## WHOMSOEVER IT MAY CONCERN

We would like to thank you for gracing our Three Day Virtual Workshop on **Advanced Materials Characterisation Techniques** with your presence and for being our Guest Speaker. It has been a great honour and privilege. We deeply appreciate the wonderful speech you gave our attendees, we know they have learned a great deal with the valuable guidance you have imparted on them. We hope to hear more from you in the coming years and we wish you all the luck in all your endeavors.

Dear Sir,

**Sub:** Certificate of appreciation for Visting our Facilities and deliver a talk-reg  
**Greetings from KLEF!**

On behalf of the Electronics and Communication Engineering and Centre for Flexible Electronics, I would like to thank you for the one-day visit to our research centers and deliver a talk on **"Nanostructured materials for Energy and Environmental Applications"** on 20.11.2021. It is indeed a great honor and pleasure for us to have you as a collaborator. During this visit our faculty members and research faculties inspired on your works, we had a fruitful discussion. I look forward to working with you in the future with good research outcomes in terms of publications, patents, and collaborative research proposals for the promotion of professional educations on our both the Institutions.
