

## COMPLETION OF TRAINING

---

21/11/2021

**K.Siva Prasad**

Congratulations on completing  
**"Unleash Your Intelligent Bots: Develop Cognitive Bots Driven by AI  
& Machine Learning (IQ Bot)"**  
course at Automation Anywhere University.

With this training you have acquired skills and knowledge that will allow  
you to continue your journey to Robotics Process Automation success.

At Automation Anywhere, we believe that people who have more time  
to create, think, and discover build great companies. We wish you  
continued success in all your endeavors.

**Go Be Great!**

Subject: Industrial Robotics for Future Factories

Dear Sir/Madam,

Greetings from Automation anywhere!

It is a pleasure to share that the Automation anywhere is conducting a program on "**Industrial Robotics for Future Factories**". There is **NO REGISTRATION FEE**. The training is tailored with many advanced topics that connect Industrial Robotics with Industry 4.0. Eminent speakers from IISER, IIT, NIT, and other Industrial experts are going to deliver the talks. We cordially invite you to participate in the event.

The brochure and the registration procedure is attached for your reference.

Please mail us back, if you find any difficulty.

Thank you.

If you have any further queries, please reach out to

Ms. Apurva Varma, Regional Manager, Automation anywhere.
