Mr.R.GnanaVirgin, Asst.Prof., Dept. of ECE,  
Mr.J.Rajashekar, Asst.Prof., Dept. of ME

### About the Activity:

The NSS Unit of Aditya Engineering College (A), Surampalem celebrated Jal Shakti Abhiyan on 22-07-2019. The Jal Shakti Abhiyan mainly focuses upon the conservation of water in 1592 water-stressed blocks in 256 districts. It also ensures five important water conservation interventions: Rainwater harvesting, Renovation of traditional and other water bodies/tanks, Re-use bore well recharge structures, Watershed development, and Intensive afforestation. The volunteers went to nearby villages and spread the awareness about the water scarcity and the ways to collect and store rainwater at optimum level and Sources available to collect the rainwater.

### Outcomes:

- Volunteers came to know the Importance of water conservation.
- Volunteers able to gain the knowledge about collecting and storage of rainwater.
- The awareness programme has been reached out to 224 people of the two villages.

### Photos of the Event

Students participated in campaign along with Villagers and Staff
