### Report on

### A Career counselling programme on "Opportunities in Spatial Technologies"

Name of the Event: A Career counselling programme on "Opportunities in Spatial Technologies"

#### **Introduction to Event:**

The Department of Civil Engineering at Aditya Engineering College (A), conducted a career-counselling programme to explore employment opportunities and potential growth in various civil engineering fields. Through this programme, students will understand the importance of technology involving Remote Sensing (RS), Geographic Information System (GIS), Global Navigation Satellite System (GNSS) and web based mapping and GIS solution. These all technologies are evolving over a period, penetrating more and more into common people daily life through various ways. In the past, these technologies were limited to the specialized applications, organizations and scientific persons only. However, these technologies were in use for common person, society and nation since inception through policymaking, decision-making, communication solutions, weather forecasting etc.

**Event Date:** 09-11-2017

**Co-ordinator:** Dr S Govindarajan, Professor, Department of CE.

**No of Participants:** 239

#### **Expert with Designation:**

Dr. T Naresh Kumar.

**Venue:** Bill Gates Bhavan-301

**Staffing:**

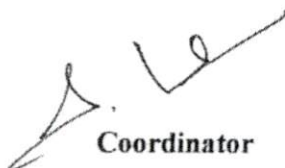

1. Mr. N. Anil Kumar, Asst. Prof, CE Dept.

**Outcomes:**

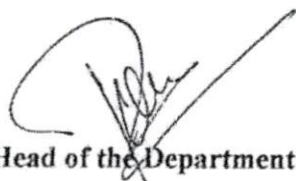

- Students learned how to be technically sound in the current job market for civil engineering sectors and how to have clarity about their future career as competition rises.
- Through this program, students got awareness on Applications of Remote Sensing and GIS in various interdisciplinary fields.

**Closing remarks:**

Students were provided with sufficient awareness on geospatial technology has demonstrated use in all the domains of forestry. Now a days this field is open for all the users and whomsoever is willing to use this technology to generate the scientific information for better planning and monitoring of resources. In present age of ease of technology, the decision makers responsible for the management of forest resources do not need to buy any Remote Sensing and GIS software as WebGIS solutions are available in ready to use format.

### Report on An awareness programme on "Preparation for the Competitive Examinations"

**Name of the Event:** Opportunities through Post Graduate Program in Autodesk Revit.

#### **Introduction to Event:**

The Department of Civil Engineering at Aditya Engineering College (A), conducted a career-counselling programme to explore employment opportunities and potential growth in various civil engineering fields. In today's time, it is becoming challenging to achieve success in competitive examinations. Applicants work hard for many years to crack the exam, but only some succeed. Therefore, it is essential to strategize the studying methodology to succeed in the exams. So, in this session, guest focused on strategic competitive exam preparation. There are certain parameters like Understand Your Interest, Understand the Exam Pattern, Make a Good Strategy, Set Target, Keep Yourself Updated, Make Notes, Digital Learning, Be Committed & Keep Practicing, Maintain Self Confidence & Stay Positive. From this session, the guest lectured on how to be motivated to achieve any competitive exam with proper planning and strategy.

**Event Date:** 06-03-2018.

**Co-ordinator:** Dr S Govindarajan, Professor, Department of CE.

**No of Participants:** 109

#### **Expert with Designation:**

Dr. G. Papa Rao, Ph.D., Professor & Head of the Department, GIET Autonomous, Rajamahendravaram, A.P.

#### **Experts' Profile:**

He completed PhD (Structural Engineering) from GITAM, Vizag. He has vast experience in academic and administrative activities. He also led an exceptional work in consultancy and research in various civil engineering specializations. As a part of professional career, he organised FDPs and Seminars.

**Venue:** Bill Gates Bhavan Room No.301.

PRINCIPAL

ADITYA ENGINEERING COLLEGE  
SURAMPALAM - 533 437

**Staffing:**

Mr. N. Anil Kumar, Asst Prof, CE Dept.

**Outcomes:**

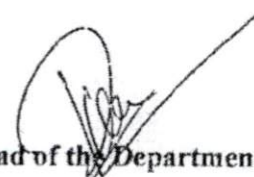

- Students learned how to be technically sound in the current job market for civil engineering sectors and how to have clarity about their future career as competition rises.
- Through this program, students got awareness of a variety of designing software's.

**Closing remarks:**

From this seminar student got awareness on how to goal for competitive exams. Through this session students learned that, Competitive Examination is all about strategy and proper execution and nothing else. This can be, best done if students are preparing on their own. Coaching centres will not be for you alone but in self-study, you will be able to understand yourself better and study accordingly.

### Report on

### Career Counselling Programme on

### "Opportunities in Power Generation, Transmission and Distribution Sector"

**Name of the Event:** Opportunities in Power Generation, Transmission and Distribution Sector

#### **Introduction to Event:**

Career Counselling Programme on "Opportunities in Power Generation, Transmission and Distribution Sector" was conducted at Aditya Engineering College (A), Surampalem by the department of EEE to make the students learn about the Career Opportunities in the field of Electrical Engineering. The objective of this programme is to impart the knowledge on the Opportunities in Power Generation, Transmission and Distribution. Keeping this in view, the department has organised this programme for the benefit of the students.

**Event Dates:** 24.10.2017

**Number of Days:** 1

**Coordinator:** Mr .K .Rambabu Asst. Professor, Department of EEE

#### **Agenda:**

- Electrical Power Generation
- Distribution(EPGD)
- Transmission
- Opportunities in Power Generation, Transmission and Distribution Sector

**Participants:** 121 students

**Expert with Designation:** Dr.DVSS Siva Sarma, Professor(HAG),EEE Department,NIT Warangal.

#### **Experts' Profile:**

He is currently working as a Professor (HAG) in the department of EEE at NIT Warangal. His Research Interests are Power Quality, Power System Protection, Condition Monitoring of Electrical Equipment, Switching Transients. He had guided 4 research fellows and 3 M.Tech

Projects. He has more than 20 conference proceedings and more than 10 International and National paper publication.

**Venue:** KL Rao Bhavan Seminar Hall (Room No: KLB 201)

**Hospitality/Accommodation:** Yes

**Staffing:**

1. Mrs. B. Kala Bharathi, Asst. Professor
2. Mr.Ch.Govinda, Asst. Professor

**Outcomes:**

- Students have become familiarized with the Competitive Exams in Power sector .
- Students gained knowledge about the different types of Competitive exams.

**Closing Remarks:**

This career counselling programme has fulfilled its motto in making students to know about the Opportunities in Power Generation, Transmission and Distribution Sector. As it was one of the good opportunities, all the participants were involved and interacted well. The resource person was keen to make students understand about the topics and clarifying their doubts. ### "Job Opportunities in Power Electronics and Drives Sector"

**Name of the Event:** Job Opportunities in Power Electronics and Drives Sector

#### **Introduction to Event:**

Career Guidance Programme on "Job Opportunities in Power Electronics and Drives Sector" was conducted at Aditya Engineering College (A), Surampalem by the department of EEE to make students learn about the Job opportunities in Power Electronics and Drives Sector. The objective of this programme is to update knowledge in the emerging topics in core area. There are a lot of people studying power electronics from different institutes in India and finish course without gaining sufficient skills and thus find it difficult to get a job. Power electronics engineering is considered as one of the most toughest and rewarding professions. Keeping this in view, the department has organised Career Guidance Programme for the benefit of the students.

**Event Dates:** 10.08.2017

**Number of Days:** 1 day

**Coordinator :** Mr.Ch.Govinda, Asst. Professor, Department of EEE

#### **Agenda:**

- Introduction about Power electronics and Drives
- Operation of Different types of converters
- Operation of different Drives
- Real Time Applications & Job Opportunities

**Participants:** 116 Students

**Expert with Designation:** Dr A. Pandian, Associate Professor, Department of Electrical and Electronics Engineering, KL University, Guntur .

### A Report on

### Guest Lecture on "Higher studies"

**Name of Event:** Guest Lecture on "Higher studies"

**Introduction to Event:**

A Guest Lecture on "Higher studies" was conducted on 23-09-2017 at Aditya Engineering College (A), Surampalem by the Department of Mechanical Engineering. The objective of this programme is to impart the knowledge and provide basic idea about the different courses option available after graduation so that they can choose a course wisely after graduation from different reputed universities in the world and achieve greater height in their career. Keeping this in view, the department has organised this workshop for the benefit of the students.

**Event Date:** 23-09-2017

**Number of Day:** 1 day

**Co-ordinator:** Ms. S. Anjani Devi, Assistant Professor, Department of Mechanical Engineering.

**No. of Participants:** 325

**Experts with Designation:** Dr. T. Srihari

Professor

Department of Mechanical Engineering

TKR College of Engineering & Technology, Hyderabad

**Expert Profile:**

He has completed Ph.D. in Mechanical Engineering from IIT Delhi. His expertise is in Industrial engineering and management and Manufacturing technology. He was member of BOS at CVR College of Engineering Hyderabad and holded the various administrative positions in engineering colleges. Currently he is working as Professor in the department of Mechanical Engineering at TKR College of Engineering & Technology, Hyderabad.

**Venue:** K.L. Rao Bhavan Seminar Hall (Room No: 101)

**Hospitality/Accommodation:** Yes

**Staffing:**

PRINCIPAL  
Aditya Engineering College  
SURAMPALAM

Mr. S N S Maruthy Vijay, Assistant Professor, Dept. of Mechanical Engineering

**Outcomes:**

- ❖ Understood the importance of pursuing higher study after graduation.
- ❖ Understood the selection of a particular course and their admission process.

**Concluding Remarks:**

This one Day programme was conducted successfully meeting the goal to provide information to the students about various courses available in the current scenario. As it was one of the best opportunity for all the participants to interact and clear their doubt regarding scope of various post-graduation programmes and to know about best possible their career opportunity available for them. The program successfully came to end by giving necessary knowledge to students regarding future higher study option. This has covered a wide breadth of topics regarding choosing a career according to their choice and interest developed after graduation. This programme showcased a wide variety of examples to illustrate the key points for selection a course according the industrial requirement and job opportunity.

From  
Prof.G. Sridevi,  
Head of the Department,  
Electronics and Communication Engineering,  
Aditya Engineering College (A).

To  
The Principal,  
Aditya Engineering College (A).

Respected Sir,

Sub: Request to grant permission to organise a career counselling programme-reg.

The Department of Electronics and Communication Engineering is proposing to organise career counselling programme on **"Job Opportunities in the fields of VLSI, Embedded Systems, Telecommunication and Networking"** on 05-12-2017 & 06-12-2017 for B.Tech.VI & VIII semester students of ECE to make them aware of job opportunities in the fields of Electronics and Communication Engineering. Hence, I request you to grant permission to organise the programme for the benefit of the students and sanction an amount of Rs 8,000/- for smooth conduction of the programme.

Please find below the budget estimation for the same.

### Report on

### Seminar on "Career Opportunities in IT Industry"

**Event Name:** Career Opportunities in IT Industry

**Introduction to Event:**

A seminar on "Career Opportunities in IT Industry" was organised at Aditya Engineering College (A), Surampalem by the Department of IT. The objective of this programme is to give guidelines for students to choose better career in their interested fields. Higher education is one of the most common professional paths after engineering. Campus placements can assist in securing a high-paying position even before graduation. There is no limit to learning, particularly if one has a soul that is insatiably curious and eager to learn new things. Certifications are the best option if they want to improve their skills before taking on a professional career. ## **Department of Petroleum Technology** **A Report on Seminar on Prospects and opportunities in petroleum industries-Drilling**

**Event Name:** Seminar on Prospects and opportunities in petroleum industries-Drilling

### **Introduction to Event:**

Exploration for hydrocarbons is the one of the career for Petroleum Engineers . They have diversified career paths to follow for following, but taking a exploration path will be challenging working in teams. They work with drilling engineers, reservoir engineers, production engineers, completion engineer. The knowledge of Exploration of subsurface is very important to understand the behaviour of the wells,reservoir of hydrocarbon. After completing engineering there are many opportunities and exploration for hydrocarbon is one of the critical information for the identifying prospects, it requires the knowledge of the subsurface. A knowledge of exploration is must for Petroleum Engineers irrespective of their working location. There are plenty to start and learn, without exploration identification of hydrocarbon is difficult to exist.

**Event Date** : 10.02.2018

**Number of days** : 1

**Coordinator** : Mr M.V.V.S Anuprakash, Assistant Professor, Department of PT

### **Event Flow:**

- 1) Drill Site Engineer
- 2) Well Engineer
- 3) Drilling Data Analyst
- 4) Well Integrity Analyst
- 5) Drilling Supervisor
- 6) Mud Engineer

**Participants** : 105

**Resource person** : Dr.G.S.Chary, Retd Wellsite Geologist, ONGC

### **Profile of resource person in brief:**

He worked in well site geologist and currently working as professor in the Delta studies institute, visakhapatnam

**Location and Venue** : KL Rao Bhavan, 301 Seminar Hall

**SURAMPALEM - 533 437**

**Staffing**

:

Mr.Y R C Sai Narayana, Associate Professor, Department of Petroleum Technology

**Outcomes:**

The students got familiarized about

- How to get work safe in upstream oil field production
- Skills required for working in interpretation of the wells, subsurface maps and marking horizon of payzone and reservoir.
- Choosing of Software used for the interpretation of the geological sedimentology
- Joining in training for operation for identification of facies and structural mapping
- Various opportunities and choosing one among them geoscientist, well site geologist, production geologist.

**Closing remarks-description:**

This 1-Day programme was conducted successfully fulfilling the goal of making students learn the process of drilling and completions . As it was one of the good opportunities, all the participants were involved and interacted well. Finally, the program successfully came to end by giving necessary knowledge to students in the field of drilling such as drilling tools, drilling fluids and completion tools.

Respected Sir,

Sub: Request to grant permission to organise an Expert talk-reg

The Department of Petroleum Technology is proposing to organize an Expert talk on the topic "**Career opportunities in geology for petroleum engineers**" for B. Tech III, V, VII semester students to impart knowledge and insights about Geology on 23.09.2017. Hence. I request you to grant permission to organize the programme for the benefit of the students and sanction an amount of Rs 7,000/- for smooth conduction of event.

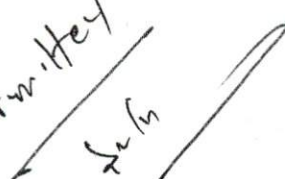

Please find below the budget estimation for the same.

S.No.	Particulars	Amount in Rs.
1	Honorarium	5,000
2	Travelling Allowance	1,000
3	Miscellaneous	1,000
Total		7,000

Thanking you sir,

Yours sincerely

## **Department of Petroleum Technology** **A Report: Expert talk on Career opportunities in geology for petroleum engineers**

**Event Name:** Expert talk on Career opportunities in geology for petroleum engineers

### **Introduction to Event:**

In Petroleum Engineering (B.Tech), geology is one among the most popular graduation courses that students take after completing their school. They have diversified career paths to follow for following, but taking an exploration path will be challenging working in teams. They work with drilling engineers, reservoir engineers, production engineers, completion engineer. The knowledge of geology of geosciences is very important to understand the behaviour of the wells, reservoir of hydrocarbon. After completing engineering there are many opportunities and geology is one path requires the knowledge of the subsurface. A knowledge of geology is must for Petroleum Engineers irrespective of their working location, geology is the one of the starting of them.

**Event Date:** 23.09.2017

**Number of days:** 1

**Coordinator:** Mr M.V.V.S Anuprakash, Assistant Professor, Department of PT

### **Event Flow:**

- 1) Mud Logger
- 2) 2D and 3D Seismic Interpreter
- 3) Log Analyst
- 4) Well Site Geologist

**Participants:** 161

**Resource person(s):** Dr.G.N.Rao, Professor, Andhra University, Delta Studies, Visakhapatnam

### **Profile of resource person(s) in brief:**

He has 44 years of experience in oil and gas industry with Bachelors in mathematics, physics and Chemistry, Masters in Science Technology in Applied Geology, M.Tech in Petroleum Exploration and PhD Petroleum Engineering from Indian School of Mines, Dhanbad

**Location and Venue:** Cotton Bhavan, 208 Seminar Hall

**PRINCIPAL**

**ADITYA ENGINEERING COLLEGE  
SURAMPALAM - 533 437**

**Staffing:**

Mr. Y R C Sai Narayana, Associate Professor, Department of Petroleum Technology

**Outcomes:**

The students got familiarized about

- How to get work safe in upstream oil field production
- Skills required for working in interpretation of the wells, subsurface maps and marking horizon of payzone and reservoir.
- Choosing of Software used for the interpretation of the geological sedimentology
- Joining in training for operation for identification of facies and structural mapping
- Various opportunities and choosing one among them geoscientist, well site geologist, production geologist.

**Closing remarks-description:**

This 1-Day programme was conducted successfully fulfilling the goal of making students learn the principles of sedimentology and geological applications. As it was one of the good opportunities for petroleum engineers, all the participants were involved and interacted well. Finally, the program successfully came to end by giving necessary knowledge to students in the field of sedimentology and geological interpretation.

### Report on Seminar on "Higher Education Programmes"

Event Name: Seminar on Higher education programmes

#### Introduction to Event:

A Seminar was conducted at Aditya Engineering College (A), Surampalem by the Department of Agricultural Engineering to inform students about various options available for Masters'. The course can be said as the application of engineering technologies for the improvement of agricultural industry. After completing a bachelor's degree in agricultural field candidates can either go for a job or can continue the higher education. Candidates can pursue master's degree in various specializations. For admission to Masters, students can prepare GATE, ICAR AIEEA (PG), individual University exams and international exams for English proficiency. Scholarships are provided for top 25% students during the term of study in India. Some of the higher study options in India and abroad as discussed in the session were:

#### **Higher Education Programmes after B. Tech in Agricultural Engineering (India)**

- Master of Engineering/Technology - Agricultural Engineering
- Master of Engineering - Hydrology and Water Resources Engineering
- Master of Engineering - Integrated Water Resources Management
- Master of Engineering - Irrigation Water Management
- Master of Engineering - Soil Mechanics and Foundation Engineering
- Master of Engineering - Water Resources and Irrigation Engineering
- Master of Technology - Agricultural Water Management
- Master of Technology in Irrigation and Drainage Engineering
- Master of Technology in Agricultural Process and Food Engineering
- Master of Technology in Agricultural Systems and Management
- Master of Technology in Aqua Cultural Engineering
- Master of Technology in Farm Machinery and Power Engineering
- Master of Technology in Farm Power & Machinery
- Master of Technology in Post Harvest Engineering and Technology
