

ADITYA ENGINEERING COLLEGE

An Autonomous Institution

Approved by AICTE • Permanently Affiliated to JNTUK • Accredited by NAAC with 'A' Grade

Recognised by UGC under sections 2(f) and 12(B) of UGC Act, 1956

Aditya Nagar, ADB Road, Surampalem - 533437, Near Kakinada, E.G.Dt., Ph:99498 76662

Department of Mining Engineering

A Two-Day Workshop on Recent Innovation and Practices in Mining Industries

Report

Venue	: Online via Microsoft Teams
Date	: 06-07-2020 to 07-07-2020
Resource persons	: <ul style="list-style-type: none">➤ Dr. K. S. Sivasubramanian, Professor of Mining Engineering, AMET University Chennai.➤ Dr. B. K. Mishra, Associate Professor of Mining Engineering, A.K.S. University Satna
Number of participants	: 112
Objective	: The objective of this workshop is to give awareness about the Recent Innovation and Practices in Mining Industries.
About the workshop	: The Department of Mining Engineering has organized a workshop on "Recent Innovation and Practices in Mining Industries" for mining students. In this workshop the resource persons described the significance of the recent advancement information in the field of mining. Further, they explained the concept and importance of rare earth metals in mining industry.
Outcomes	: At the end of the workshop participants were able to <ul style="list-style-type: none">• Understand the recent advancements in mining industries.• Enhance their knowledge in the start-up area in the mining engineering field.• Understand the importance of rare earth metals (REMs).
Closing Remarks	: Finally HOD of Mining has given closing remarks on this workshop. He thanked all the participants for being actively involved in all sessions and thanked the speakers for their valuable speeches on Recent Advancements and Innovation

in Mining Industry. The convenor transferred Rs.10, 000/- to the each resource person as a remuneration in online mode.
