

ADITYA ENGINEERING COLLEGE

An Autonomous Institution

Approved by AICTE • Permanently Affiliated to JNTUK • Accredited by NAAC with 'A' Grade

Recognised by UGC under sections 2(f) and 12(B) of UGC Act, 1956

Aditya Nagar, ADB Road, Surampalem - 533437, Near Kakinada, E.G.Dt., Ph:99498 76662

Department of Information Technology

One day workshop on "Research Methodology for Engineering Disciplines"

Report

- Venue** : Room no:123,Computer lab 3,Bill Gates Bhavan
- Date** : 11-02-2019
- Resource person** : Dr. M. Kandan, Associate Professor, Sasi Institute of Technology, Tadepalligudem, Andhra Pradesh.
- Number of participants** : 55
- Objective** : The objective of the workshop is to enable the participants to understand report and research proposals writing.
- About the workshop** : The workshop has equipped the students with set of skills and potentiality to undertake the research very effectively in the disciplines of Engineering and helps to turn complete research into high quality publishable material in the form of articles, journals and books. Speaker offered the participants with hands on approach to conduct research.
- Outcome** : After completion of the workshop, participants are likely to have developed the skills to review the literature, develop hypothesis, frame research design, identify sampling techniques and comprehend the role and relevance of the tools for data collection and analysis.
- Closing Remarks** : At the end of the workshop convenor has given closing remark. The convenor felicitated the speaker with a memento for his valuable thought provoking speech about Research Methodology in the engineering discipline. At the end the convenor of the program handed over Rs.10,000/- to the speaker as a token of gratitude.

Speaker delivering lecture to the students

<p>ABOUT THE WORKSHOP</p> <p>The workshop on "Research Methodology for Engineering Disciplines" has equipped the students with set of skills and potentiality to undertake the research very effectively in the disciplines of Engineering and helps to turn completed research into publishable material of high quality in the form of articles, journals and books. The workshop provides the participants with hands-on approach to conduct research</p> <p>OUTCOMES</p> <p>The participants of the workshop will be able to understand the procedures to defining the research problem and developing a well-defined methodological framework for their research interest</p> <p>RESOURCE PERSON Dr. M. Kandan, Associate Professor, Sasi Institute of Technology and Engineering (Autonomous) Tadepalligudem, Andhra Pradesh.</p> <p>COORDINATOR Mr. S.V.V.D. Jagadeesh, Assistant Professor, Department of Information Technology</p> <p>CONVENOR Mr. M. Raja Babu HOD & Associate Professor, Department of Information Technology</p>	<p>One Day Workshop on "Research Methodology for Engineering Disciplines" 11-02-2019</p> <p>Research Methodology </p> <p>Organized by Department of Information Technology</p> <p></p> <p>ADITYA ENGINEERING COLLEGE (A) Aditya Nagar, ADB Road, Surampalem-Pin: 533417, East Godavari District, Andhra Pradesh, India</p>
