Please depart him

for consultation work

for R.

Respected Sir,

Sub:- Consultation work from APOne (Government of AP)-acceptance-reg.

Ref:- 1) Letter from Aponline dated September 6, 2021

2) My request to convert it into consultancy work dated September 11, 2021

3) Telephonic conversation on September 13, 2021

I, Dr. Ananda Kumar Kinjarapu, working as a professor in the department of CSE Thanking you for the opportunity to be part of this Aditya Family. I am working on software development besides teaching in engineering colleges from 2003 onwards for the first time JNTU introduced online examinations. Till date I was involved in developing result processing software for JNTUH, D-forms generation, online Fee Payment and working as a confidential member in processing the OMR sheets for 14 government examinations conducted by JNTUH including EAMCET, APSRTC, APGENCO, APTRANSCO, VRO&VRA, Forest Department and JNTUH Faculty recruitment. With that sort of experience, I got a chance to provide solution to APSBTET (AP State Diploma Board) Result processing. Now Diploma result processing work endorsed to APOne and they approached for regular employment. But I requested to act as a consultant instead of regular employment and accepted by Aponline. Earlier they offered one lakh per month and I also stated in my mail it is less than the salary (I told them that I am receiving 1,30,000 per month) paid by the college. Yesterday in the telephonic conversation, they agreed to pay. I need to give consent from my side in order to release a fresh offer letter. I will keep my certificates with you and the amount I am getting from aponline may be rotated back to me as my salary. For that I need to work for aponline from Vijayawada office. Hence I am requesting you to please permit me proceed as it benefits the department during the NBA and NAAC inspections.

Thanking you

Yours faithfully

Dear Satya Kurukuri,

Thank you for giving me the opportunity. I want to bring to your kind notice:

1. There is a difference in salary around 3.5 Lakhs per annum
 2. Losing 22 years of teaching experience and starting my career on vendor payroll for one year instead of company payroll
 3. The clause based your performance (ok) and company requirement (leads to dilemma)
- please look into these points and if possible consultancy based negotiations may be a better alternative

Thank you

Regards
Dr. Ananda Kumar Kinjarapu
