About The Activity:

The NSS Unit of Aditya Engineering College (A), Surampalem celebrated World Earth Day under the theme **“Living Sustainably in Harmony with Nature** on 22/04/2022. In this activity, Dr. E. Kiran Kumar, Professor of Environmental Studies, S.R.K.R Degree College, Yanam mentioned that, this day provides a suitable platform to raise public awareness around the world pertaining to the challenges and the well-being of the planet. It also serves as the reminder of the life it supports and the need to protect it. He motivated the students in a holistic way and students planted 100 plants in the college premises. The teaching staff and students actively participated in this event and made it a grand success.

Outcomes:

- Created awareness among the students to protect the planet.
- Students gained the knowledge about the importance of plantation for human sustainability.
