Sub: Request to grant permission for organizing a Value Added Course on "Modern Drilling and Blasting Techniques in Surface and Underground Mines"

Respected Sir,

Drilling and Blasting is one of the major processes that has been practiced in Mining Engineering. Recently a lot modern tools has been implemented in the drilling blasting process. Students should must be aware of these modern tools. So to enhance the technical abilities of students pursuing B.Tech VII and V Semesters, the Department of Mining Engineering is proposing to organize a Value Added Course entitled "Modern drilling and Blasting Techniques in Surface and Underground Mines", during the period of 02nd – 06th September 2019.

Hence, I request you to grant permission to organize the program with the necessary arrangements.

Thanking you,
