

ADITYA ENGINEERING COLLEGE

An Autonomous Institution

Approved by AICTE • Permanently Affiliated to JNTUK • Accredited by NAAC with 'A' Grade

Recognised by UGC under sections 2(f) and 12(B) of UGC Act, 1956

Aditya Nagar, ADB Road, Surampalem - 533437, Near Kakinada, E.G.Dt., Ph:99498 76662

Department of Mining Engineering

A One day workshop on IPR, Patents and Patentability Assessment

Report

- Venue** : Room No 101, Seminar Hall, K. L. Rao Bhavan via Hybrid Mode
- Date** : 15-02-2019
- Resource persons** : Dr Selvaraj Manickam, Assistant Professor of Mechanical Engineering Department, Bule Hora University, Ethiopia
- Number of participants** : 68
- Objective** : The objective of the workshop is to impart greater awareness about the issue of IPRs.
- About the workshop** : The Department of Mining Engineering has organized a workshop on "Intellectual Property Rights" for students. The workshop is well structured and covers various aspects of Intellectual Property Rights (IPRs) that are concerned with the protection of tangible and intangible property. Speaker discussed that how the ownership of patent provides the rewards and recognition to inventors/contributors for their research, designs, discoveries, inventions, etc. Further, Dr. Manickam explained that the difference between patent search and a patentability. He also explained the necessary steps for transforming innovations into proprietary assets.
- Outcomes** :
- At the end of the workshop participants were able to
 - Understand the mechanism of accessing and using IPR information for further research and development in developing new products and processes.
 - Understand the necessary steps for transforming innovations into proprietary assets.
 - Enhance their business' market value.
 - Understand the difference between patent search and a patentability.

Closing Remarks

: Finally HOD of Mining has given closing remarks on this workshop. The HOD, organizer, staff and students expressed their gratitude towards the speaker for his valuable thought provoking speech about IPR. At the end the convenor of the programme transferred Rs.10,000/- to the speaker as a token of gratitude via online mode.

Photos of the event

<p>ABOUT THE WORKSHOP</p> <p>The workshop is well structured and covers various aspects of Intellectual Property Rights (IPR) that are concerned with the protection of tangible and intangible property. It provides research and innovation to creative contributions for their research, designs, inventions, innovations, etc. IPR protection gives a law state in providing a market advantage in terms of technological growth. The workshop provides a platform for a hands-on experience. The main aim of the workshop is to impart process knowledge about the scope of IPR.</p> <p>OUTCOMES</p> <p>The participants of the workshop will be able to understand the importance of intellectual property rights and its dealing process in procedures to file the patent.</p> <p>RESOURCE PERSON</p> <p>Dr. Sarvagat Manickam Assistant Professor Bharati University, Ethiopia</p> <p>COORDINATOR</p> <p>Mr. Rajan Kumar Gupta Assistant Professor Department of Mining Engineering</p> <p>CONVENOR</p> <p>Mr. Sarvagat Manickam Assistant Professor & HOD Department of Mining Engineering</p>	<p>A One Day Workshop on "IPR, Patents and Patentability Assessment" 15.02.2019</p> <p></p> <p>Jointly Organized by Department of Mining Engineering, Aditya Engineering College and Bharati University, Ethiopia.</p> <p></p> <p>ADITYA ENGINEERING COLLEGE (A) Aditya Nagar, Aditya Road, Narasimpur P.O. 533437, East Godavari District, Andhra Pradesh, India.</p>
