### Report of the Event:

We the Aditya Leo Club Students visited "Parivarthana Street Children Hostel-Kakinada" on 10-11-2019. We distributed lunch to the children there and spent some time with them. We interacted with the children knowing about their interests and needs. We conducted different games for the children and distributed food. The children felt so happy for visiting them.

### Outcomes:

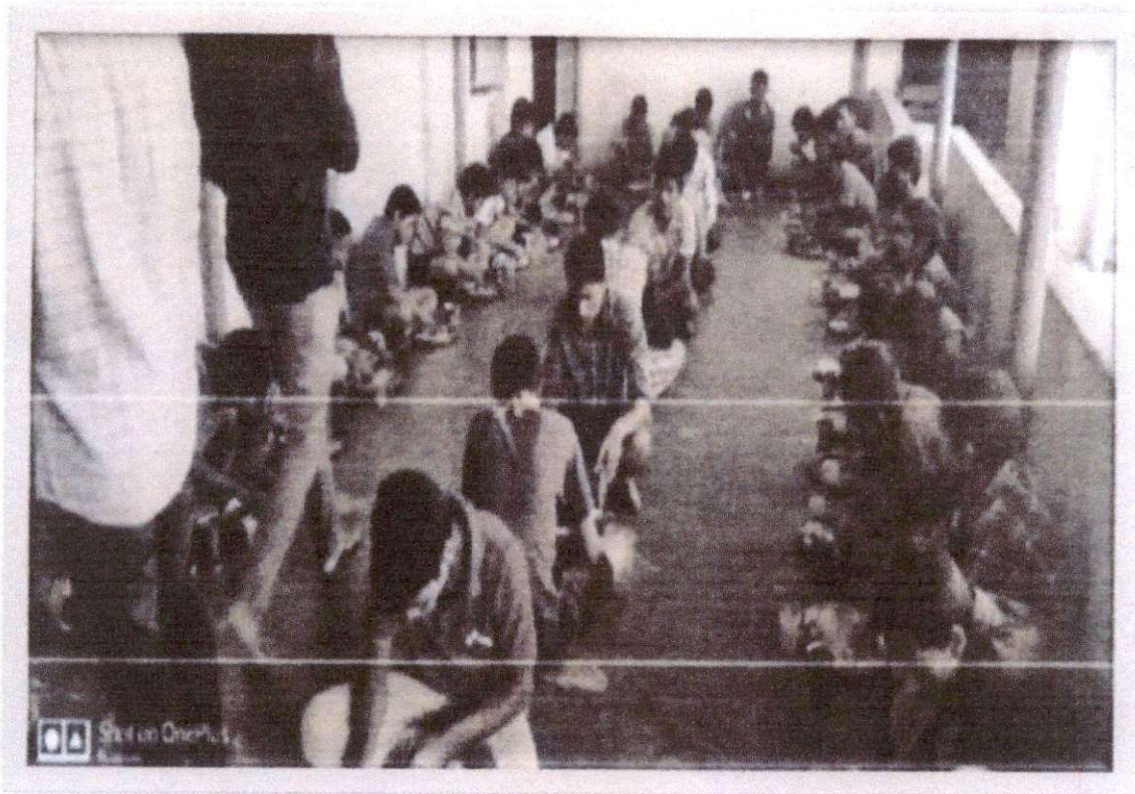

- Students attempted to motivate the children towards their interests.
- Students came to know every bit is useful to someone.
- The activity has been successfully donated the food among 85 children in the home.
