

Aditya Engineering College Alumni Association

Bangalore Chapter

About the Chapter: Aditya's Bangalore Alumni chapter was launched at the first Aditya Engineering College Alumni Association meet held on Oct. 9th, 2016 at the Taj Vivanta, Bangalore commemorate 15 years of AEC. Buoyed by enthusiasm of the 35 alumni who attended the meet, the chapter was formed and the first executive team was elected for a tenure of 2 years. Over the years the strength of the chapter grew exponentially to 1733(as of April. 01st 2020). The objective of the chapter is two-fold. One, for the betterment of the college and other to build a social network here in Bangalore. Regarding the former goal, we have already started an award for the 1st year overall topper. We have many projects & scholarships in the pipe line. As per the social network, we are having regular alumni meets. The alumni meets are biannual; one will be held in East Coast during June and other in west coast around Oct. time frame. The alumni meet attract alumni from all batches with their families and are perfect platform to exchange business ideas & personal pleasantries. We plan to achieve our goals with the moral & monetary support of alumni here. Without the Central Alumni Association's support, we cannot fulfill our targets.

Aditya Engineering College Alumni Association Hyderabad Chapter

About the Chapter: Aditya's Hyderabad Alumni chapter was launched at the first Aditya Engineering College Alumni Association meet held on Oct. 29th, 2020 at the Taj Banjara, Mithila Nagar, Banjara Hills, Hyderabad commemorate 15 years of AEC. By enthusiasm of the 51 alumni who attended the meet, the chapter was formed and the first executive team was elected for a tenure of 2 years. Over the years the strength of the chapter grew exponentially to 1805 (as of Oct 1st 2020). The objective of the chapter is two-fold. One, for the betterment of the college and other to build a social network here in Bangalore. Regarding the former goal, we have already started an award for the 1st year overall topper. We have many projects & scholarships in the pipe line. As per the social network, we are having regular alumni meets. The alumni meets are biannual; one will be held in East Coast during June and other in west coast around Oct. time frame. The alumni meet attract alumni from all batches with their families and are perfect platform to exchange business ideas & personal pleasantries. We plan to achieve our goals with the moral & monetary support of alumni here. Without the Central Alumni Association's support, we cannot fulfill our targets.

Aditya Engineering College Alumni Association

Hyderabad Chapter

About the Chapter: Aditya's Hyderabad Alumni chapter was launched at the first Aditya Engineering College Alumni Association meet held on Oct. 29th, 2016 at the Taj Banjara, Mithila Nagar, Banjara Hills, Hyderabad commemorate 19 years of AEC. By enthusiasm of the 51 alumni who attended the meet, the chapter was formed and the first executive team was elected for a tenure of 2 years. Over the years the strength of the chapter grew exponentially to 887 (as of April. 01st 2021). One, for the betterment of the college, and other to build a social network here in Bangalore. Regarding the former goal, we have already started an award for the 1st year overall topper. We plan to achieve our goals with the moral & monetary support of alumni here. Without the Central Alumni Association's support, we cannot fulfill our targets.

Chapter President: **Bharath Dasaka**
