Suggest the skills to be acquired by our students to meet the industry requirements

1. Industrial visits are to be made mandatory.
2. No changes are needed.
3. Correlation among theoretical and practical knowledge.

Any other suggestions on Curriculum

1. Classes on reasoning and aptitude are to be included in the curriculum.
2. Classes on software are to be included.
3. No changes.

The following are observations on Employer feedback and action need to be initiated:

1. Application oriented software courses and skill oriented courses are to be conducted among the students.
