Report on

Webinar "Opportunities and Challenges after Engineering"

Name of the Event   : Opportunities and Challenges after Engineering

About the Event   :

A one day webinar on **"Opportunities and Challenges after Engineering"** was organised by the department of ECE at Aditya Engineering College (A), Surampalem. The objective of this program is to provide the awareness to the students in deciding their career opportunities after engineering. Speaker highlighted the importance of GATE examination and the associated job opportunities through GATE exam in various public sector units. Moreover, speaker informed the students about the benefits of GATE examination for getting admission in IITs and NITs for pursuing their higher education. Further, the speaker discussed the opportunities and challenges available in various software and core industries. Speaker also motivated to the students to attend various civil service examinations and explained the preparation tips to crack theses examinations. The different approaches of career building in software and core industries were also explained by the speaker. At last the speaker emphasised on the learning and up gradation skill of the students so that they can easily grab the available opportunities in the present scenario.
