Mega Vaccination Drive

Event Date: 27-09-2021

Event Location: Aditya Engineering College (A)

Event Coordinator: Mr. S G B Thilak Babu, Program Officer, YRCU

No. of Students Participated: 48

No. of Staff, Students and Outsiders Vaccinated: 297

About the Activity:

A Mega Vaccination Drive was organised by Aditya Engineering College (A) under YRCU on 27-09-2021 at Seminar Hall (Room No. 208), Cotton Bhavan. The YRCU coordinators were formed into teams and engaged in respective duties throughout the drive. Students aged 18+ and faculty were provided with vaccination. At the end of the event, YRCU Programme Officer, S B G Tilak Babu, thanked all doctors and nurses those who involved in the vaccination drive for their time and valuable service. He rendered his special thanks to the principal of Aditya Engineering College (A) for all the support provided for conducting this programme, and extended his gratitude to the Management for providing great support.

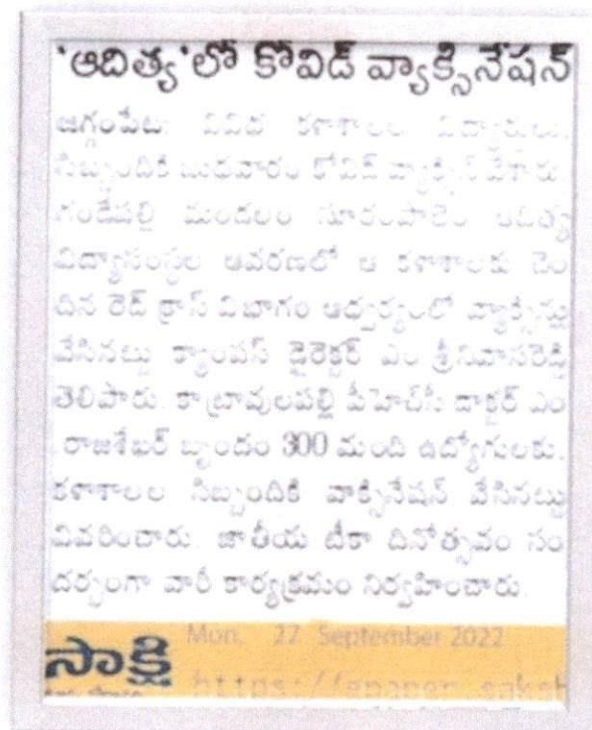

Outcomes: -

- Promotion of health and life
- Most of the faculty and students get vaccinated.
