

ADITYA ENGINEERING COLLEGE

An Autonomous Institution

Approved by AICTE • Permanently Affiliated to JNTUK • Accredited by NAAC with 'A' Grade

Recognised by UGC under sections 2(f) and 12(B) of UGC Act, 1956

Aditya Nagar, ADB Road, Surampalem - 533437, Near Kakinada, E.G.Dt., Ph:99498 76662

Programme: Information Technology

Vision & Mission

The screenshot shows the website's header with the Aditya Engineering College logo and navigation links. The main banner features the text "We are changing the world with Technology" and "INFORMATION TECHNOLOGY". Below this, the "Department of Information Technology" is highlighted. The "Our Vision" section states: "To emerge as a premier department with quality of education, technical competency and innovations". A "Quick Links" sidebar on the right lists various links, with "Our Vision" selected. The footer includes a "WhatsApp" icon, an "APPLY FOR ADMISSIONS" button, and a "Join Today" button.

Vision

The screenshot shows the website's header with the Aditya Engineering College logo and navigation links. The main banner features the text "We are changing the world with Technology" and "INFORMATION TECHNOLOGY". Below this, the "Department of Information Technology" is highlighted. The "Our Mission" section lists three mission statements: M1: "Provide an academic environment with quality infrastructure for solving real world problems and work in multi-disciplinary teams.", M2: "Impart value based education in innovative research and leadership aspects", and M3: "Collaborate with the industry and academia towards addressing the evolving changes in Information Technology and related areas". A "Quick Links" sidebar on the right lists various links, with "Our Mission" selected. The footer includes a "WhatsApp" icon, an "APPLY FOR ADMISSIONS" button, and a "Join Today" button.

Mission

ADITYA ENGINEERING COLLEGE

An Autonomous Institution

Approved by AICTE • Permanently Affiliated to JNTUK • Accredited by NAAC with 'A' Grade

Recognised by UGC under sections 2(f) and 12(B) of UGC Act, 1956

Aditya Nagar, ADB Road, Surampalem - 533437, Near Kakinada, E.G.Dt., Ph:99498 76662

Program Outcomes (POs)

Department of Information Technology

PROGRAM OUTCOMES

PO 1:
Engineering Knowledge: Apply knowledge of mathematics, science, engineering fundamentals and an engineering specialization to the solution of complex engineering problems.

PO 2:
Problem Analysis: Identify, formulate, research literature and analyze complex engineering problems, reaching substantiated conclusions using first principles of mathematics, natural sciences and engineering sciences.

PO 3:
Design/Development of Solutions: Design solutions for complex engineering problems and design systems, components or processes that meet specified needs with appropriate consideration for public health and safety, cultural, societal, and environmental considerations.

PO 4:
Conduct Investigations of Complex Problems: Conduct investigations of complex problems using research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of information to provide valid conclusions.

PO 5:
Modern Tool Usage: Create, select and apply appropriate techniques, resources, and modern engineering and IT tools, including prediction and modelling, to complex engineering activities, with an understanding of the limitations.

PO 6:
The Engineer and Society: Apply reasoning informed by contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to professional engineering practice.

PO 7:
Environment and Sustainability: Understand the impact of professional engineering solutions in societal and environmental contexts and demonstrate knowledge of, and need for sustainable development.

PO 8:
Ethics: Apply ethical principles and commit to professional ethics and responsibilities and norms of engineering practice.

PO 9:
Individual and Teamwork: Function effectively as an individual, and as a member or leader in diverse teams and in multidisciplinary settings.

PO 10:
Communication: Communicate effectively on complex engineering activities with the engineering community and with society at large, such as being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.

PO 11:
Project Management and Finance: Demonstrate knowledge and understanding of engineering management principles and apply these to one's own work, as a member and leader in a team and to manage projects in multidisciplinary environments.

PO 12:
Life-long Learning: Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

Program Specific Outcomes (PSOs)

Department of Information Technology

PROGRAM SPECIFIC OUTCOMES

PSO 1:
Develop IT solutions to mitigate business challenges using AIML and IOT technologies.

PSO 2:
Use acquired foundational skills and knowledge to learn future technologies and employ them in research applications

Program Educational Objectives (PEOs)

Department of Information Technology

PROGRAM EDUCATIONAL OBJECTIVES

PEO 1:
Develop solutions for real world problems and adapt to the ever evolving challenges in Information Technology (IT) and related interdisciplinary areas

PEO 2:
Communicate effectively with multi-disciplinary teams to develop quality computing systems with an orientation towards research and development for lifelong learning.

PEO 3:
Use emerging technologies in ethical & professional manner to fulfil industrial & societal needs.
