Media Centre:

With the ever increase in demand for e-content from various stakeholders, the institute has felt the need for establishing a Media centre with all required facilities. Taking this into consideration, the institution has developed a Media centre. The centre is equipped with facilities like video editing, audio mixing and basic animation softwares. With this facility in place, the institution is in a position to develop e-content and promote e-learning through online platform. The Media centre is driven by a team of experts and skilled technicians who can handle the software and hardware with dexterity.
