

# ADITYA ENGINEERING COLLEGE

An Autonomous Institution

Approved by AICTE • Permanently Affiliated to JNTUK • Accredited by NAAC with 'A' Grade

Recognised by UGC under sections 2(f) and 12(B) of UGC Act, 1956

Aditya Nagar, ADB Road, Surampalem - 533437, Near Kakinada, E.G.Dt., Ph:99498 76662

## Department of Electronics and Communication Engineering

### One Day Workshop on “IPR: Patent Drafting”

#### Report

- Venue** : Room No.: 208, Seminar Hall, Cotton Bhavan.
- Date** : 21<sup>st</sup> May 2018
- Resource person** : **Mr. Maniratnam Stephens**  
Patent Analyst, Novel Patent Services Private Limited  
Visakhapatnam, Andhra Pradesh, India
- Number of participants** : 43
- Objective** : The main objective of this workshop is to provide insight into the art of drafting a patent application and to create awareness of patent filing procedure.
- About the workshop** : The department of Electronics and Communication Engineering, Aditya Engineering College, Surampalem and Novel Patent Services Private Limited, Visakhapatnam jointly organized a one day workshop on “IPR: Patent Drafting” on 21<sup>st</sup> May 2018. In this workshop during the first session, **Mr. Maniratnam Stephens** enlightened the fundamentals of patent specification & patent filing process. In the second session, awareness of IPR and its domains has been discussed. In the third session, the speaker highlighted and discussed the art of drafting patents. In the fourth session, Mr. Maniratnam Stephens was given insights about the forms, fees, and filing procedures for the Indian Patent application.
- Outcome** : Students were able to
- Understand the fundamentals of patent filing in India.
  - Identify domains on IPR.
  - Draft patent application and got awareness regarding the different forms and fees in patent filing procedure.
- Closing remarks** : Mrs. G. Sridevi, HOD, ECE, and convenor of the workshop has given a vote of thanks to the resource person, participants, and management of Aditya Engineering College, for their support and cooperation. In the end, the convenor of the program handed over Rs.11,160/- to the speaker as a token of gratitude.

**Presentation by Mr. Maniratnam Stephens**

#### **ABOUT THE WORKSHOP**

The workshop on "IPR: Patent Drafting" is well structured and covers various aspects of drafting an IPR application. This workshop will give students a view of the patent filing procedure in India and also give them hands-on experience in drafting a patent. The aim of this workshop is to enthuse students towards filing patents on their projects and future start-ups. The workshop creates awareness to Intellectual Property Right (IPR) among participants with special reference to patenting. Participants will be given knowledge of patent related terminologies. Participants will learn from scratch about patent drafting, formulation of claims, and filing.

#### **OUTCOMES**

After completion of the programme, students will be able to

- Understand the fundamentals of patent specification patent filing in India
- Identify domains on IPR.
- Draft patent application using LaTeX.
- Know about the forms, fees, and filing procedures for the Indian Patent application.
