Report on Distribution of Food and Butter Milk During Lockdown

Event Date: 10-09-2020

Event Location: Kakinada and Rajahmundry.

Event Coordinators: Ms.K. Jaya Laxmi, Secretary of LEO Club

Mr.Ch. Naga Venkata Vara Prasad, Member of LEO Club

No. Of Students Participated: 63

About the activity:

During the pandemic so many daily wagers faced the problem, as there is no work. It is not possible for the people to earn money and eat for the day. As poor people are starving on the streets, LEO Club planned to distribute the food items and buttermilk to the poor and needy. 26 students from Kakinada urban and 37 from Rajahmundry urban regions were shown interest to participate in this event. Students of respective urban areas donated in their area. Initially, coordinators for the specific location have informed to the nearest police station and all the members were strictly instructed to wear mask and carry sanitizer and maintain a distance of at least one meter. Members were also instructed to stay in isolation for three days after completion of the event. Leo members donated the food and buttermilk without any issues and none of the members were affected with Covid-19.

Outcomes:

- New Students were motivated towards social services.
- Service to the suffering and needy was realized by the students.
- Students came to know the struggles of people during pandemic.
- Students distributed food and butter milk to 85 people on the road side of Kakinada and Rajahmundry city.
