

COMPLETION OF TRAINING

21/11/2019

P.sai Kishore

Congratulations on completing
"Unleash Your Intelligent Bots: Develop Cognitive Bots Driven by AI
& Machine Learning (IQ Bot)"
course at Automation Anywhere University.

With this training you have acquired skills and knowledge that will allow
you to continue your journey to Robotics Process Automation success.

At Automation Anywhere, we believe that people who have more time
to create, think, and discover build great companies. We wish you
continued success in all your endeavors.

Go Be Great!

CONTINUE YOUR LEARNING

Dear Sir/Madam,

Greetings from Automation anywhere

We are glad to announce the **training and certificate programme of 2020 on Recent Trends in Robotics and Automation**. In this programme, speakers from Academia, and Industry are going to share their experience. **Starting from the basics of Robotics, Manipulators, wheeled mobile robots, Human Centered Robots, Cobotics, Wearable Robotics, Soft Robotics and Unmanned Aerial will be covered with some demonstration / hands-on sessions.** We are happy to share the flyer of the programme. The programme is well recognized by the Automation anywhere. The lecture and lab sessions will be organized between 2.00-5.00 PM and then from 6.00-7.00 PM. The exact schedule will be announced later. We invite the participation of the faculty and students from your institution in the programme. There are limited seats and the last date for the registration is **october 30, 2020 by 5 PM.**

Registration fee: Indian/SAARC/African Countries (Lower income groups) : INR 500/- for students and faculty, For others - INR 1000/-
Details can be found in the attached flyer.

Looking forward to your kind support and active role in the success of the programme,

Best regards

Dr. Vijay Kumar Singh
