

# **ADITYA ENGINEERING COLLEGE (A)**

## **Department of Agricultural Engineering**

### **Guest Lecture on Solid Waste Disposal**

#### **Report**

<b>Venue</b>	: Seminar Hall, Bill Gates Bhavan
<b>Date</b>	: 20-02-2019
<b>Resource person</b>	: Er. Nagaraju, Proprietor, EVB Technologies.
<b>Number of participants</b>	: 42
<b>Objective</b>	: The objective of this seminar is to know about managing and handling of solid waste.
<b>About the guest lecture</b>	: The Department of Agricultural Engineering has organized a guest lecture on solid waste disposal for students. Solid waste management is a term that is used to refer to the process of collecting, treating and disposing of solid wastes. Improper disposal of solid wastes can create unsanitary conditions which in turn lead to pollution of environment and outbreak of vector borne diseases. Management of solid wastes is a major challenge these days for the administrators, engineers and planners.
<b>Outcome of the guest lecture</b>	: Student can able to know about the properties of solid wastes and the steps involved in a solid waste management system.
<b>Closing Remarks</b>	: Finally, HOD of Ag.E has given closing remarks on this guest lecture. The HOD, organizer, staff and students felicitated the speaker with a memento for his valuable speech on solid waste disposal.
