Report of the Event:

Awareness Rally on HIV/AIDS campaign was organized by Aditya Engineering College (A) under Youth Red Cross Unit (YRCU) on 01-12-2019. The awareness campaign was conducted by the team of YRCU members and the informations regarding HIV/AIDS were spreaded in the local community by keeping the theme "communities make the difference" on the occasion of AIDS day.

On World AIDS Day 2019, World Health Organisation is highlighting the difference these communities are making to end the HIV epidemic while drawing global attention to the need for their broader engagement in strengthening primary health care. At the end of the event, YRCU Program Officer S B G Tilak Babu, thanked president of the village. He specially thanked our Management and Principal of Aditya Engineering College (A) for all the support provided for conducting this programme.

Outcomes:

- Students able to know how to promote the importance of health to the villagers.
- Awareness was created by students among the villages regarding HIV/AIDS and its precautionary measures.
- In this awareness programme 77 people of yerrampalem village got benefitted.
