

Report on Awareness Programme on Covid-19

Event Date: 25-03-2021

Event Location: Rajahmundry, Kakinada.

Event Coordinator: Mr. S B G Thilak Babu, programme officer, Youth Red Cross Unit

Mr.D.Surya, student coordinator, Youth Red Cross Unit

No. of Students Participated: 22

About the activity:

Awareness campaigns were organized and the Red Cross volunteer team explained about the COVID-19 to the school students in an easy and understandable way and requested them to stay at their homes. Volunteers shared all the precautionary methods to the students like wearing masks, using sanitizer, maintaining 6-feet social distance from one another. The entire volunteer team has taken all the precautions during this programme.

Outcomes: -

- Students came to know the importance of wearing mask during covid-19.
- Students learnt about how they can expand the awareness in general population related to COVID-19 and its preventative practices in order to meet its elimination goals.
- Students explained preventive measures of COVID-19 virus to 45 school children.
