

# ADITYA ENGINEERING COLLEGE (A)

Aditya Nagar, ADB Road, Surampalem

## B. TECH - II SEMESTER END LAB EXAMINATIONS SUPPLEMENTARY (AR20) - JUL 2024

| S.No | Branch | Name of the Course (Code)                               | H.T.No's                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | No. of Students | Timings              | Date of Exam |
|------|--------|---------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------|----------------------|--------------|
| 1    | CE     | Surveying field Work (201ES2L05)                        | 22A91A0119, 22A91A0144                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 2               | 09.30 AM to 12.30 PM | 24.06.2024   |
| 2    |        | Engineering Chemistry Lab (201BS2L05)                   | 22A91A0119, 22A91A0144                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 2               | 09.30 AM to 12.30 PM | 25.06.2024   |
| 3    |        | Programming for Problem Solving Using C Lab (201ES2L10) | 22A91A0113, 22A91A0119<br>22A91A0144                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         | 3               | 09.30 AM to 12.30 PM | 27.06.2024   |
| 4    | ECE    | Basic Electrical Engineering Lab (201ES2L13)            | 22A91A0485, 22A91A04N3                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       | 2               | 09.30 AM to 12.30 PM | 25.06.2024   |
| 5    |        | Object Oriented Programming through JAVA (201ES2I03)    | 20A91A0425, 20A91A0450<br>21A91A0435, 21A91A0456<br>21A91A0459, 21A91A0480<br>21A91A04A8, 21A91A04B2<br>22A91A0402, 22A91A0410<br>22A91A0422, 22A91A0423<br>22A91A0424, 22A91A0454<br>22A91A0465, 22A91A0466<br>22A91A0468, 22A91A0470<br>22A91A0481, 22A91A0485<br>22A91A0489, 22A91A0493<br>22A91A04B6, 22A91A04C6<br>22A91A04C9, 22A91A04D3<br>22A91A04D4, 22A91A04E0<br>22A91A04E4, 22A91A04E7<br>22A91A04F3, 22A91A04F4<br>22A91A04G3, 22A91A04I0<br>22A91A04I4, 22A91A04J2<br>22A91A04J3, 22A91A04J8<br>22A91A04K0, 22A91A04K2<br>22A91A04L0, 22A91A04L2<br>22A91A04N6 | 43              | 09.30 AM to 12.30 PM | 01.07.2024   |

**Note: Students are instructed to contact concerned H&BS-II HOD for Lab Schedule at RTB-413**

Date : 21-06-2024
