

ADITYA ENGINEERING COLLEGE

An Autonomous Institution

Approved by AICTE • Permanently Affiliated to JNTUK • Accredited by NAAC with 'A' Grade

Recognised by UGC under sections 2(f) and 12(B) of UGC Act, 1956

Aditya Nagar, ADB Road, Surampalem - 533437, Near Kakinada, E.G.Dt., Ph:99498 76662

List of Activities Carried out from the A.Y 2021-22 to 2017-18

S. No.	Name of the Event	Collaborating Agency	Date of Event	No. of Students Participated	Page No
1	Save Soil	Aditya Leo Club with Local Bodies of Aanuru Village	26-05-2022	58	1-2
2	Awareness on Science and Technology for Sustainable Future	NSS Unit	11-5-2022	98	3-6
3	Sustainability	NSS Unit	22-04-2022	32	7-8
4	Awareness on Digital Payments in Aanuru Village	Aditya Leo Club with Local Bodies of Aanuru Village	7-4-2022	101	9-10
5	Effects of Climate Change on Public Health	NSS Unit	1-04-2022	102	11-15
6	Mega Blood Donation Camp	NSS Unit with Siddhartha Blood Bank	28-03-2022	30	16-18
7	Invest to End TB	NSS Unit	24-03-2022	101	19-20
8	Safe Environment: A Need of the Hour	Youth Red Cross Unit	23-03-2022	48	21-24
9	Mega Vaccination drive	Youth Red Cross Unit	16-03-2022	45	25-27
10	Awareness on Covid-19 Vaccination in Adopted Villages	NSS Unit with Adopted Villages	16-03-2022	99	28-29
11	Aware Consumer Aware Country	Aditya Leo Club	15-03-2022	45	30-32
12	Normalizing Gender Inequalities	NSS Unit with Women's Empowerment Cell, AEC	8-3-2022	147	33-38
13	Flora and Fauna	NSS Unit	3-3-2022	32	39-42
14	Zero Discrimination Day	Youth Red Cross Unit	1-3-2022	122	43-45
15	Mega Blood Donation Camp	Aditya Leo Club with Rotary Blood Bank	12-02-2022	96	46-48
16	It's all in the Mind	NSS Unit	12-1-2022	32	49-50
17	School visit, Yerrampalem	Youth Red Cross Unit with MPUP School, Yerrampalem	05-01-2022 to 6-01-2022	50	51-54
18	Mega Blood donation Camp	Youth Red Cross Unit with YSRJR Blood Centre	28-12-2021	106	55-56

S. No.	Name of the Event	Collaborating Agency	Date of Event	No. of Students Participated	Page No
19	Cloth Distribution on the occasion of Christmas	Aditya Leo Club	25-12-2021	69	57-59
20	Maths in Day-to-Day Life	NSS Unit	22-12-2021	25	60-62
21	NSS Special Camp	NSS Unit with local bodies of Yerrampalem Village	21-12-2021 to 24-12-2021 & 06-01-2022 to 08-01-2022	50	63-69
22	Drugs: A Menace of 21 st Century	NSS Unit with Madhya Vimochana Prachara Committee, A.P	13-12-2021	97	70-72
23	Worth of Human	NSS Unit	10-12-2021	53	73-74
24	Awareness on Prevention of Aids in Adopted Villages	NSS Unit with Local Bodies of Yerrampalem and Surampalem Villages	1-12-2021	51	75-77
25	Social Liabilities of Young Generation	Aditya Leo Club with Lions Club, Kakinada	28-11-2021 to 05-12-2021	278	78-87
26	Laws for Environment	NSS Unit	26-11- 2021	49	88-90
27	Unity in Diversity	NSS Unit	19-11- 2021	69	91-93
28	Blanket Drive	Youth Red Cross Unit with Local bodies, Kakinada	19-11-2021	49	94-96
29	Prosperity and Peace	NSS Unit	17-11-2021	76	97-100
30	Covid-19 Vaccination Drive	Aditya Leo Club with GGH, Kakinada	22-10-2021	32	101-103
31	Celebrating Mahatmas	Aditya Leo Club	2-10-2021	48	104-105
32	Orphanage visit	Youth Red Cross Unit with Zion Blind School, Rajahmundry	2-10-2021	35	106-109
33	Vaccination drive	Youth Red Cross Unit with PHC, Katravulapalli	27-09-2021	48	110-111
34	Responsibilities of Youth	Youth Red Cross Unit	24-06-2021	184	112-114
35	Save the Earth	Youth Red Cross Unit with Local areas of Kakinada	5-6-2021	43	115-118
36	Butter Milk & Masks Distribution to Police Men	Youth Red Cross Unit with Local Bodies of Kakinada	26-05-2021	45	119-120
37	Red Cross Week Celebrations	Youth Red Cross Unit, AEC	03-05-2021 to 08-05-2021	258	121-125
38	Blood Donation Camp	Youth Red Cross Unit, Rotary Blood Bank, Kakinada	21-04-2021	69	126-128

S. No.	Name of the Event	Collaborating Agency	Date of Event	No. of Students Participated	Page No
39	Adopt a Bowl & Feed the Birds	Youth Red Cross Unit	1-4-2021	49	129-131
40	Awareness Programme on Covid-19	Youth Red Cross Unit with M.H.School, Kakinada, M.H.School, Rajahmundry	25-3-2021	22	132-133
41	cyber Jagrookta-Awareness program	Aditya Leo Club-316B	22-03-2021	32	134-135
42	Cycle Rally for Completion of 100 years to RedCross	Youth Red Cross Unit with Indian Red Cross Society	22-03-2021	86	136-139
43	Awareness Programme on prevention of communicable diseases	NSS Unit with PHC, Avanagaram	20-03-2021	132	140-141
44	Groceries Distribution to Teachers during Covid-19	Aditya Leo Club-316B	15-03-2021	108	142-143

FOR A.Y.21-22

ADITYA ENGINEERING COLLEGE (A)

ADB Road, Aditya Nagar, Surampalem, E.G. District - 533 437

ADITYA LEO CLUB - 316B

Save Soil

Event Date: 26th May 2022.

Event Location: Aamuru Village, Peddapuram mandal.

Event Coordinators: Mr. M. Venkat, President, Aditya Leo Club-316B,
Ms. S. Jahnavi, Secretary, Aditya Leo Club-316B.

No of Students Participated: 58

About the Activity:

Saving the soil is very important for the future generations. Land is being polluted by the chemicals and pesticides. Soil will also lose its fertility due to type of crop adopted etc. To create awareness among the farmers, our students of Leo Club went to the nearby Aamuru village to discuss with the farmers regarding this type of land pollution. Some responded positively and explained the methods which they had used to cultivate the land to get better crops and our volunteers try to give an insight about the precautions to be taken to control soil pollution.

Outcomes:

- Farmers got awareness about the soil pollution and its prevention.
- Students explained the various importance organic farming to the farmers.
- In this activity, 36 farmers were actively participated and got awareness regarding soil pollution.

NATIONAL SERVICE SCHEME

Awareness on Science and Technology for Sustainable Future

Agenda: Celebrating National Technology Day under the theme “An Integrated Approach to Science and Technology for a Sustainable Future”

Date: 11/05/2022

No. of Participants: 98

Programme officers: Mr. P. Shiva Kumar, Sr. Asst. Prof., Dept. of CE
Mr. J. Raja Sekhar, Sr. Asst. Prof., Dept. of ME

About The Activity:

The NSS unit of Aditya Engineering College (A), Surampalem celebrated National Technology Day on 11/05/2022. In this activity, Dr. Vineeth Nayar, Quality Manager Sarvaraya Sugars, Chennai, explained the students about the importance of National Technology Day and it is being celebrated on 11th May of every year. This day that is dedicated to the scientists, researchers, engineers, and trainers who made the inventions in their respective field. On the occasion of technology day, various technical events were conducted under the theme “An integrated approach to science and technology for sustainable future” to the students and prizes were distributed to the winners. The Principal, Deans, HoDs and staff members actively participated.

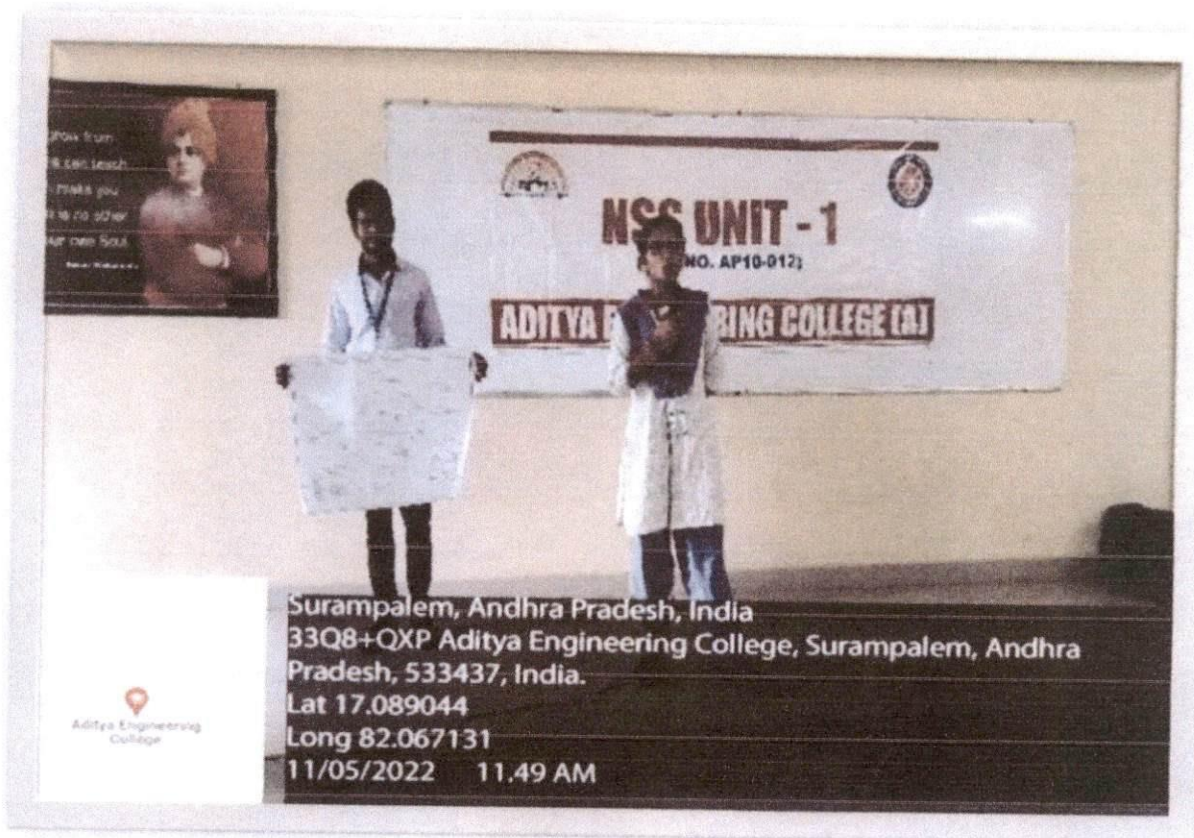

Outcomes:

- Students have known about the achievements of the great scientists.
- Students came to know about the importance of technology in their daily life.

Sustainability:

An insurance for next generations

Agenda: Creating Public awareness under the theme **“Living Sustainably in Harmony with Nature”**

No. of Participants: 32

Chief Guest: Dr.E. Kiran Kumar, Professor of Environmental Studies,
S.R.K.R Degree College, Yanam

Programme officers: Mr. P. Shiva Kumar, Sr. Asst. Prof., Dept. of CE
Mr. J. Raja Sekhar, Sr. Asst. Prof., Dept. of ME

About The Activity:

The NSS Unit of Aditya Engineering College (A), Surampalem celebrated World Earth Day under the theme **“Living Sustainably in Harmony with Nature** on 22/04/2022. In this activity, Dr. E. Kiran Kumar, Professor of Environmental Studies, S.R.K.R Degree College, Yanam mentioned that, this day provides a suitable platform to raise public awareness around the world pertaining to the challenges and the well-being of the planet. It also serves as the reminder of the life it supports and the need to protect it. He motivated the students in a holistic way and students planted 100 plants in the college premises. The teaching staff and students actively participated in this event and made it a grand success.

Outcomes:

- Created awareness among the students to protect the planet.
- Students gained the knowledge about the importance of plantation for human sustainability.

About The Activity:

The NSS Unit of Aditya Engineering College, Surampalem conducted World health Day on 07/04/2022. Dr. K. Naresh, MD (Gen. Med), DM(Cardiology), SNHHC, Kakinada was invited as a chief guest to this occasion. Dr. K. Naresh explained about the importance of World health Day and described how Climate change is a threat for human health in the 21st century, with a high frequency of climate-related health hazards and fatalities due to malnutrition, and increased propagation of vector-borne diseases such as malaria, dengue and heat stress, among others. Faculty and students were participated actively.

Outcomes:

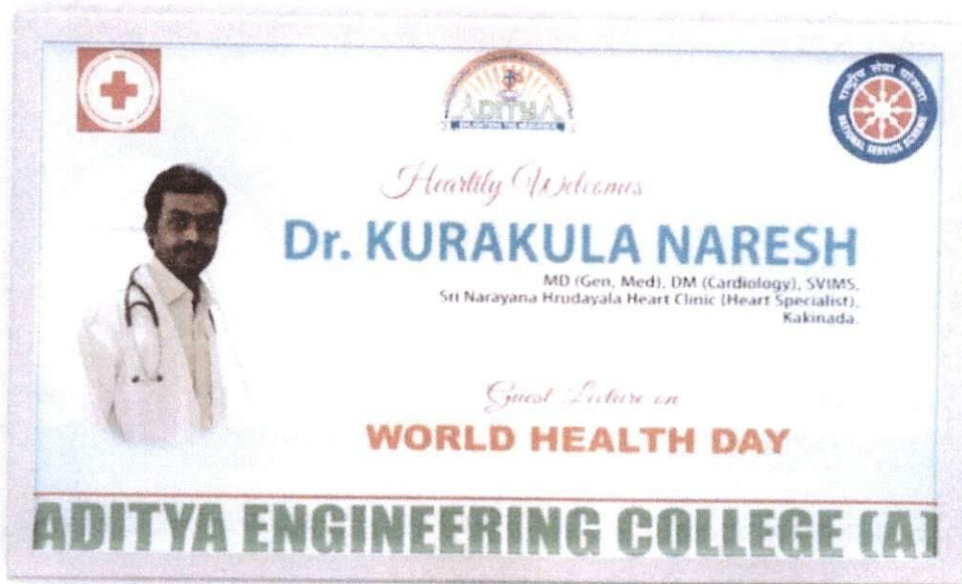

- Students have known about impacts of climate change on health, due to a lack of access to health care.
- Students have known about the impotence of health and precautions to be taken to protect their health.

Blood Donation Camp

Agenda: Creating an awareness on Blood donation

Date: 28/03/2022

Event Location: Rotary Blood Bank, Kakinada.

No. of Participants: 30

No. of Donors: 127

Collaborating Blood Bank: Rotary Blood Bank, Kakinada.

Chief Guest: Dr. N Satish Reddy, Vice-Chairman, Aditya Educational Institutions

Programme officers: Mr. P. Shiva Kumar, Sr. Asst. Prof., Dept. of CE

Mr. J. Raja Sekhar, Sr. Asst. Prof., Dept. of ME

About The Activity:

The NSS Unit of Aditya Engineering College conducted a mega blood donation camp on 28/03/2022 in Siddhartha Blood Bank, Kakinada. Volunteers of NSS explained the importance of blood donation and motivated the public to donate blood for a noble cause. Because we can produce everything except blood. So, everyone should take this as their responsibility to save lives by donating blood. We have placed NSS volunteers for blood donation registration. Blood donation started at 9.30 AM in the morning. We checked the weight of each person, to confirm the donors are having proper weight. Blood donation was conducted successfully. Total 127 packets were collected by Siddhartha Blood Bank. Principal, Staff, students and volunteers actively participated and made it a big success.

Outcomes:

- Students realized the importance of Blood Donation.
- Students got to know about the benefits of donating blood every now and then.

Invest to End TB

(Create awareness about tuberculosis and the devastating health)

Agenda: Creating awareness on TB under the theme "Invest to End TB"

Date: 24/03/2022

No. of Participants: 101

Programme officers: Mr. P. Shiva Kumar, Sr. Asst. Prof., Dept. of CE

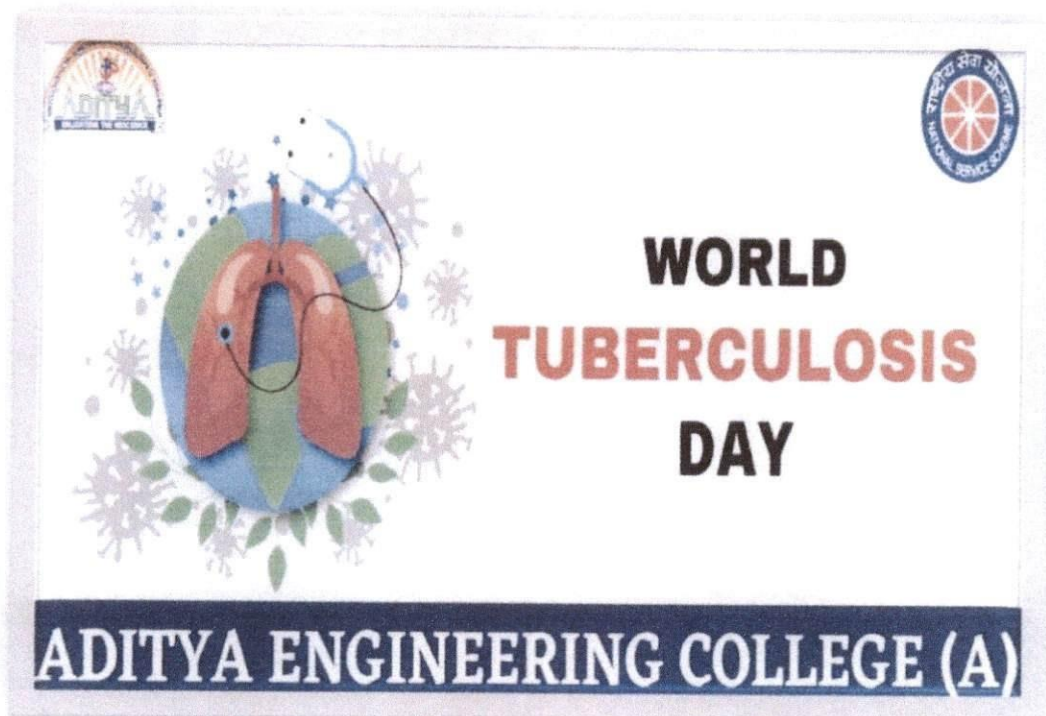

Mr. J. Raja Sekhar, Sr. Asst. Prof., Dept. of ME

About The Activity

The NSS Unit of Aditya Engineering College (A), Surampalem conducted World TB Day on 24/03/2022. In this activity, Dr. K. Naresh, MD (Gen. Med), DM(Cardiology), SNHHC, Kakinada was invited as a chief guest to this occasion. K. Naresh said that World Tuberculosis (TB) Day is observed on March 24 every year to create awareness about tuberculosis and the devastating health, social and economic consequences of it in the world. Every year, World TB Day is celebrated by organizing various campaigns and health awareness programs with the aim of preventing and treating the deadly infection of tuberculosis. Dr. M. Sreenivasa Reddy, Principal, Teaching staff, Volunteers and students actively participated and created awareness.

Outcomes:

- Students know about the statistical data of TB patients
- Awareness created in the local areas by rally

Safe Environment: A Need of the Hour

(Awareness on Ecology and Environmental Safety)

Event Date: 23-03-2022

Event Coordinators: Mr. S G B Thilak Babu, Program Officer, YRCU,

Mr. Narpina Sai Ram Student Member, YRCU

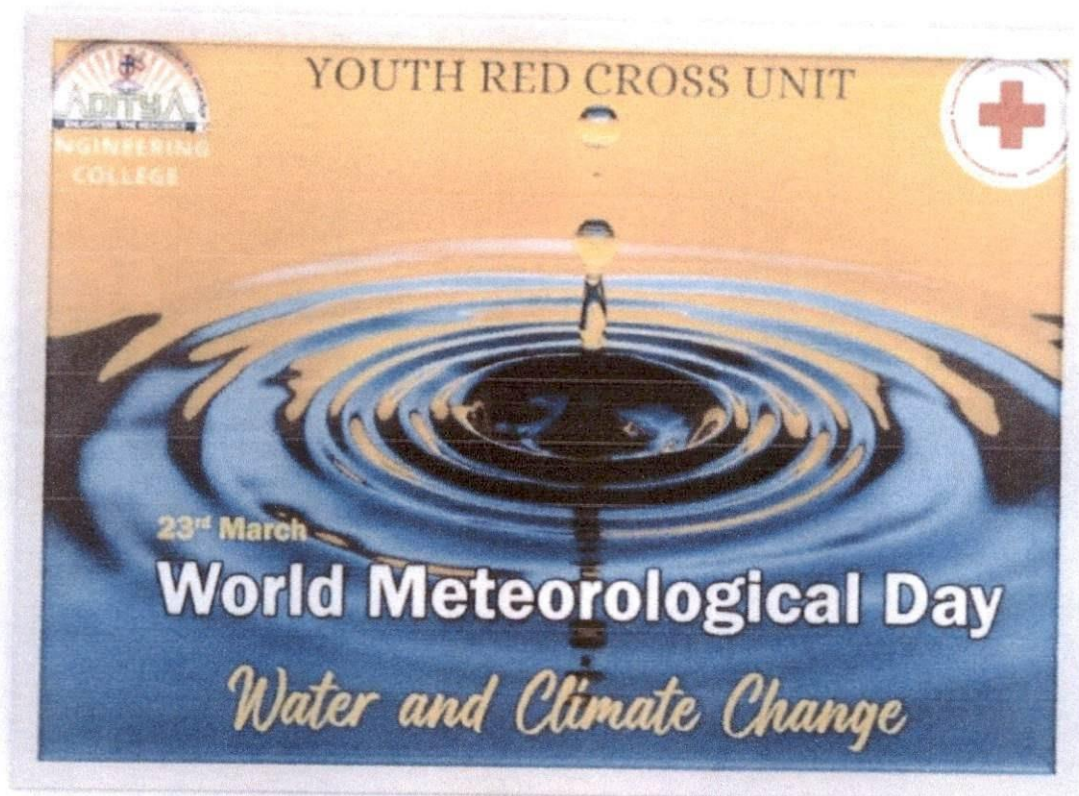

No. of Students Participated: 48

About The Activity

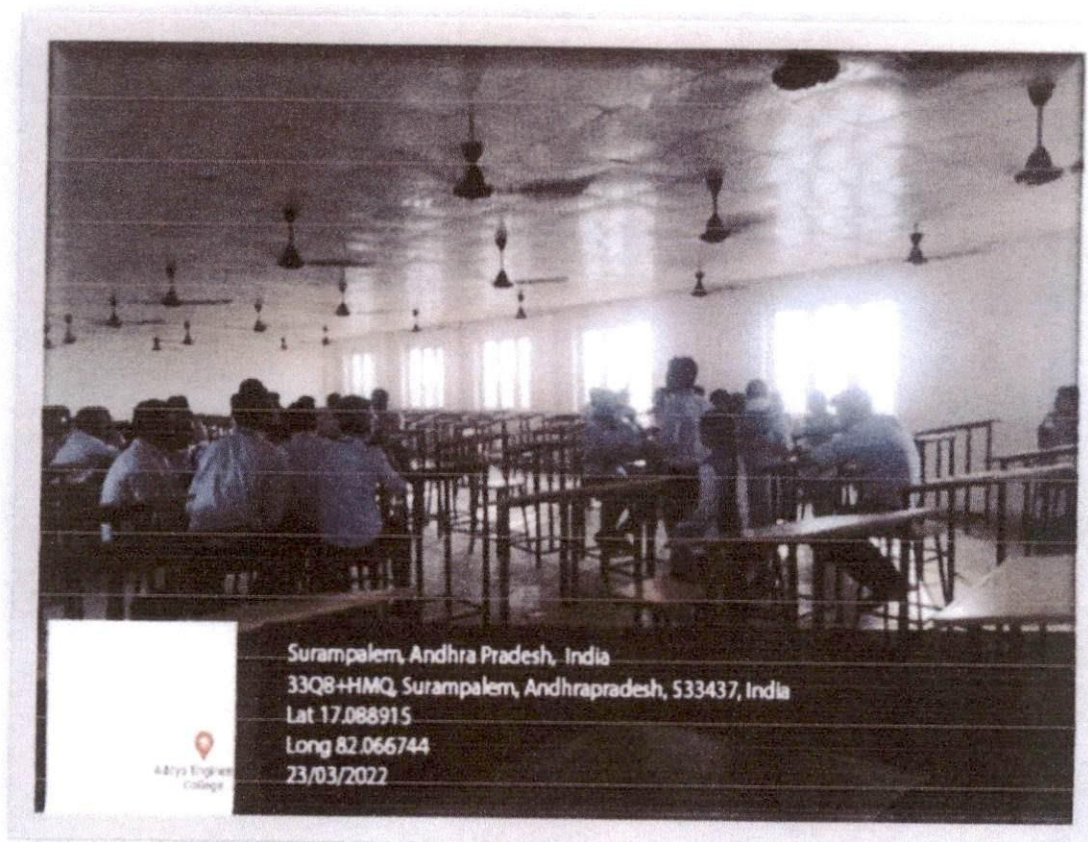

To create awareness on world meteorological day YRCU of Aditya Engineering College (A) called the students for trivia crack and short story competitions. Chief guest Dr. K. Madhusudan, Professor, Environmental Science, Pragati Engineering College, initiated event. Explained the importance of ecology, environmental safety and importance of world ecological day. Closing remarks given by N. Sri Ram, student member and S B G Tilak Babu. Student members shown their interest and participated in the competition.

Outcomes:

- Students got to know the importance in terms of ecology and Meteorology.
- Students know their Contribution to the Community

Mega Vaccination Drive

Event Date: 16-3-2022

Event Location: Aditya Engineering College(A)

Event Coordinator: Mr. S G B Thilak Babu, Program Officer, YRCU

No. Of Students Participated: 45

No. of Staff, Students and Outsiders Vaccinated: 304

About the Activity:

A Mega Vaccination Drive was organized by Aditya Engineering College (A) under YRCU on 16-3-2022. In the seminar Hall (Room No. 208), Cotton Bhavan. The YRCU coordinators were formed teams and allotted respective duties to them. The program started in the morning at 9.30 AM. Teaching, non-teaching staff and students aged 18 years and above of engineering, pharmacy and other colleges of Aditya Educational Institution are vaccinated. Medical Team provided with Covaxin and Covishield. Medical Staff educated the students about the health issues and vaccination benefits. Finally, Mr. S B G Tilak Babu, Program Officer, YRCU thanked all doctors and nurses for their active involvement in the vaccination drive made it a grand success.

Outcomes:

- Volunteers emphasized the importance of the vaccination.
- Volunteers explained how vaccination improves the immune system in our body.

NATIONAL SERVICE SCHEME

Awareness in Adopted Villages on Covid-19 Vaccination

Agenda: Creating awareness on corona vaccination

Date: 16/03/2022

Venue: Aditya Engineering College(A) & Adopted Villages (P. Nayakampalli, Yerrampalem, Surampalem, Kondapalli, and Singampalli)

No. of Participants: 99

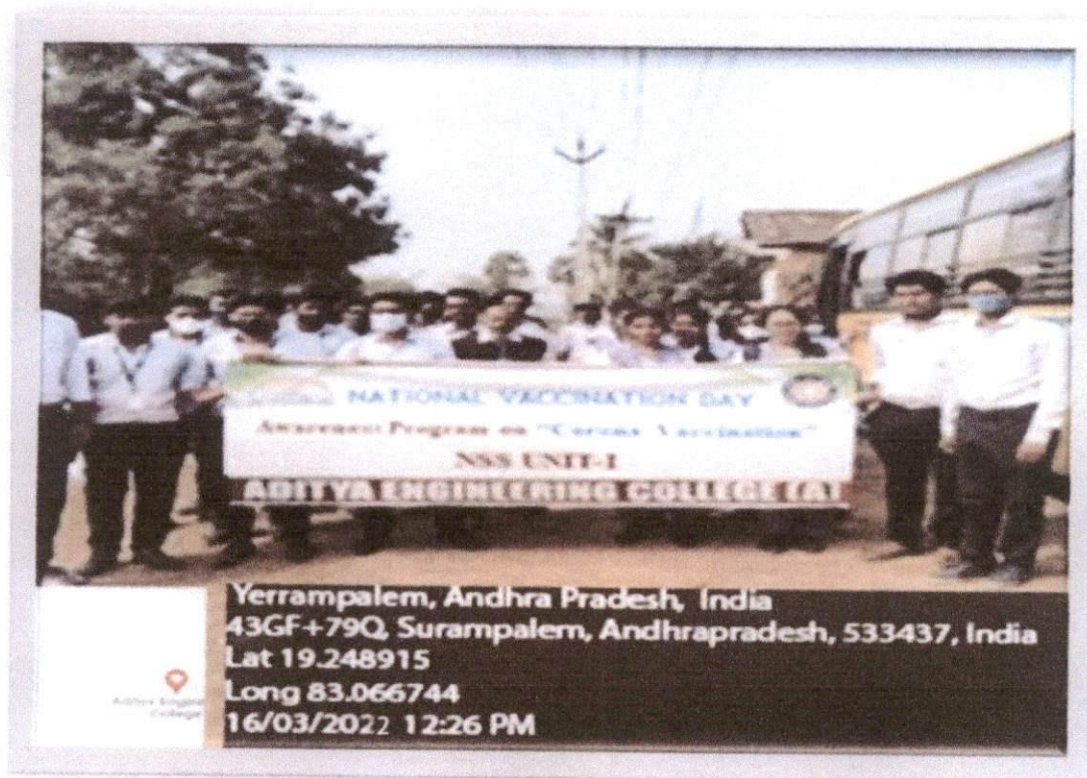

Programme officers: Mr. P. Shiva kumar, Sr. Asst. Prof. Dept. of CE
Mr. J. Raja sekhar, Sr. Asst. Prof., Dept. of ME

About The Activity:

The NSS team of Aditya Engineering College (A), Surampalem conducted the awareness on corona vaccination in the adopted villages on 16/03/2022. In this activity, the NSS volunteers created awareness on corona vaccination and the use of vaccination. Volunteers explained the importance of vaccine that it will boost the immune system to create antibodies when it is exposed to a disease. Volunteers also created the awareness that the vaccination is a simple, safe, and effective way of protecting people against harmful diseases. It uses your body's natural defences to build resistance to specific infections and makes your immune system stronger. However, vaccines contain only killed or weaken forms of germs like viruses or bacteria, they do not cause the disease or put you at risk of its complications. Villagers were happy that they got awareness regarding Covid-19.

Outcomes:

- Students came to know the importance of covid vaccination.
- Students created awareness in the adopted village and their areas.
- In this activity, around 270 villagers were got awareness on prevention of Covid-19.

Aware Consumer Aware Country

(Awareness On Consumer Rights)

Event Date: 15th Mar 2022

Event Location: Cotton Bhavan Seminar Hall, Aditya Engineering college (A),

Event Coordinators: Mr. M. Venkat, President, Aditya Leo Club-316B,

Ms. S. Jahnavi, Secretary, Aditya Leo Club-316B.

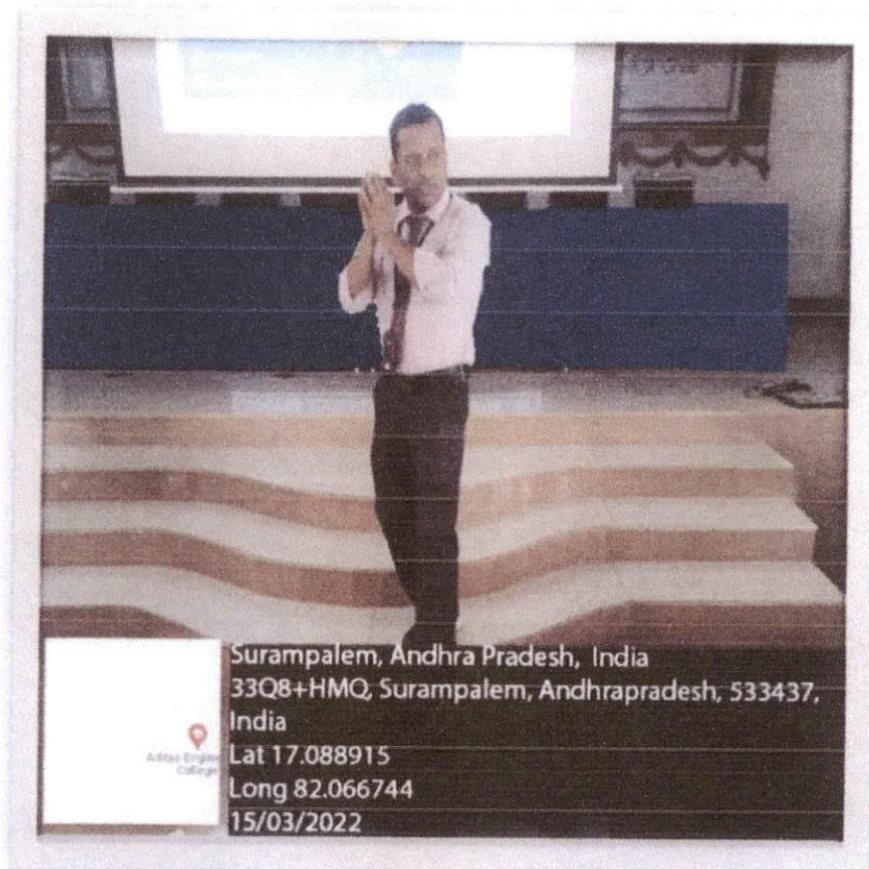

No of Students Participated: 45

About the Activity:

Leo club of Aditya Engineering College (A) conducted an awareness event on consumer rights on 15th March 2022 in Cotton Bhavan Seminar Hall. Sri. P Muthyala Naidu , Member, Consumer rights A.P was invited as a chief guest to this awareness programme. He explained the students about the importance of consumer rights and emphasized how consumer rights will useful in our present-day scenario. He mentioned about consumer laws briefly.

Outcomes:

- Awareness is created for the students on consumer rights.
- Students came to know about the consumer rights.

NATIONAL SERVICE SCHEME

Normalizing Gender Inequalities (Women's Day Celebrations)

Agenda: Celebration of International Women's Day under the theme of "Gender equality today for a sustainable tomorrow"

Date: 08/03/2022

No. of Participants: 147

Chief Guest: D. Sudharani, Sarpanch, Peddapuram

Programme officers: Mr. P. Shiva Kumar, Sr. Asst. Prof. Dept. of CE

Mr. J. Raja Sekhar, Sr. Asst. Prof. Dept. of ME

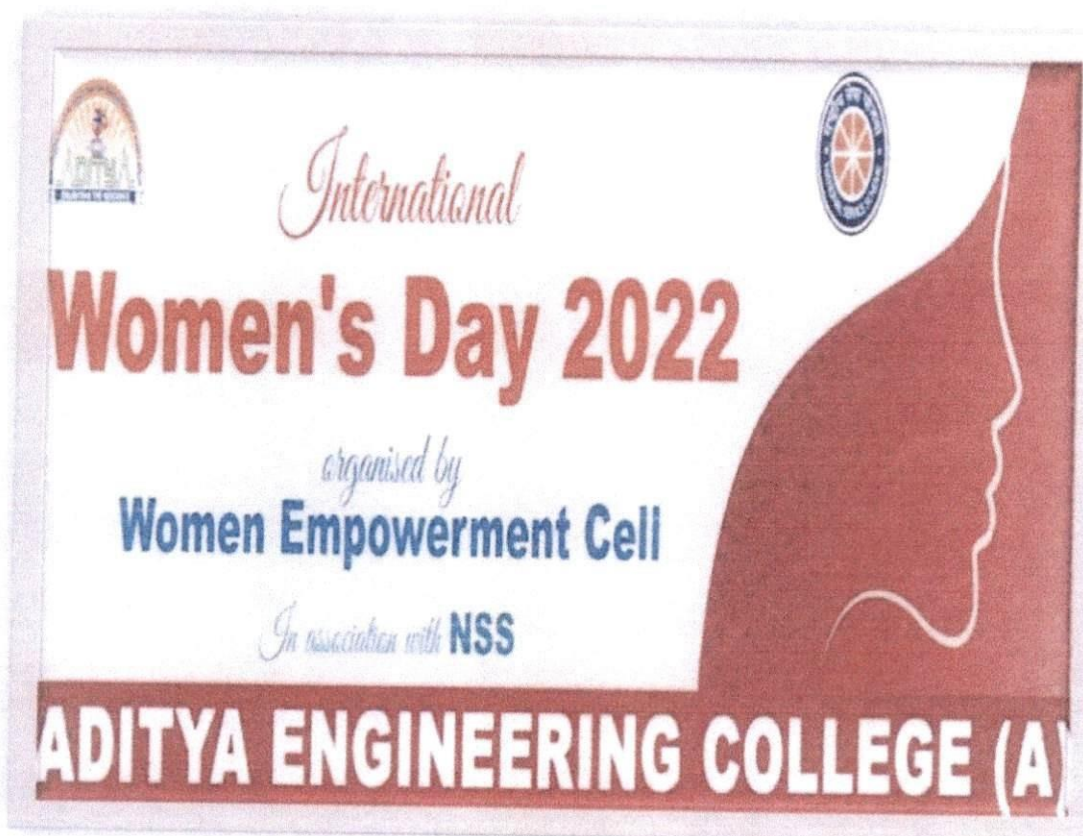

About The Activity:

The NSS Unit of Aditya Engineering College, Surampalem celebrated International Women's Day in the campus on 08/03/2022. In this activity, D. Sudharani, Sarpanch, Peddapuram said International Women's Day is an occasion to celebrate the progress made towards achieving gender equality and women empowerment. It is a day to recognize the extraordinary acts of women and to stand together, as a united force, to advance gender equality around the world" and distributed awards to the winners who performed the best in all activities. Dr. S. Ramasree, Dean (Academics), the teaching staff, students actively participated with Volunteers of NSS Unit and created awareness.

Outcomes:

- All the people came to know about Women Empowerment.
- All the attendees came to know about the sacrifices made by women for her family and the society.

Flora and Fauna (Awareness on Key Species for Ecosystem Restoration)

Agenda: Celebrating World Wildlife Day under the theme "Recovering key species for ecosystem restoration"

Date: 03/03/2022

No. of Participants: 32

Programme officers: Mr. P. Shiva Kumar, Sr. Asst. Prof. Dept. of CE

Mr. J. Raja Sekhar, Sr. Asst. Prof., Dept. of ME

About The Activity:

The NSS unit of Aditya Engineering College (A), Surampalem conducted World Wild life Day on 03/03/2022. In this activity Dr. V. Suryanarayana, Giet Engg College, said that the continue loss of species, habitats and ecosystems also threatens all life on the Earth, including us. People everywhere rely on wildlife and biodiversity-based resources to meet all our needs, from food, to fuel, medicines, housing, and clothing. Millions of people also rely on nature as the source of their livelihoods and economic opportunities and distributed prizes to winners. The teaching staff, students actively participated with volunteers of NSS Unit.

Outcomes:

- Students have known about the stages of endangered and endemic species
- Students gained the knowledge about how to protect the wildlife

Zero Discrimination Day (Awareness on Zero Gender Discrimination)

Event Date: 01-03-2022

Event Coordinator: Mr. S G B Thilak Babu, Program Officer, YRCU

No. Of Students Participated: 122

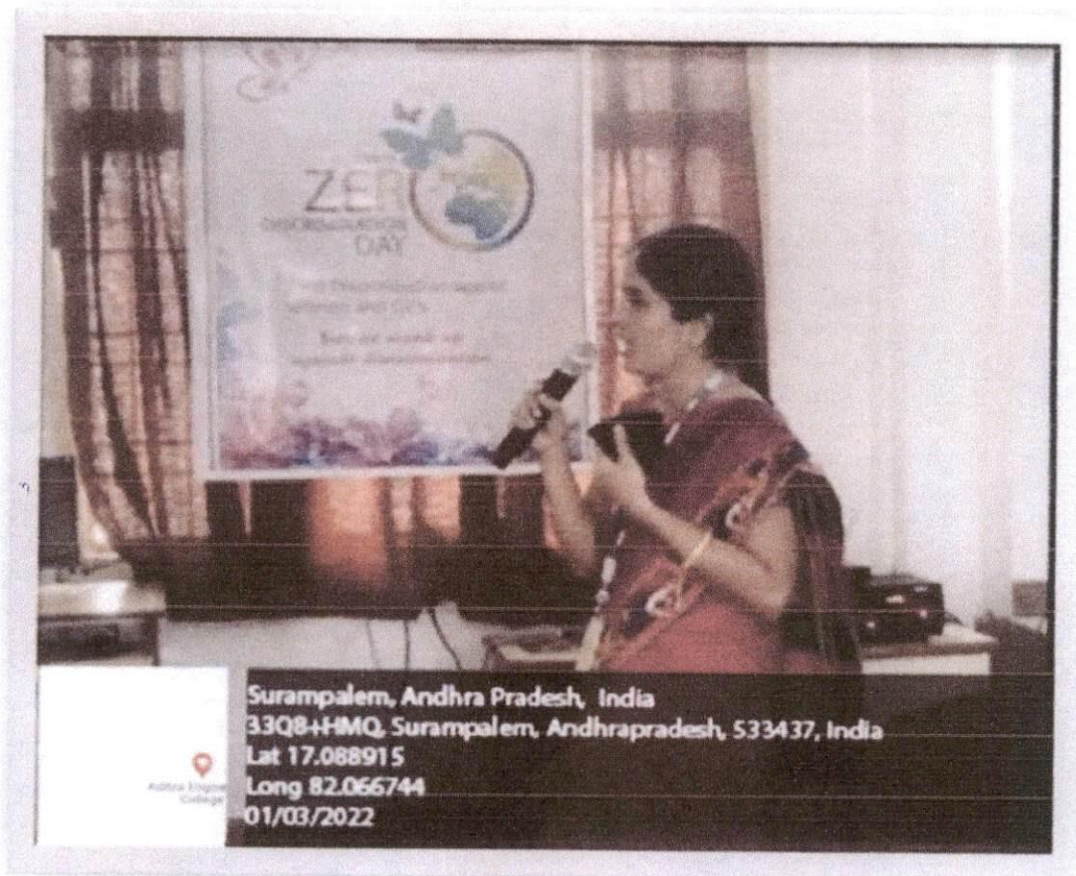

About The Activity:

On the account of "ZERO DISCRIMINATION DAY", an awareness program was organized by the YRCU members on 02-03-2022 to make the students aware of that all the people are equal in the world. At the time of Event all the YRCU members were gathered at the seminar hall (Room no:208), Cotton Bhavan. There after the YRCU president has started the programme with a warm welcome to all the volunteers and respected faculty members and gives brief introduction regarding the programme. Our YRCU president invited Dr U Rajalakshmi, President, Samalkot, as guest speaker, who explained that there is no discrimination among the people based on their caste, religion, gender and creed. She even spoke about gender equality how society changed from generations to generations. Finally, our YRCU faculty Co-Ordinator S B G Tilak Babu concluded the programme by giving valuable some speech regarding "ZERO DISCRIMINATION DAY".

Outcomes:

- Students came to know about the Promotion of gender equality in students.
- Students came to know about the promotion of national and international friendship develop the mental and moral capacities of the youth.

ADITYA LEO CLUB - 316B

Mega Blood Donation Camp

Event Date: 12th Feb 2022.

Event Location: YSRJR Blood Bank, Rajahmundry.

Event Coordinators: Mr. N. Naresh, Faculty Advisor, Aditya Leo Club-316B,

Mr. Ch. Naga Venkata Vara Prasad, Member,

Ms. K. Jaya Laxmi, Secretary.

No. of Students Participated: 96

No. of Donors: 274

Collaborating Blood Bank: YSRJR Blood Bank, Rajahmundry

About the Activity:

The LEO club of Aditya Engineering College conducted a mega blood donation camp on 12/02/2022 in YSRJR Blood Bank, Rajahmundry. Volunteers of LEO explained the importance of blood donation and motivated the public to donate blood for a noble cause. Because we can produce everything except blood. So, everyone should take this as their responsibility to save lives by donating blood. We arranged 24 beds and 2 spare beds for any emergency. We have placed Leo volunteers for blood donation registration. Blood donation started at 9.30 AM in the morning. We checked the weight of each person, to confirm the donors are having proper weight. Blood donation was conducted successfully. Total 274 packets were collected by YSRJR Blood Bank, Rajahmundry.

Outcomes:

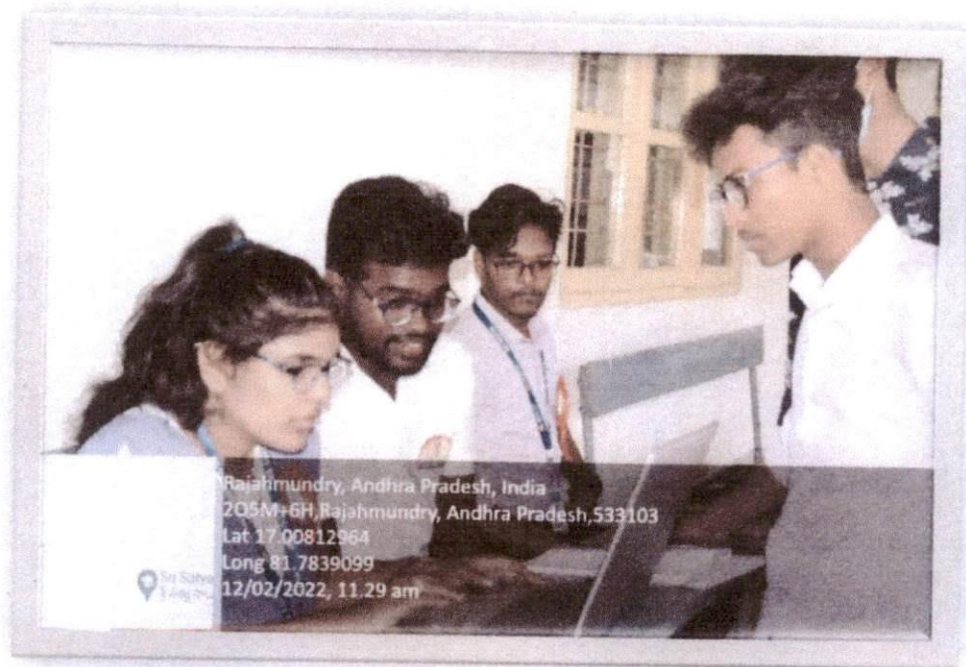

- Students came to know the importance of Blood Donation.
- Students understood about the benefits of donating blood very often.

Event Dates: 05-01-2022 & 06-01-2022

Event Location: Yerrampalem

Event Coordinator: Mr. S G B Thilak Babu, Program Officer, YRCU

No. of Students Participated: 50

About the Activity:

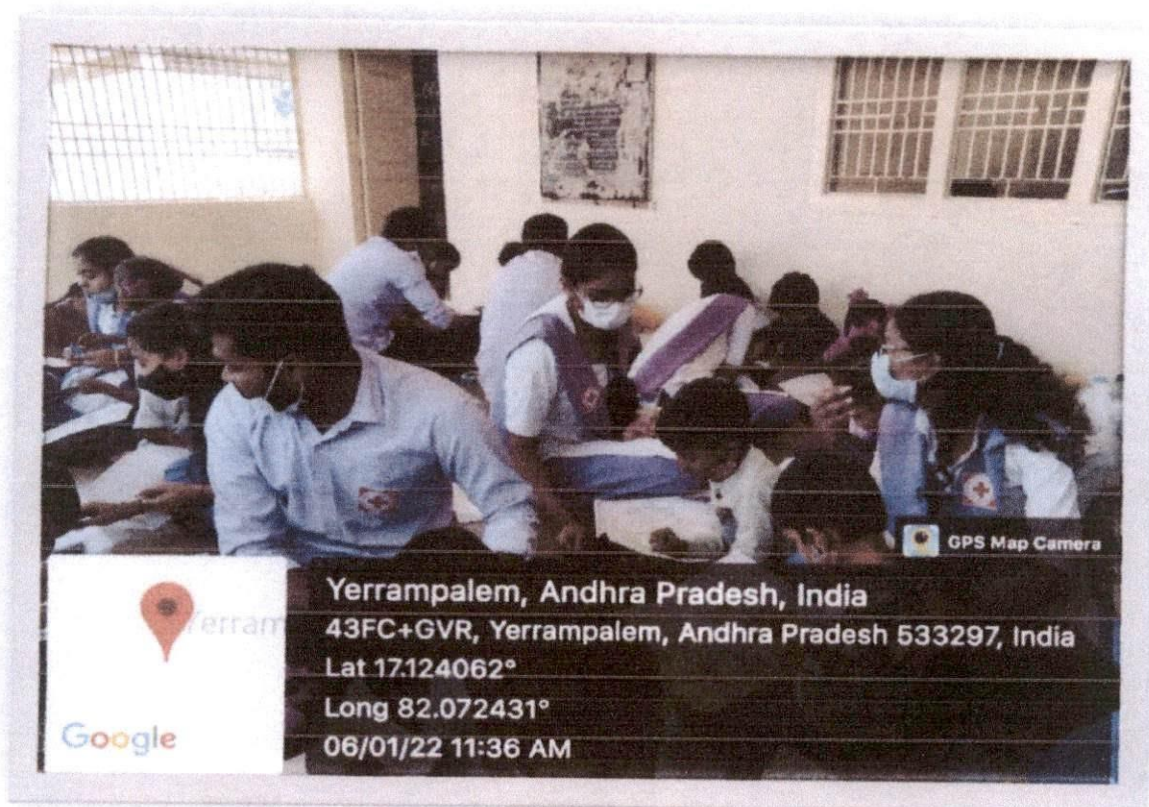

The Students of Aditya Engineering College visited nearby Mandal Praja Parshith Pradhamika Paatasala which is located in Yerrampalem, Andhra Pradesh on 05-01-2022 and 06-01-2022. The students went to the school by our college bus on 05-01-2022 and discussed the school students about their studies. The students of AEC motivated the students for the future steps to be taken for their holistic growth. Some games were conducted to entertain the students. On the second day volunteers conducted some competitions like drawing, chess and kho-kho game. Provided some drawing books to the students. The students of AEC cleaned the school premises to keep the students hygienic. Grama Sarpanch Sri G. Papa Rao and the school Head Master Sri B. Seetha Ramudu participated in the event and praised the YRCU and their efforts to make a change in the society.

Outcomes:

- Students came to know about the importance of education.
- Students came to know that education is not only a fun and frolic.

NSS Special Camp

Date: 21/12/2021 to 24/12/2021 & 06/01/2022 to 07/01/2022(6 Days)

Venue: Yerrapalem village, Gandepalli Mandal, East Godavari Dist.

No. of Participants: 50

Programme officers: Mr. P. Shiva Kumar, Sr.Asst.Prof., Dept.of CE

Mr.J. Raja Sekhar, Sr.Asst.Prof., Dept.of ME

About The Activity:

Day 1:

The NSS Unit of Aditya Engineering College (A), Surampalem, conducted special camp at Yerrapalem village on 21/12/2021. Day-1 started with Inaugural session followed by vaccination survey. All the students collected data from door-to-door campaign and cumulated the data with appropriate results. Most of the people completed 2nd dose of vaccination but those who has 60+ age only taken booster dose. The teaching staff, students actively participated with the volunteers of NSS Unit.

Day 2:

On Day-2, the NSS Unit of Aditya Engineering College (A), Surampalem, visited a nearby school at Yerrapalem and conducted fun games to the school kids and motivated them to choose a path for career and guided them the steps to be taken to reach their goals in life. School students and teachers participated in the programme actively and won prizes. The teaching staff, students actively participated with Volunteers of NSS Unit.

Day 3:

On Day 3, the NSS Unit of Aditya Engineering College (A), Surampalem, conducted a Swachh Bharath and plantation programme at ZPH School, Yerrapalem village on 23/12/2021. The teaching staff, students actively participated in plantation programme and planted trees in the school premises with volunteers of NSS Unit.

Day 4:

On Day 4, NSS Unit of Aditya Engineering College (A), Surampalem, conducted a cleaning programme of streets and bleaching the drainages in the morning session. Students visited the Panchayath bhavan in the afternoon and explored the knowledge about

village Administration. The teaching staff, students actively participated with Volunteers of NSS Unit.

Day 5:

On Day 5, NSS Unit of Aditya Engineering College(A), Surampalem, involved in an awareness programme of Nutrition supply for infancy and conducted a rally on blood and organ donation. Nutrition Expert cleared all the doubts of local people and involved in the activity. The teaching staff, students actively participated with Volunteers of NSS Unit.

Day 6:

The NSS Unit of Aditya Engineering College (A), Surampalem involved in cleaningwells and ponds atYerrapalem village on 07/01/2022. Students actively participated with local villagers and cleaned the premises. In the afternoon session, a rally was conducted on gender equality with school children. NSS unit conducted an Awareness programme on literacy and also organic farming. Village people actively participated in the activity with students. The teaching staff and students actively participated with Volunteers of NSS Unit.

About The Activity:

“Prevention is better than cure; especially when something has no cure”, The NSS Unit of Aditya Engineering College (A), Surampalem conducted a rally and created awareness on HIV/Aids in Yerrapalem, Surampalem villages, Gandepalli mandal on 01/12/2021. In this activity, students and staff spread awareness on HIV that causes AIDS and how it interferes with the body’s ability to fight infection. The teaching staff, students actively participated with Volunteers of NSS Unit and made the programme success.

Outcomes:

- Students know about higher risk of HIV infections
- Village people acquiring knowledge about HIV/AIDS

Social Liabilities of Young Generation

International Leo Day One Week Celebrations

Event Date: 28th Nov -5th Dec 2021

Event Coordinators: Mr. M. Venkat, President, Aditya Leo Club-316B,

Ms. S. Jahnavi, Secretary, Aditya Leo Club-316B.

No. of Students Participated: 278

About the Activity:

As the celebration of International Leo Day, the Leo club members of Aditya Engineering College (A), Surampalem conducted some events for one week. Leo club members conducted a craft making competition on 29th Nov 2021. In this event, students were provided with colour papers, white papers and glue. They were given 30mins of time for doing their craft. 10 members have participated in the event and made it successful.

Building blocks competition was conducted on 1st Dec 2021. 150 members have attended the event. All the participants were provided with paper cups and asked to build towers with them. The competition was held in 3 different rounds. Winners and runners were selected based on their performance.

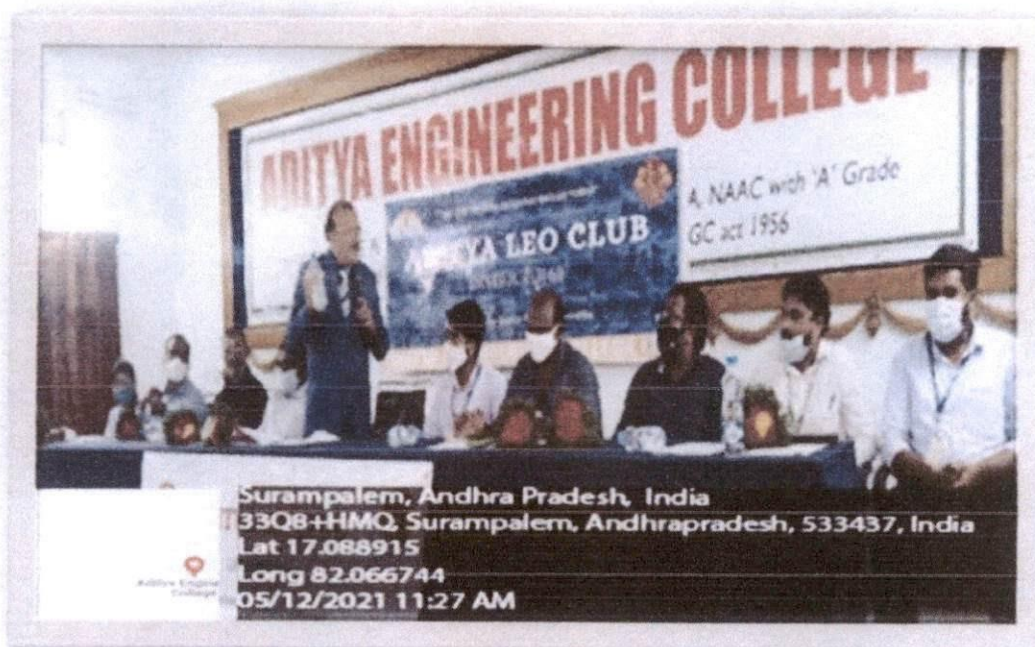

Dance competition was conducted to the students. 20 members got their names registered in the competition and 92 members attended the event. All the students attended in non-uniform and all the participants competed against each other. The best performances were selected as winners.

On account of International Leo week, Leo club has organised an exhibition regarding all the past events and also the current events done for the academic year 2021-2022. The exhibition attracted first year students and we also explained them about Leo and its actions and plans.

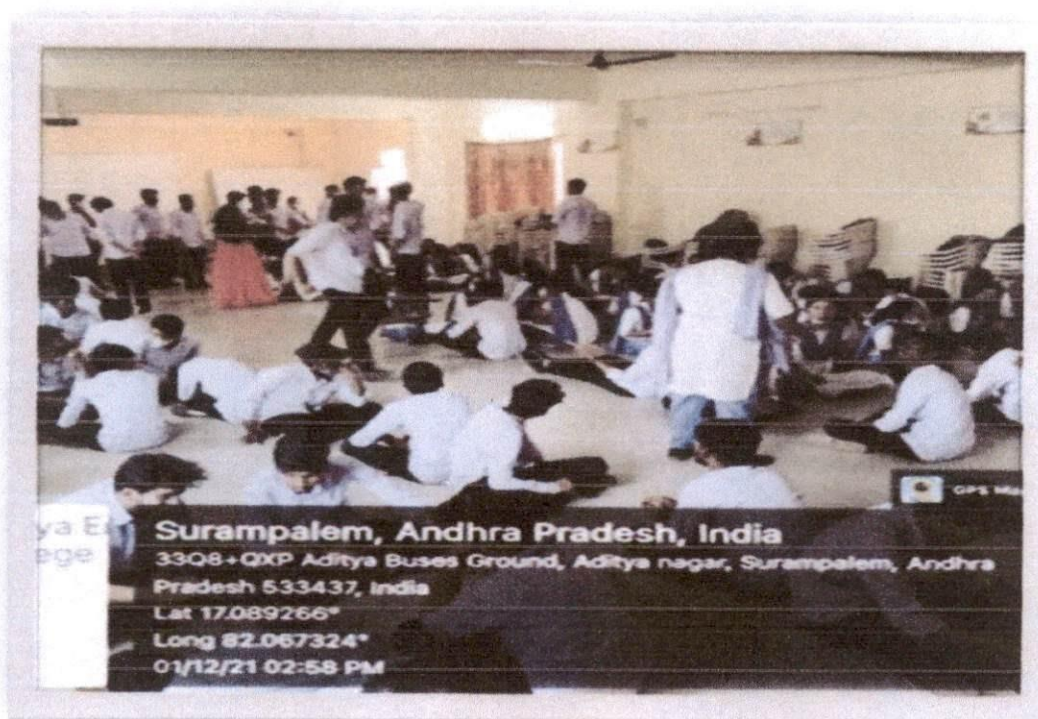

We, the Leo members celebrated the International Leo day on 5th Dec 2021. All the winners and runners of different competitions conducted in regard with International Leo week were given prizes and certificates. Past year Leo members are appreciated with certificates by J D Venkatesh, Dean of student affairs.

Outcomes:

- Students were motivated and towards social service activities.
- Students were given time to think about the world outside the college.
- Students participated in all the activities.

NATIONAL SERVICE SCHEME

Laws for Environment (Awareness on Law and Policy on Environment)

Agenda: Celebration of National Law Day under the theme "Environmental Law and Policy."

Date: 26/11/2021

No. of Participants: 49

Chief Guests: Sri M. Rambabu, Advocate, Peddapuram

Sri S. Duraga Rao, Advocate, Peddapuram

Sri A. Prabhuji, Advocate, Peddapuram

Sri R. Kameswara Rao, Advocate, Peddapuram

Programme officers: Mr. P. Shiva Kumar, Sr. Asst. Prof, Dept. of CE

Mr. J. Raja Sekhar, Sr. Asst. Prof., Dept. of ME

About The Activity:

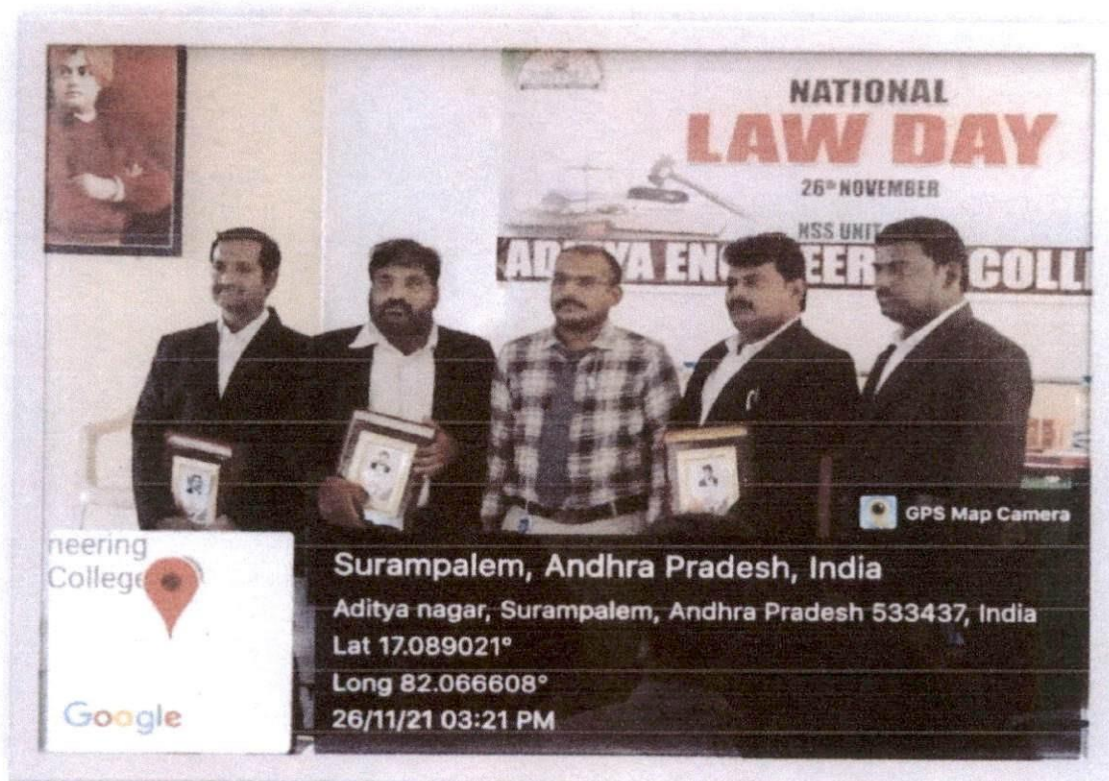

The NSS Unit of Aditya Engineering College (A), Surampalem celebrated the 12th National Law Day on 26/11/2021. In this activity, the NSS team invited lawyers and conducted programme to bring awareness among students about Constitution and the duty of law. Mr. M. Rambabu, Advocate delivered about Constitution as a set of written principles and precedents of the Government of India. He also explained the frames of fundamental political principles, procedures, rights and directive principles etc. He emphasised students to follow the fundamental duties as the citizen of the country. The teaching and non-teaching staff, students along with NSS volunteers participated actively in the event.

Outcomes:

- All the participants aware of the fundamental rights.
- Students understood the prominence of The Constitution of India.

Blanket Drive

Event Date: 19-11-2021.

Event Location: Kakinada.

Event Coordinator: Mr. S G B Thilak Babu, Program Officer, YRCU

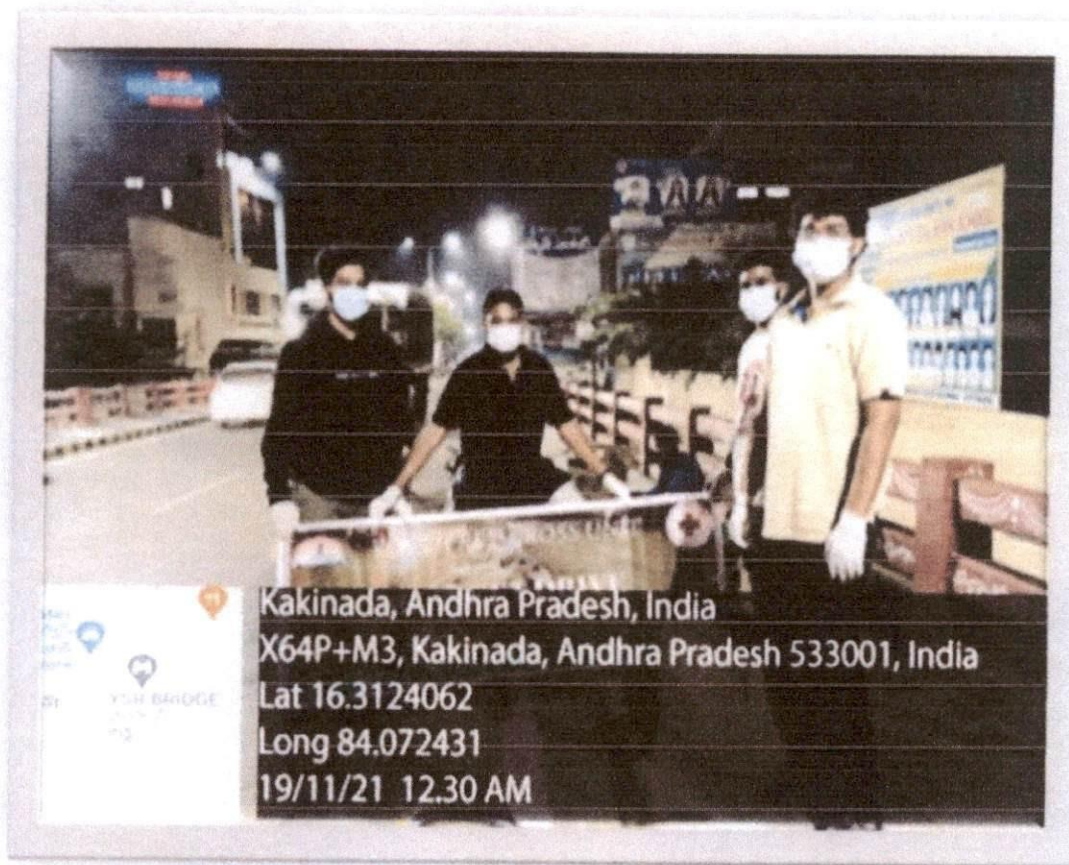

No. Of Students Participated: 49

About the Event:

As the climate during November is so frigid with very low temperatures and fog, it even makes tough for homeless people to live. Observing this, A Blanket Drive camp was organized by Aditya Engineering College (A) under YRCU on 19-11-2021 to help the poor and homeless people. We urged every student to donate their warm clothes, bed sheets and quilts to keep the destitute from dying in the cold. Few students donated used blankets along with them YRCU student volunteers bought 50 blankets. All these blankets are distributed at various places in Rajahmundry and Kakinada.

Outcomes:

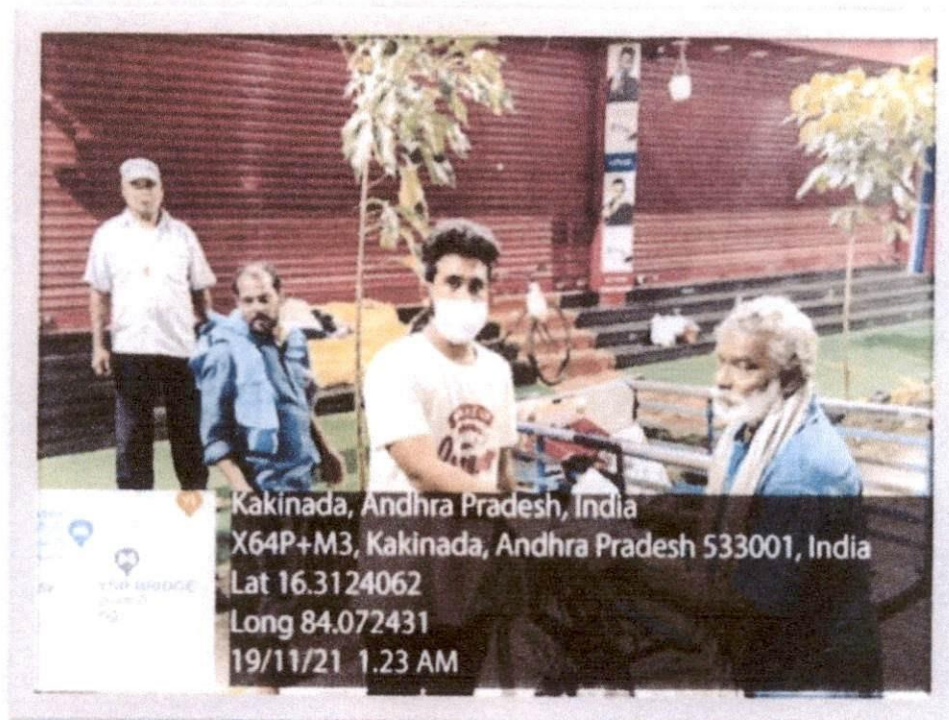

- Distributed blankets to homeless people.
- Students involved in social services and understood the struggles of poor during winter season.
- A total of 50 blankets were distributed among the homeless people under this activity.

Orphanage Visit

Event Date: 02-10-2021

Event Location: Rajahmundry.

Event Coordinator: Mr. S G B Thilak Babu, Program Officer, YRCU

No. Of Students Participated: 35

About the Activity:

An Orphanage visit was organized by Aditya Engineering College (A), Surampalem under YRCU on 02-10-2021 in collaboration with Zion blind school. The primary goal of Youth Red Cross Unit, Faculty and student volunteers is to do ideal public service through helping needy people, manage and resolve various social problems. To fill the joy among orphan children, student volunteers visited Orphanage and distributed Bookshelves, Groceries, Stationeries that are required. This orphanage has around 40 girls aged from 04 year to 15 years. Students Volunteers of Youth Red Cross Unit interacted with everybody. The Volunteers reached the venue at 9:00 AM. The kind of welcome we received from the Children of the Orphanage was very warm and touching. After that student Volunteers engaged the children in various games and fun activities that are planned beforehand. Another group of volunteers gave them tuition lessons. All the children felt excited and joyful. The team has spent about 3 hours with the children. The event ended with a photo session and the team left with heavy hearts.

Outcomes:

- Promoted importance of health and life in children.
- Extended student service to orphanages and old age homes.
- Motivated and spread the happiness among the children of orphanage by the slogan "we are not alone".
- Groceries and stationery goods were distributed to 74 children in this orphanage.

Responsibilities of Youth Awareness on Youth Red Cross Unit

Event Date: 24-06-2021

Event Coordinator: Mr. S G B Thilak Babu, Program Officer, YRCU

No. Of Students Participated: 184

About the Event:

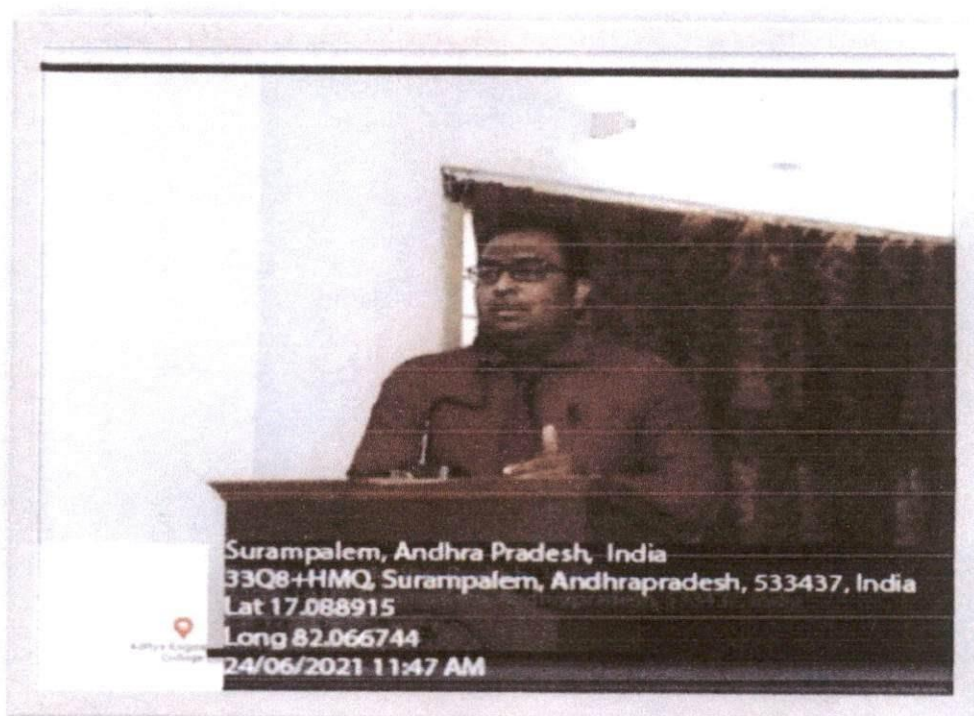

The event YRCU Awareness Programme was organised by Aditya Engineering College (A), Surampalem Youth Red Cross unit on 24-06-2021. The main aim of this event is to impart awareness about Indian Red Cross Society (IRCS) and Youth Red Cross Unit (YRCU). All the members from Red Cross unit along with respective Board of Directors have attended to create awareness to students from all the departments. Shri. P. Ashwin Kumar, President of Youth Red Cross, A.P addressed the event and gave some valuable information about IRCS and YRCU. Y D Rama Rao, chairman of district's Red Cross society attended the programme and shared about Red Cross and responsibilities of youth in the society.

Outcome:

- Educated students about social responsibilities.
- Promotion of national and international friendship to develop the mental and moral capacities of the youth
- Importance of blood donation and how it can save precious life of others.

Save the Earth

Event Date: 05-06-2021

Event Coordinator: Mr. S G B Thilak Babu, Program Officer,

YRCU No. of Students Participated: 43

About the Event:

Tree planting is recognised as one of the most engaging, environment-friendly activities that people can participate to help the planet. Trees provide numerous long-term and short-term benefits. They help to control the eco balance in the atmosphere, improve air quality, and reduce the pollution. The YRCU of Aditya Engineering College (A), Surampalem called the students for planting a tree in their vicinity and post a photo in Instagram of YRCU on World Environment Day. Most of the students shown their interest and posted their photos.

Outcomes:

- Students provided the awareness to the society in terms of ecology and environment so the mother earth can be saved.
- Students were planted 66 samplings in their neighborhood community where 46 families are living.
- Students know their Contribution to the Community Importance of eco balance.

Report on Butter Milk & Masks Distribution to Policemen

Event Date: 26-05- 2021

Event Location: Rajahmundry, Kakinada.

Event Coordinator: Mr. S B G Thilak Babu, programme officer, Youth Red Cross Unit

Mr.D.Surya, student coordinator, Youth Red Cross Unit

No. of Students Participated: 45

About the activity:

The Youth Red Cross Unit of Aditya engineering college (A), Surampalem tried to help the COVID warriors for their service during the pandemic. Volunteer Team has distributed face masks and Buttermilk packets to all police personnel in Kakinada and Rajahmundry divisions. While doing this activity, all the volunteers took safety precautions and maintained social distance. S G B Thilak Babu, the programme officer of Youth Red Cross Unit, appreciated and thanked the Circle Inspector of police and all the police personnel for their hard work and relentless service during covid-19.

Outcomes:

- Created awareness about the service in the students.
- Students got sensitized with the struggle of policemen and realized to be responsible
- Students served buttermilk and masks to 50 policemen in Kakinada and Rajahmundry.

Report on Red Cross Week Celebrations

Event Date: 3-5-2021 to 8-5-2021

Event Location: Online Mode (Microsoft Teams)

Event Coordinator: Mr. S B G Thilak Babu, programme officer, Youth Red Cross Unit

Mr.D.Surya, student coordinator, Youth Red Cross Unit

No. of Students Participated: 258

About the activity:

The Red Cross unit of Aditya engineering college (A), Surampalem conducted 7 Different competitions as a part of Red Cross Day a week prior to 8th May.

- 3rd May – Photography and Drawing Contest

Photography and Drawing are online events where the photographs taken by the participants were posted on our official Red Cross Instagram account and contest was based on the likes that respective photograph gains. All the photographs were made public and accessible to everyone till 5th May. The Best photograph awarded as winner. Drawing competition also conducted through a online meet and all the participants were given a topic and instructed to draw the painting in the given time slot. After the completion, those drawings uploaded in the link. The drawings submitted were forwarded to the faculty coordinator and the best drawing had been awarded as winner.

- 4th May – Online Quiz and Puzzles

Online Quiz is an event conducted virtually through Teams app. Each member is given a separate link with list of questions after they have joined in meet. After giving the instructions to all the participants they were made to attempt the quiz and participant with highest score is awarded as the winner.

- 5th May – Poster Presentation

Poster Presentation is an online event, where we had given a topic to contestants only just before the beginning of the contest. The participants made to prepare a poster a day prior to the day of contest. On the day of contest all the posters that were submitted are forwarded to the faculty coordinator and the poster that meets all the requirements and conditions awarded as winner.

- 6th May – Video Presentation

Video Presentation is an online event, where the topic is given on 3rd May to all the contestants and asked to submit the videos by 5th May. The videos submitted were forwarded to the faculty coordinator and the best video made had been awarded as the winner.

- 7th May – Journal Writing & Best Out of Waste

Journal Writing is an online event, where the topic is given just before the commencement of the contest. Contestants started writing in front of their laptop camera. By the end of time, they have taken a picture of their work and submitted to the respective email provided. Received writings are forwarded to the faculty coordinator and the one which has relevant and meaningful content had been awarded as winner.

Best out of Waste is a live online event, where every contestant had given a chance to speak about their ideas that produces best out of waste. Best idea awarded as winner by the faculty coordinator.

- 8th May – World Red Cross Day

On this day, all the Red Cross week contestants were called for an online meeting. A speech was delivered about the purpose of International and National Red Cross Societies and their achievements. Finally, the winners of the Red Cross week contests are announced and awarded prizes to them.

Prizes given for all the events: 1st prize: Rs.500/-

2nd prize: Amazon Prime Account,

3rd prize: Surprise Gift.

Report on Blood Donation Camp

Event Date: 21-04-2021.

Event Location: Aditya Engineering College (A)

Event Coordinator: Mr. S B G Thilak Babu, programme officer, Youth Red Cross Unit

Mr.D.Surya, student coordinator, Youth Red Cross Unit

No. of Students Participated: 69

No. of donors: 197

Collaborative blood bank: Rotary Blood Bank, kakinada

About the activity:

A Blood Donation camp was organised by Aditya Engineering College (A), Surampalem under Youth Red Cross Unit on 21-04-2021 in collaboration with Rotary Blood Bank. The Youth Red Cross Unit members were formed into teams and fulfilled their responsibilities effectively for the success of such mega event. Few of the donors were initially terrified and hesitated to donate their blood but from the motivation of Youth Red Cross Unit members they came to know the importance of blood donation and volunteered to donate blood. At the end of the event, Programme Officer S B G Tilak Babu, thanked all the doctors and nurses involved in the Blood donation camp for their time and valuable service. He specially thanked the principal of Aditya engineering college (A) for all the support provided for conducting this programme, and he also thanked the management for providing such great support.

Outcomes:

- Students realised the importance of blood donation.
- Students came to know How one drop of blood can save a precious life of others.

Report on Awareness Programme on Covid-19

Event Date: 25-03-2021

Event Location: Rajahmundry, Kakinada.

Event Coordinator: Mr. S B G Thilak Babu, programme officer, Youth Red Cross Unit

Mr.D.Surya, student coordinator, Youth Red Cross Unit

No. of Students Participated: 22

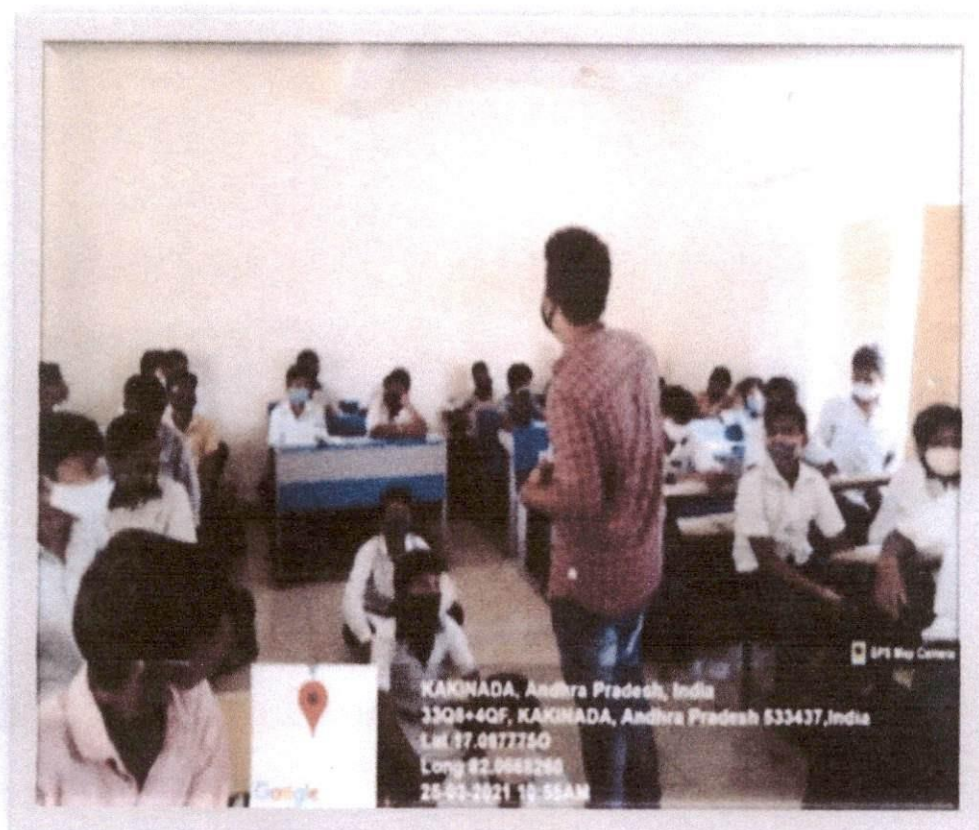

About the activity:

Awareness campaigns were organized and the Red Cross volunteer team explained about the COVID-19 to the school students in an easy and understandable way and requested them to stay at their homes. Volunteers shared all the precautionary methods to the students like wearing masks, using sanitizer, maintaining 6-feet social distance from one another. The entire volunteer team has taken all the precautions during this programme.

Outcomes: -

- Students came to know the importance of wearing mask during covid-19.
- Students learnt about how they can expand the awareness in general population related to COVID-19 and its preventative practices in order to meet its elimination goals.
- Students explained preventive measures of COVID-19 virus to 45 school children.

ADITYA LEO CLUB - 316B

Report on cyber Jagrookta-Awareness program

Event Date: 22-03-2021.

Event Location: Aditya engineering college (A), Surampalem.

Event Coordinators: Ms.K. Jaya Laxmi, Secretary of LEO club

Mr.Ch. Naga Venkata Vara Prasad, Member of LEO club

No. Of Students Participated: 32

Chief guest: K.S.Prabhakar, cyber security.

About the activity:

In this growing digital age, we have become more dependent on the internet for many of our daily activities. Every day, we see new cyber- crimes being reported. It is a proven fact that if we are aware about how various cyber-crimes are committed, then it helps us to protect ourselves and our family from such frauds. Preventing crimes and protecting women and children in cyber space is the objective of this awareness program (cyber jagrookta) at Aditya engineering college (A). speaker describe the levels of cybercrimes with an example and given the scope of field "cyber security" in future. Students are actively interacted with the speaker and get clarification to their doubts.

Outcomes:

- Students got to know about cybercrimes.
- Pros and cons of internet in this digital world.
- Students came to know the levels of cybercrime and how it can be done.

Report on Cycle Rally for Completion of 100 years to

Red Cross

Event Date: 22-3-2021.

Event Location: Aditya Engineering College (A), Surampalem.

Event Coordinators: Mr. S B G Thilak Babu, programme officer, Youth Red Cross Unit

Mr.D.Surya, student coordinator, Youth Red Cross Unit

No. Of Students Participated: 86

Chief guest: Y D Rama Rao, chairman of district's Red Cross society.

About the activity:

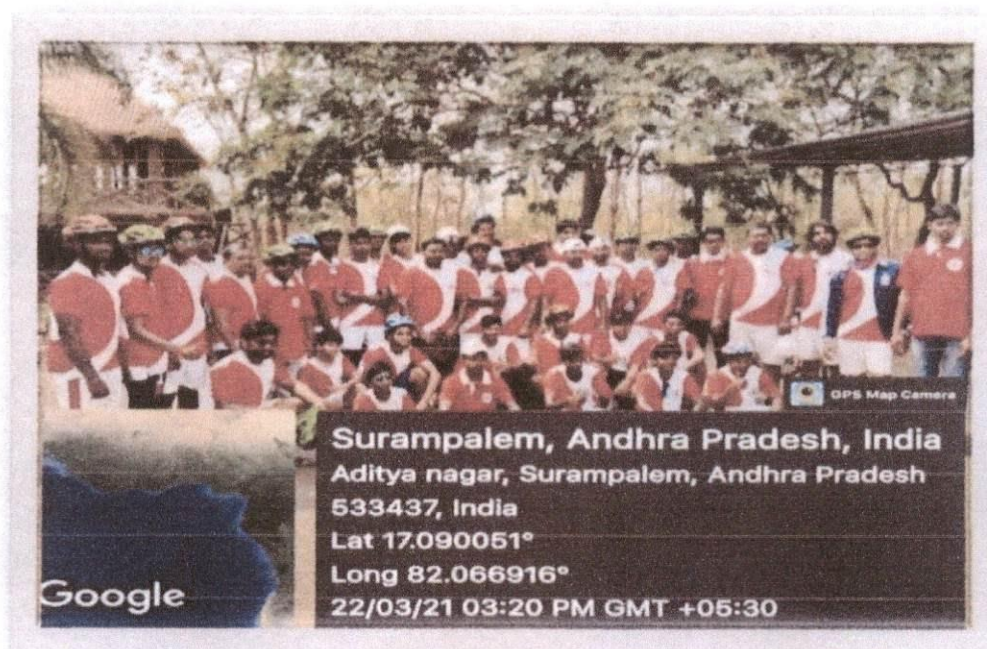

On successfully completion of 100 years of Indian Red cross Society, Dr. A. Sridhar Reddy, Chairman of AP State Branch of Red Cross, submitted a proposal to the Honourable Governor of Andhra Pradesh to conduct Red Cross Centenary cycle rally starting from 'Srikakulam' and 'Chittoor' districts and 'Guntur' as destination, to create awareness about the blood donation and plantation activity.

The cycle rally which was started from Srikakulam district reached East-Godavari District and on 22nd March 2021 reached Aditya engineering college (A), Surampalem and interacted with the college Youth Red Cross Unit members. So, the Youth Red Cross team of Aditya engineering college (A) has provided them cool drinks for refreshment and then plantation programme has been organised in the college premises. Faculty coordinator and Red Cross members have joined for the plantation programme. Later, they started the rally again from the college and the Youth Red Cross team had joined the rally up to 3 kilometres with them.

Outcomes:

- o Promoted Red Cross importance and its services among student community.
- o Promotion of health, life importance, service and blood donation among students.
- o Students reached out to 2 villages during the cycle rally, and it created the awareness to 120 people.

No. Of Students Participated: 48

About the activity:

The Youth Red Cross unit of Aditya engineering college (A), Surampalem organized a visit to Manaspoorthi Orphanage on 03rd January 2021. The primary goal of Youth Red Cross Unit, Faculty and Student Volunteers is to do ideal public service through helping needy people, manage and resolve various social problems. To fill the joy among the orphans, student volunteers distributed Bookshelves, Groceries and Stationery that are required. This orphanage has around 40 girls aged from 04 years to 15 years. Student volunteers of Youth Red Cross unit interacted with everybody.

The Volunteers reached the venue at around 9:00 AM. The kind of welcome we received from the children of orphanage was heart touching. After that student Volunteers engaged the children with various games and fun activities that are planned beforehand. Another group of volunteers gave them tuition lessons. All the children felt happy and excited. The team has spent about 3 hours with the children. The event ended with lots of hugs, goodbyes and a picture of memories. Even though the children had lost their parents, they remain positive as many volunteers showed them with sufficient love and care to make them think that this world is worth living in.

Outcomes:

- Students promoted the importance of health and life to orphanage children.
- Motivated all the children with some motivational stories.
- Students would be able to distribute the groceries to 40 children.

Report on Blood Donation Camp

Event Date: 28-12-2020.

Event Location: K.L. Rao Bhavan, Aditya Engineering College (A), Surampalem.

Event Coordinators: Ms.K. Jaya Laxmi, Secretary of LEO Club

Mr.Ch. Naga Venkata Vara Prasad, Member of LEO Club

No. of Students Participated: 104

No. of donors: 95

Collaborative blood bank: Dhanwanthari blood bank, Rajahmundry

About the activity:

Every year, Leo club students of Aditya Engineering College (A), Surampalem donates blood in hundreds of packets to nearby blood banks. We were given a block where rotary blood bank collected the blood. We check the weight of each person who came for donating the blood, and separated students who have less weight. We have collected the data of the students who came to donate the blood and saved their details, In case of any emergency. Total of 104 students attended and donated blood in this event.

Outcomes:

- Freshers were motivated towards blood donation
- Students Recognized and promoted the values of voluntary unpaid blood donation in enhancing Community.

Report on Youth Red Cross Unit (YRCU) Awareness Meet

Event Date: 24-12-2020.

Event Location: Aditya Engineering College (A)

Event coordinator: Mr. S B G Thilak Babu, programme officer, Youth Red Cross Unit

Mr.D.Surya, student coordinator, Youth Red Cross Unit

No. Of Students Participated: 123

Chief Guest: Y D Rama Rao, chairman of district's Red Cross society.

About the activity:

YRCU Awareness Programme was organised by Aditya engineering college (A), Youth Red Cross Unit on 24-12-2020. The main aim of this event is to impart awareness about Indian Red Cross Society (IRCS) and Youth Red Cross Unit (YRCU). All the members from Red Cross unit along with respective Board of Directors have attended to create awareness among the students from all the departments. Y D Rama Rao, chairman of district's Red Cross society attended the programme and shared some valuable information about Red Cross and responsibilities of youth in the society. At the end of the event, Youth Red Cross Unit Programme Officer S B G Tilak Babu, thanked the management and Dr. M Srinivas Reddy, principal for providing support in conducting awareness programme smoothly and he congratulated all the participants for being actively involved in all the sessions.

Outcomes:

- Students educated about social responsibilities.
- Promotion of National and International friendship to develop the mental and moral capacities among the youth
- Educated the Importance of blood donation and how it can save precious life of others among students.

Report on Donation of Food and Groceries to Children Home

Event Date: 12-09-2020

Event Location: Children Home, Kakinada.

Event Coordinators: Ms.K. Jaya Laxmi, Secretary of LEO Club

Mr.Ch. Naga Venkata Vara Prasad, Member of LEO Club

No. Of Students Participated: 46.

About the activity:

Few people in the society wanted to help the orphanages, children's homes and oldage homes etc. in the pandemic. But they were unable to help the needy. Leo Club observed that the children home at Kacheri Peta, Kakinada is facing challenges even after the effects of Covid-19. Aditya Leo Club distributed food and groceries for 10 days. As the children home has no visitors since long time, we conducted a meeting with the club members and decided to stay in isolation for 4 days before going into the children home and 4 days after visiting as Covid precaution. Students went to the children home and spent some time with them and conducted drawing competition.

Outcomes:

- New Students were encouraged to get involved in social services.
- realized that Service to the people in proper time when needed gives new hope Students in life.
- Students distributed food and groceries to 55 children in the children home.

Report on Distribution of Food and Butter Milk During Lockdown

Event Date: 10-09-2020

Event Location: Kakinada and Rajahmundry.

Event Coordinators: Ms.K. Jaya Laxmi, Secretary of LEO Club

Mr.Ch. Naga Venkata Vara Prasad, Member of LEO Club

No. Of Students Participated: 63

About the activity:

During the pandemic so many daily wagers faced the problem, as there is no work. It is not possible for the people to earn money and eat for the day. As poor people are starving on the streets, LEO Club planned to distribute the food items and buttermilk to the poor and needy. 26 students from Kakinada urban and 37 from Rajahmundry urban regions were shown interest to participate in this event. Students of respective urban areas donated in their area. Initially, coordinators for the specific location have informed to the nearest police station and all the members were strictly instructed to wear mask and carry sanitizer and maintain a distance of at least one meter. Members were also instructed to stay in isolation for three days after completion of the event. Leo members donated the food and buttermilk without any issues and none of the members were affected with Covid-19.

Outcomes:

- New Students were motivated towards social services.
- Service to the suffering and needy was realized by the students.
- Students came to know the struggles of people during pandemic.
- Students distributed food and butter milk to 85 people on the road side of Kakinada and Rajahmundry city.

Report on Donation of Groceries and Vegetables To Paluku Deaf and Dumb School

Event Date: 26-07-2020

Event Location: Paluku Deaf and Dumb School, Rajahmundry

Event Coordinators: Ms.K. Jaya Laxmi, Secretary of LEO Club

Mr.Ch. Naga Venkata Vara Prasad, Member of LEO Club

No. Of Students Participated: 52

About the activity:

Paluku Deaf and Dumb school at Rajahmundry was contacted by Aditya Leo Club-316 B regarding shortage the groceries and food items. We the students of Leo Club took permission from the Principal, HoDs and Hostel warden to conduct the event. We purchased groceries and vegetables for nearly 100 children over a week. We went to school around 10 in the morning with 52 students. We came to know that there is birthday of a student we planned to celebrate the birthday. We bought a cake and celebrated his birthday. After that we have donated the groceries and vegetables. School teachers and students felt so happy.

Outcomes:

- New Students were motivated towards social services.
- Students understood the happiness in donation, and everyone spent some time at school with children.
- Food and groceries were successfully distributed to 110 deaf and dumb school children.

Report on Open Defecation Free Survey

Agenda: Conduct Open Defecation Free survey in villages

Date: 19-12-2019

Venue: Doddigunta village & Singampalli village, East Godavari District.

No.of Participants: 35

Chief Guest: Mr. Kesari Sharma, MGNCRE Officer

Programme officers: Mr.P. Shiva Kumar, Asst. Prof., Dept. of CE,

Mr.R.Gnana Virgin Asst.Prof., Dept. of ECE,

Mr.J.Rajashekar Asst.Prof., Dept. of ME.

About the Activity:

The NSS Unit of Aditya Engineering College (A), Surampalem conducted Open Defecation Free survey in Doddigunta village and Singampally village in East Godavari District. The students created awareness on open defecation and conducted Survey in villages. Open defecation has become a classic example of a negative spillover. This is primarily because children too are exposed to the fecal germs that come from others practicing open defecation. The problem then becomes worse for India due to its high population density. Students explained the problems caused due to open defecation and tried to motivate the villagers to construct toilets.

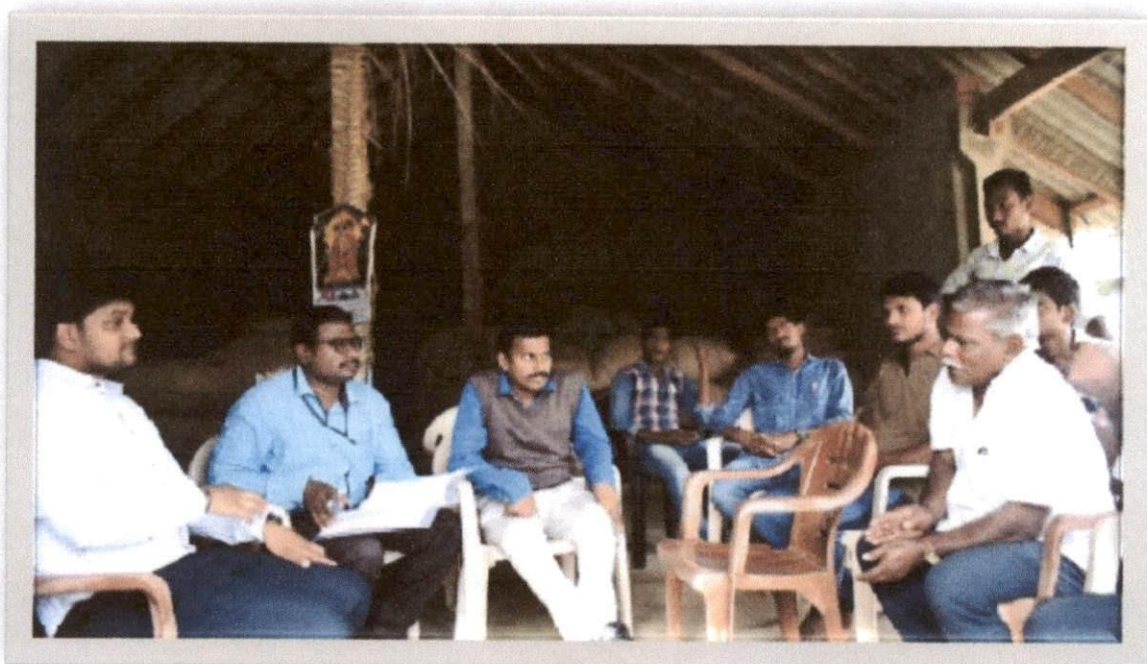

Outcomes:

- Students learn to conduct the Open Defecation Free Survey.
- Village people acquired knowledge about the problems associated with Open Defecation.
- In the village 175 people got awareness about the Open defecation.

Report on Coastal Clean up at Kakinada Beach

Event Date: 03-12-2019

Event Location: N.T.R beach, Kakinada.

Event Coordinator: Mr. N. Naresh, Asst. Prof., Dept of ME,

M.Manitej, Student coordinator, Dept of ECE,

Y. Snigdha, Student coordinator, Dept of CSE.

No. of Students Participated: 144

Report of the Event:

The students of Aditya Leo Club conducted an event to clean the coastal area as much as possible at Kakinada NTR Beach with 144 members. Ocean trash is a serious pollution problem that affects the health of the people, marine wildlife and local economies. This coastal clean-up activity encourages the coastal stewards to get to our beaches and help limit this problem by cleaning up the garbage that has washed up on shore and left by visitors every day. The students were actively participated in the event and cleaned the beach by picking up the plastic waste and created awareness to avoid plastic.

Outcomes:

- Students learnt various coastal clean up techniques.
- The activity was addressed to 125 visitors at the port.

No. of students participated: 54

Report of the Event:

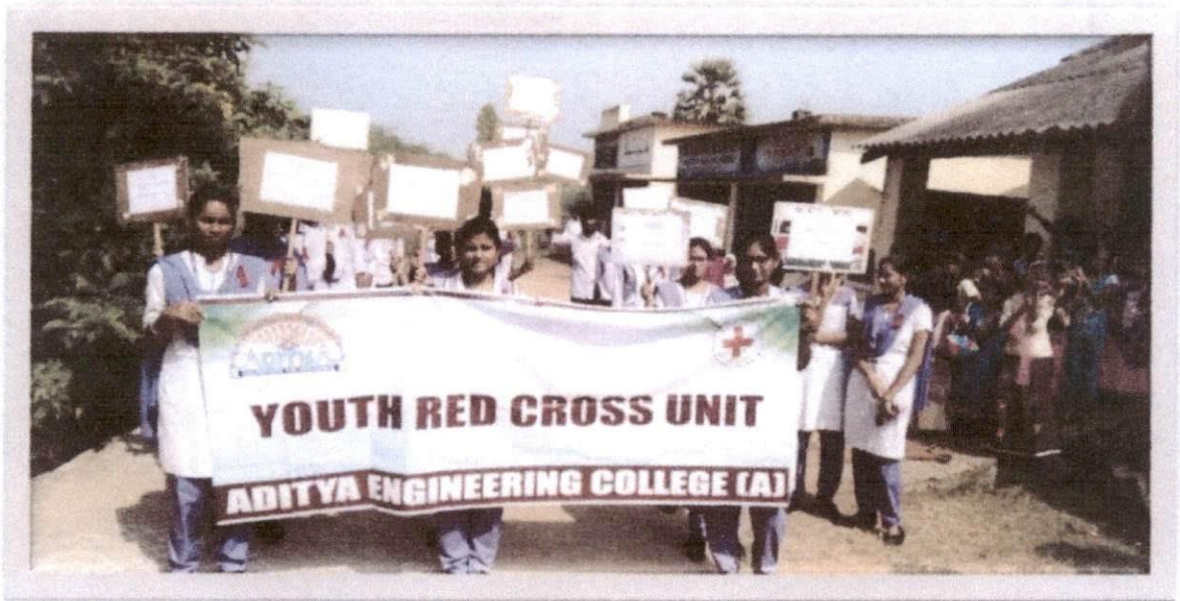

Awareness Rally on HIV/AIDS campaign was organized by Aditya Engineering College (A) under Youth Red Cross Unit (YRCU) on 01-12-2019. The awareness campaign was conducted by the team of YRCU members and the informations regarding HIV/AIDS were spreaded in the local community by keeping the theme “communities make the difference” on the occasion of AIDS day.

On World AIDS Day 2019, World Health Organisation is highlighting the difference these communities are making to end the HIV epidemic while drawing global attention to the need for their broader engagement in strengthening primary health care. At the end of the event, YRCU Program Officer S B G Tilak Babu, thanked president of the village. He specially thanked our Management and Principal of Aditya Engineering College (A) for all the support provided for conducting this programme.

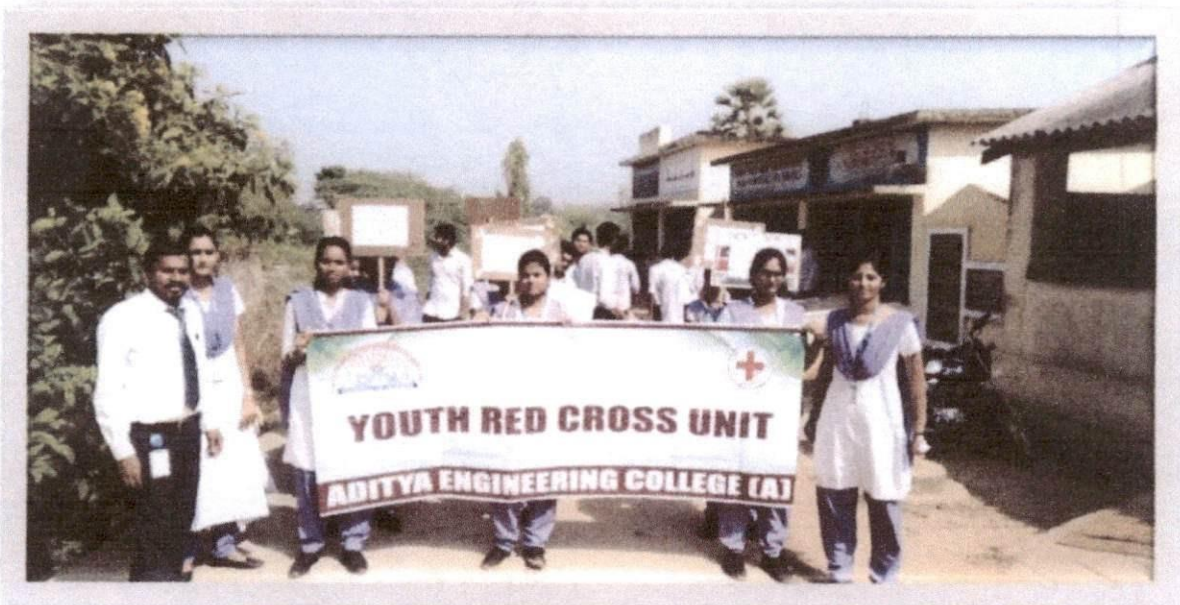

Outcomes:

- Students able to know how to promote the importance of health to the villagers.
- Awareness was created by students among the villages regarding HIV/AIDS and its precautionary measures.
- In this awareness programme 77 people of yerrampalem village got benefitted.

Maharshi Childrens Orphanage

Event Date: 27-10-2019.

Event Location: Maharshi children orphanage, Kakinada.

Event Coordinators: Mr. N. Naresh, Asst. Prof, Dept of ME,

M.Manitej, Student coordinator, Dept of ECE,

Y.Snigdha, Student coordinator, Dept of CSE.

No. of Students Participated: 45

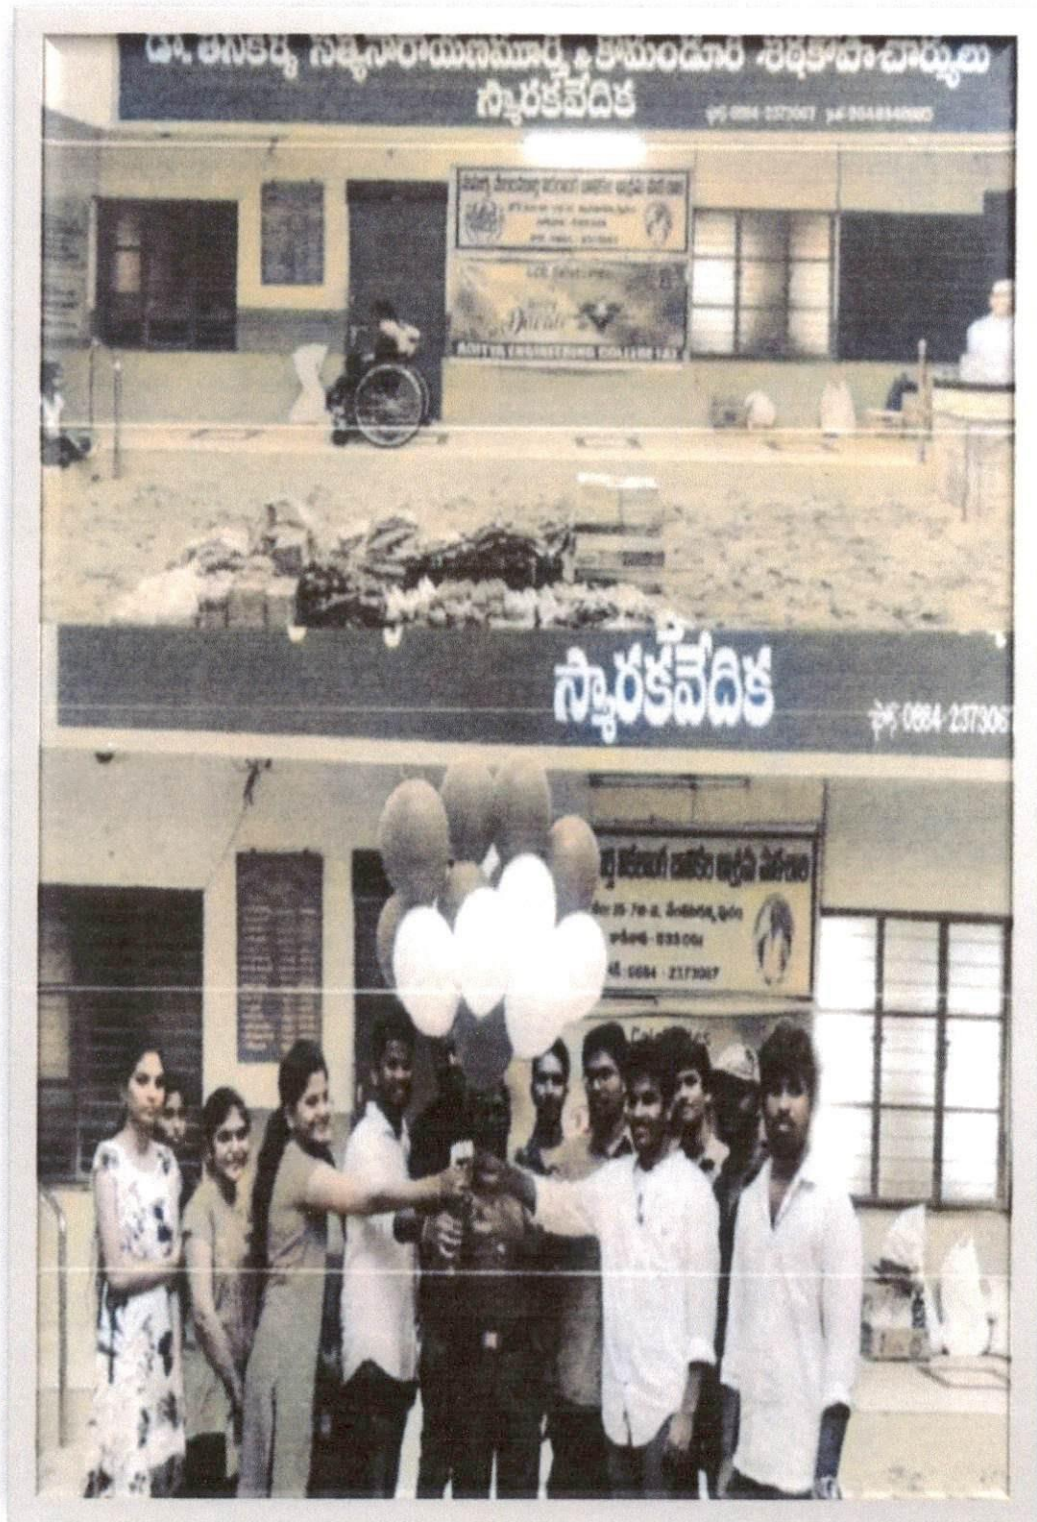

Report of the Event:

Aditya Leo Club Students visited "Maharshi Children Orphanage-Kakinada" in the Afternoon on 27-10-2019. There we interacted with around 82 children and then we started knowing about their skills like dancing and singing etc. We distributed snacks and spent some time with them. Students felt fortunate to visit the Orphanage.

Outcomes:

- Students came to know how to encourage children to showcase their hidden talents.
- Students donated the groceries and stationary goods to 82 children in the orphanage .

Report on Blood Donation

Event Date: 26-10-2019

Event Coordinator: Mr.S G B ThilakBabu, Asst. Prof., Dept of ECE,

Mr.D.Venkatesh, Student of Dept.of ME.

No. of students participated: 159

No. of Donors: 130

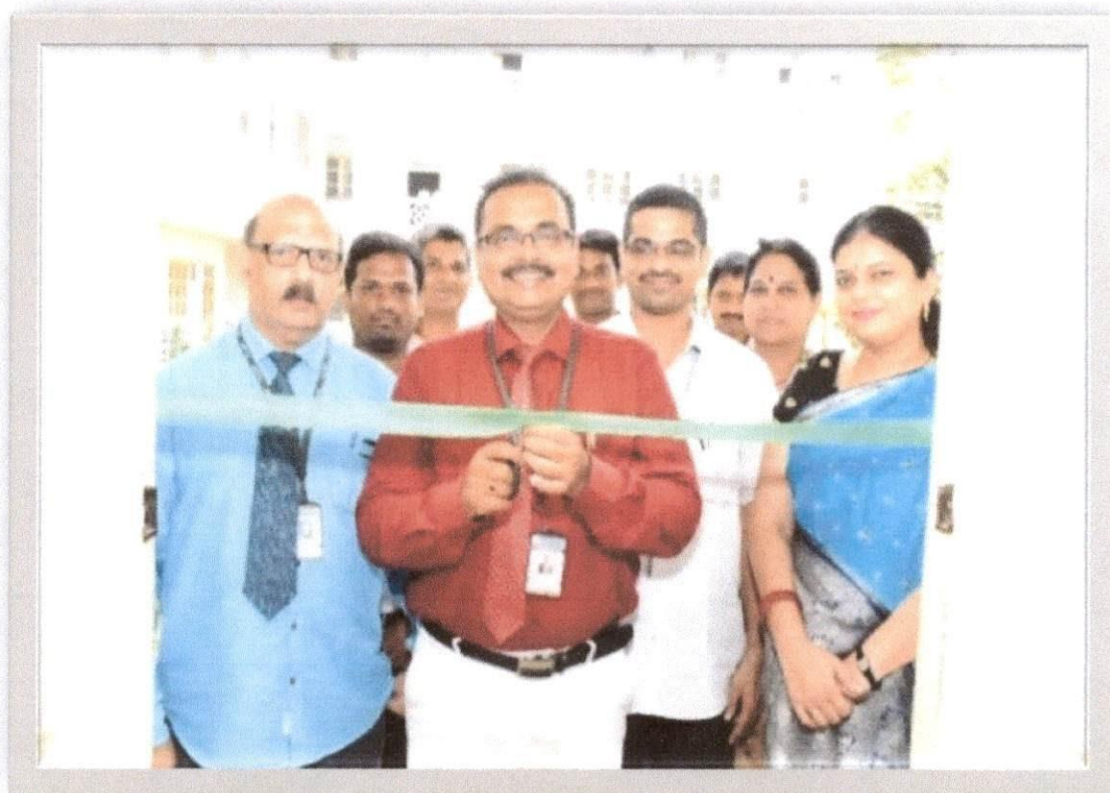

Report of the Event:

A Mega Blood Donation camp was organized by Aditya Engineering College (A) under Youth Red Cross Unit (YRCU) on 26-10-2019 in collaboration with Rotary Blood Bank. The YRCU members were formed into teams and done their responsibilities effectively for the success of such a mega event. Few of donors initially terrified and hesitant to donate their blood but from the motivation of YRCU members they came to know the importance of blood donation and they have donated blood later. Total of 130 blood packets were collected in the event. At the end, Mr.S B G TilakBabu, YRCU Program Officer thanked all the doctors and nurses involved in the Blood donation camp for their time and valuable service. He specially thanked the Principal of Aditya Engineering College for all the support provided for conducting this programme, and he also thanked the Management for providing great support.

Outcomes:

- Promotion of health, life importance and blood donation among students.
- Students came to know the importance of donating blood.

Report on Tree Plantation in JNTUK, Kakinada

Agenda: Celebrating Tree Plantation in JNTUK, Kakinada.

Date: 17-09-2019

Venue: JNTUK, Kakinada

No.of Participants: 32

Chief Guest: Prof.K. Venkata Reddy, Dept. of EEE, JNTUK Kakinada.

Programme officers: Mr.P.Shiva Kumar, Asst.Prof., Dept. of CE,

Mr.R.GnanaVirgin, Asst.Prof., Dept. of ECE,

Mr.J.Rajashekar, Asst.Prof., Dept. of ME.

About the Activity:

The NSS Unit of Aditya Engineering College (A), Surampalem celebrated Tree plantation in JNTUK Kakinada. The students actively participated in the event and palnted 50 saplings in the allotted place in JNTUK Kakinada. Prof.K.Venkata Reddy addressed the students about the theme behind allocating place in the University for Plantation. The students got the appreciation from all for their efforts towards Green Environment.

Outcomes:

- Students got motivated towards Green Environment.
- Students planted 50 young tree in JNTUK premises .

Report on Ganesh Chaturthi

Agenda: Celebrating Ganesh Chaturthi in the campus

Date: 02-09-2019.

Venue: Aditya Engineering College (A).

No.of Participants: 25

Chief Guest: Mr. Datta Prasad, Social Activist, Yanam.

Programme officers: Mr.P.Shiva Kumar, Asst.Prof. Dept. of CE ,

Mr.R.Gnana Virgin, Asst.Prof., Dept. of ECE,

Mr.J.Rajashekar, Asst.Prof., Dept. of ME.

About the Activity:

The NSS Unit of Aditya Engineering College (A) Surampalem distributed Clay Ganesh idols to celebrate pooja and explained about the water pollution caused by using colour idols on account of Ganesh Chaturthi. Ganesh idols are often decorated with toxic paints which contains heavy metals such as lead and mercury which seeps into the water after the idol immersion, and adds to the acidic level of water which is not good for the environment and marine life. These points are explained to every student in the campus and motivated them to use clay idols. The Staff and students actively participated in the Event.

Outcomes:

- Students came to know about Indian culture and traditions.
- Students gain the knowledge about Environmental pollution caused by Color idols.
- Students got awareness regarding the benefits of using clay idols.

Report on Mega Blood Donation Camp

Agenda: Creating awareness on Blood donation and active participation

Date: 20-08-2019

Venue: Aditya Engineering College (A), Surampalem

No.of Participants: 101

No. of Donors: 90

Programme officers: Mr.P.Shiva Kumar, Asst.Prof., Dept. of CE ,

Mr.R.GnanaVirgin, Asst.Prof., Dept. of ECE,

Mr.J.Rajashekar, Asst.Prof., Dept. of ME.

About the Activity:

The NSS Unit of Aditya Engineering College (A), Surampalem in association with Vijayasri Blood bank conducted a mega blood donation camp on 20-08-2019. In this activity Dr. M.Sreenivas Reddy, Principal addressed the gathering by saying that it is our responsibility to donate blood and save the lives of the people in need. Unfortunately, so many people are dead due to lack of blood on time. He appreciated all the volunteers and blood donors who involved actively in Blood donation camp.

Dr. Kandlavalli Prasad from Vijayasri blood bank thanked all the volunteers and donors who came forward to donate blood. He specially thanked the management of Aditya Engineering College (A) for their continuous support and efforts towards the conduction of these events. Total of 90 blood packets were collected and handed over to the blood bank.

Outcomes:

- Students committed towards year-round blood donation
- Students are able to recognize and promote the values of voluntary unpaid blood donation.

Report on Jal Shakti Abhiyan

Agenda: Celebrating Jal Shakti Abhiyan awareness about Water

Date: 22-07-2019

Venue: Kondapally Village and Nayakam Pally village, East Godavari District

No.of Participants: 47

Programme officers: Mr.P.Shiva Kumar, Asst. Prof., Dept. of CE,
Mr.R.GnanaVirgin, Asst.Prof., Dept. of ECE,
Mr.J.Rajashekar, Asst.Prof., Dept. of ME

About the Activity:

The NSS Unit of Aditya Engineering College (A), Surampalem celebrated Jal Shakti Abhiyan on 22-07-2019. The Jal Shakti Abhiyan mainly focuses upon the conservation of water in 1592 water-stressed blocks in 256 districts. It also ensures five important water conservation interventions: Rainwater harvesting, Renovation of traditional and other water bodies/tanks, Re-use bore well recharge structures, Watershed development, and Intensive afforestation. The volunteers went to nearby villages and spread the awareness about the water scarcity and the ways to collect and store rainwater at optimum level and Sources available to collect the rainwater.

Outcomes:

- Volunteers came to know the Importance of water conservation.
- Volunteers able to gain the knowledge about collecting and storage of rainwater.
- The awareness programme has been reached out to 224 people of the two villages.

Report on YRCU Awareness Programme

Event Date: 17-06-2019

Event Coordinator: S G B ThilakBabu, Asst. Prof., Dept. of ECE,

D.Venkatesh, Student coordinator, Dept. of ME.

Chief Guest: Mr. P.Ramakrishna, Youth Red Cross Society, Kakinada.

No. of students participated: 204

Report of the Event:

The "Youth Red Cross Unit (YRCU) Awareness Programme" was organized by Youth Red Cross Unit of Aditya Engineering College (A) on 17-06-2019. The main aim of this event is to impart awareness about Indian Red Cross Society (IRCS) and Youth Red Cross Unit (YRCU). All the members from Red Cross unit along with respective Board of Directors have attended to create awareness to students from all the departments. Prof.S.Ramasree, vice principal addressed the event and gave some valuable information about IRCS and YRCU.

At the end of the event, YRCU Programme Officer S B G TilakBabu, thanked the management and Dr. M Srinivas Reddy,principal for providing support in conducting awareness programme smoothly and he congratulated all the participants for being actively involved in all the sessions. He thanked the speaker prof. V Srinivasa Rao for sharing his valuable thoughts with all the participants. Finally, he thanked everybody for making this event a grand success.

Outcomes: -

- Students came to know their social responsibilities.
- Students found the new path to serve the society.

Agenda: Creating awareness on HIV/AIDS under the theme “Know the status”

Date: 01/12/2018

Venue: Kondapalli village, peddapuram mandal

No.of Participants: 42

Chief Guest: Dr.P R S G Varma, Medical Superintendent, Peddapuram
K Raja, Sarpanch, Kondapalli village

Programme officers: Mr. P. Shivakumar, Asst.Prof., Dept. of CE
Mr.R.GnanaVirgin, Asst.Prof., Dept. of ECE

About The Activity:

The NSS unit of Aditya Engineering College (A), Surampalem conducted a rally and created awareness on HIV/Aids in kondapalli village, pedaapuram mandal on 01/12/2018. In this activity, medical Superintendent Dr.P R S G Varma, while addressing to the audience, said that HIV caused AIDS and interfered with the body's ability to fight infection. If detected early, a regular consultation and proper treatment help in fighting infection and allows a patient to live long. Village sarpanch Sri K.Raja, the teaching staff, students actively participated with Volunteers of NSS Unit and created awareness on this topic.

Activity outcomes:

- Students came to know about higher risk of HIV infections
- Village people acquired the knowledge about HIV/AIDS
- More than 100 villagers acquired knowledge on prevention of HIV/AIDS

‘ఆదిత్య’ ఎన్ఎస్ఎస్ అధ్యక్షులలో ర్యాలీ
