### Report on

### A seminar on "Career as Engineering Project Managers"

**Name of the Event:** Career as Engineering Project Managers.

**Introduction to Event:**

The Department of Civil Engineering at Aditya Engineering College (A), conducted a career-counselling programme to explore employment opportunities and potential growth in various civil engineering fields. Through his session student will aware of order of working in projects and their management, the process of meeting organization requirements in a timely, cost-effective manner. The Project Management Institute defines project management as the application of tools, techniques, knowledge and skills to the activities within a project in order to fulfil requirements. The Project Management Institute divides project management into five steps: initiating, planning, executing, monitoring and controlling, and closing. The knowledge that project managers must apply during the process falls into the following categories: integration, scope, time, cost, quality, procurement, human resources, communications, risk management and stakeholder management.

**Event Date:** 27 -09-2019.

**Co-ordinator:** Dr S Govindarajan, Professor, Department of CE.

**No of Participants:** 133

**Expert with Designation:**

Dr. Chava Srinivas, Professor, Velagapudi Ramakrishna Siddhartha Engineering College, Kanuru, Vijayawada.

**Experts' Profile:**

He completed Ph. D (Civil Engineering), 2007, Andhra University, Visakhapatnam. Has experience in handling various consultancy works and specialized in structural engineering projects and research works.

**Venue:** Bill Gates Bhavan Room No.301.

**Staffing:**

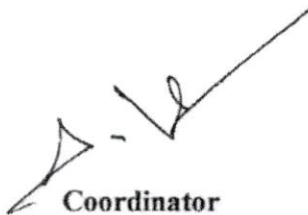

Mr. N. Anil Kumar, Asst Prof, CE Dept.

**Outcomes:**

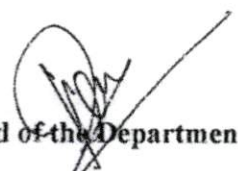

- Students learned how to be technically sound in the current job market for civil engineering sectors and how to have clarity about their future career as competition rises.
- Through this program, students got awareness of a variety of designing software's.

**Closing remarks:**

Students are provided with information to develop themselves from the inside out and become competent to strive for their future construction sector. Also students are taught with various objectives on Control what can be controlled, Earn your leading role, Manage expectations, Ensure training needs are met, Set regular, measurable deadlines, Carefully delegate resources, Don't micro-manage, Expect the unexpected.

### An Awareness programme on "Opportunities in Transportation and Infrastructure Utilities Engineering"

**Name of the Event:** Opportunities in Transportation and Infrastructure Utilities Engineering

**Introduction to Event:**

The Department of Civil Engineering at Aditya Engineering College (A), conducted a career-counselling programme to explore employment opportunities and potential growth in various civil engineering fields. This program's goal is to disseminate information about various approaches to expanding core ideas in structural engineering, concrete technology, mechanics of materials, construction management, geological science and engineering, and environmental engineering from the inside out. The session focuses on civil engineers, who have a wide range of career options, including building control surveyor, CAD technician, consulting civil engineer, contracting civil engineer, design engineer, nuclear engineer, site engineer, structural engineer, water engineer, and rural and urban transport engineer.

**Event Date:** 23-09-2019

**Co-ordinator:** Dr S Govindarajan, Professor, Department of CE.

**No of Participants:** 227

**Expert with Designation:**

Dr. G. Sasikala, Assistant professor, Dept. of Civil Engineering, SRKR Engineering College, Bhimavaram, A.P.

**Experts' Profile:**

She completed PhD (Structural Engineering) from Andhra University College of Engineering, Vizag. She has vast experience in academic and administrative activities. She also led an exceptional work in consultancy and research in various civil engineering specializations. As a part of professional career, she organised FDPs and Seminars.

**Venue:** Bill Gates Bhavan Room No.301.

**Staffing:**

Mr. N. Anil Kumar, Asst Prof, CE Dept.

PRINCIPAL  
Aditya Engineering College  
SURAMPALAM

**Outcomes:**

- Students learned how to be technically sound in the current job market for civil engineering sectors and how to have clarity about their future career as competition rises.
- Through this program, students got awareness of a variety of designing software's.

**Closing remarks:**

Students are provided with information to develop themselves from the inside out and become competent to strive for their future construction sector. Moreover, few students discussed their entrepreneur ideas and learned "how to starter up" a business initiative.

To  
The Principal,  
Aditya Engineering College (A).

Respected Sir,

Sub: Request to grant permission to organise Seminar -reg.

The Department of Electrical and Electronics Engineering is proposing to organise Seminar on "**Opportunities in the Field of Hybrid Electric Vehicles**" for B.Tech III & V semester students to introduce the concepts of Hybrid Electric Vehicles, and its applications on 03.12.2019. Hence, I request you to grant permission to organise the programme for the benefit of the students and sanction an amount of Rs 8,000/- for smooth conduction of the event.

Please find below the budget estimation for the same.

S.No.	Particulars	Amount in Rs.
1	Honorarium	7,000
2	Travelling Allowance	2,000
3	Miscellaneous	1,000
Total		8,000

Thanking you sir.

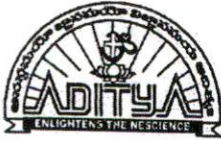

Yours sincerely

### Report on

### Seminar on "Opportunities in the Field of Hybrid Electric Vehicles"

**Name of the Event:** Opportunities in the Field of Hybrid Electric Vehicles

#### **Introduction to Event:**

Seminar on "Opportunities in the Field of Hybrid Electric Vehicles" was conducted at Aditya Engineering College (A), Surampalem by the department of EEE to make the students learn Hybrid Electric Vehicle. The objective of this programme is to encourage faster adoption of electric and hybrid vehicles. Hybrid Vehicles is an Environmental protective vehicles, by using of electric Vehicles the fuel usage is reduced and by using Hybrid Electric Vehicle reduces emission free .So that keeping this in view, the department has organised this seminar for the benefit of the students.

**Event Dates:** 03.12.2019

**Number of Days:** 1

**Coordinator :** Mr.N.Rajesh, Asst. Professor, Department of EEE

#### **Agenda:**

- Introduction to Electric Vehicles
- Hybrid Electric Vehicles
- Battery system
- Carrer through Hybrid Vehicles

**Participants:** 232 Students

**Expert with Designation:** Dr.K.Venkata Reddy , Professor of EEE ,UCEK ,Kakinada

#### **Expert's Profile:**

He is currently working as a Professor of Electrical and Electronics Engineering in University College of Engineering, Kakinada, Andhra Pradesh, India. His research interests include Power Electronics, Special Electrical Machines, FACTS and Power Quality. He has 24 International and National Paper Publications. He has 14 Organized Workshops/Conferences.

**Venue:** Seminar Hall (Room No: 101), KL Rao Bhavan

**Hospitality/Accommodation:** Yes

To  
The Principal,  
Aditya Engineering College(A).

Respected Sir,

Sub: Request to grant permission to organise Career Guidance Programme -reg.

The Department of Electrical and Electronics Engineering is proposing to organise a Career Guidance Programme on "**Job Opportunities in Battery Manufacturing Technology**" for B.Tech V semester students to introduce the concepts of Battery Technology and its applications on 22.08.2019. Hence, I request you to grant permission to organise the programme for the benefit of the students and sanction an amount of Rs 10,000/- for smooth conduction of the event.

Please find below the budget estimation for the same.

### Report on

### Career Guidance Programme on

### "Job Opportunities in Battery Manufacturing Technology"

**Name of the Event:** Job Opportunities in Battery Manufacturing Technology.

#### **Introduction to Event:**

A Programme on Career Guidance on "Job Opportunities in Battery Manufacturing Technology" was conducted at Aditya Engineering College (A), Surampalem by the department of EEE to make the students learn about Facts Devices. The objective of this programme is to update knowledge in the emerging topics in the subject area. FACTS devices or controllers are power electronic based systems that, with the help other static equipment's, provide control of one or more system parameters of a transmission line. Facts devices provide control of voltage, current and power factor. It is an emerging core subjects, since it is an emerging core subject, the department.

**Event Dates:** 22.08.2019

**Number of Days:** 1-day

**Coordinator :** Mr.K.Rambabu, Asst. Professor, Department of EEE

#### **Agenda:**

- Types of batteries
- Operation and manufacturing
- Application in vehicles.
- Job Opportunities

**Participants:** 105 students

**Expert with Designation:** Dr.P.Mallikarjuna Rao, Professor of EEE, HOD of EEE, AU College of Engineering, Visakhapatnam.

#### **Expert's Profile:**

He is currently working as a Professor of Electrical Engineering with Andhra University, Visakhapatnam, and Andhra Pradesh, India. His research interests include Control Systems, Design and Analysis of Specific Purpose Electrical Machines and their Control. He has 6

**Venue:** Seminar Hall (Room No: 101), KL Rao Bhavan

**Hospitality/Accommodation:** Yes

**Staffing:**

Mr.Ch.Govinda , Asst. Professor of EEE

**Outcomes:**

- Participants understood the different types of Batteries.
- They can understand and implement the same to get through Job Opportunities.

**Closing Remarks:**

This is Career Guidance programme that has fulfilled its motto in making students learn new things and new trends about Batteries and its applications. All the participants were involved active and interacted well. The person was keen to make students understand about the topics and clarifying their doubts. Finally the programme successfully came to end with the resource person giving necessary knowledge to students.

### Report on Awareness programme on

### "Plan and Preparation for GATE and IES"

**Event Name:** Preparation strategy for GATE, IES and Core Jobs

**Introduction to Event:** Awareness Programme on "Plan and Preparation for GATE and IES" was organised on 09-12-2019, at Aditya Engineering College (A) to let the students aware of planning and preparation strategy for GATE and IES exams. GATE and IES/ESE are the two most sought-after career opportunities for all engineering graduates. Aspirants who decided to make a career in their technical lines have a hard time deciding between these two examinations.

**Event Date:** 09-12-2019

**Co-ordinator:** Mr. Ajay Sankar, Assistant Professor, ECE.

**Event Flow:**

- Awareness on GATE and IES
- Preparation Strategy for GATE and IES

**No. of Participants:** 246

**Name of the Expert with Designation:** Mr.G.K.Reddy, IES Officer.

**Expert's Profile:**

IRRS-Wireless Planning Advisor, Ministry of Communications and Information Technology, Government of India.

**Venue:** Cotton Bhavan Seminar Hall (Room No: 208)

**Staffing:** Mr.A. Kondababu, Asst. Professor

**Outcomes:**

- The students understood the importance of GATE and IES
- Students were equipped with the preparation strategies related to ECE- GATE, IES

### Report on Guest Talk on "Opportunities and challenges in the field of 5G Communications"

**Name of the Event:** Opportunities and challenges in the field of 5G Communications

**Introduction to Event:** Guest Talk on "Opportunities and challenges in the field of 5G Communications" was organised on 29-11-2019, at Aditya Engineering College (A) to make the students aware of the Opportunities and challenges in the field of 5G Communications. The objective is to enable the students to get acquainted with recent trends in communication and networking technologies. To cope up with the modern world, and so enable state-of-the-art technologies, the telecommunication capability in Bangladesh needs upgradation, where fifth generation (5G) communication comes into play. In 5G, users will experience ultra-high-speed and low latency mobile broadband connection, which will be substantially better than today's WiFi and 4G internet.

**Event Date:** 29-11-2019

**Co-ordinator:** Mr. S.B.G. Tilakbabu, Assistant Professor, Department of ECE.

**Event Flow:**

- Introduction to 5G Communications
- Key issues in 5G Communications
- Opportunities and challenges in 5G communications

**No. of Participants:** 258

**Name of the Expert with Designation:** Mr. Ratnakar Rayavarapu, Senior Director, Engineering at Samsung R&D India, Bangalore.

**Expert's Profile:**

Mr. Ratnakar Rayavarapu working as Senior Director in Samsung R&D India, Bangalore. His expertise is in the field of wireless protocols across all technologies.

**Venue:** Cotton Bhavan, Room No: 208

**Staffing:** Mr.S. Jagadeesh, Assoc. Professor

  
PRINCIPAL  
Aditya Engineering College

**Outcomes:**

- Students were equipped with knowledge of communication systems and Networking Technologies.
- Students got familiarized with Opportunities and challenges in 5G communications.

**Closing remarks:**

This guest talk was organised successfully fulfilling the goal of making students aware of the opportunities and challenges in Telecommunications. The programme was concluded by briefing the notable advances in 5G. There are several challenging techniques in 5G communications which can meet massive connectivity, high data rate, and high spectral efficiency demand. As it was one of the good opportunities, all the participants were involved and interacted well.

### Report on Awareness Programme on "Career Opportunities in Electronics and Communication Engineering"

**Event Name:** Career Opportunities in Electronics and Communication Engineering

**Introduction to Event:** Awareness Programme on "Career Opportunities in Electronics and Communication Engineering" was organised at Aditya Engineering College (A) to make the students understand what are various employment possibilities for Electronics Engineers. Electronics and Communication Engineering is one of the most popular courses in the engineering field as it provides wide scope of development and employment opportunities.

**Event Date:** 04-10-2019

**Co-ordinator:** Mr. B. Srinivas, Associate Professor, ECE.

#### **Event Flow:**

- Awareness on Higher studies.
- Opportunities in core sector.

**No. of Participants:** 245

**Name and profile Expert with Designation:** Mr. Rajiv VK, Senior Director, Test Engineering at Tessolve Semiconductor Pvt.Ltd.

**Venue:** Cotton Bhavan Room No: 208

**Staffing:** Mr.P. Bala Srinivas, Assistant. Professor.

#### **Outcomes:**

The students got familiarized with

- Importance of core sector jobs.
- Various opportunities for Electronics Engineer.

#### **Closing remarks:**

Students were equipped with the knowledge of opportunities in core sector related to ECE. After this Programme, students got clarity about career path in ECE and as it was one of the good opportunities, all the participants were involved and interacted well.

## Department of Petroleum Technology

### A Report: Career Counselling on Reservoir engineering opportunities in petroleum Industries

**Event Name:** Career Counselling on Reservoir engineering opportunities in petroleum Industries

#### **Introduction to Event:**

Reservoir Engineering is the popular among the petroleum engineers, though there are other core engineering areas of petroleum engineers, their job is to find the oil recovery with respect to time and Exploration for hydrocarbons is the one of the career for Petroleum Engineers. They have diversified career paths to follow for following, but taking a exploration path will be challenging working in teams. They work with drilling engineers, reservoir engineers, production engineers, completion engineer. The knowledge of Exploration of subsurface is very important to understand the behaviour of the wells, reservoir of hydrocarbon. After completing engineering there are many opportunities and exploration for hydrocarbon is one of the critical information for the identifying prospects, it requires the knowledge of the subsurface. A knowledge of exploration is must for Petroleum Engineers irrespective of their working location. There are plenty to start and learn, without exploration identification of hydrocarbon is difficult to exist.

**Event Date** : 08.02.2020

**Number of days** : 1

**Coordinator(s)** : Mr M.V.V.S Anuprakash, Assistant Professor, Department of PT

#### **Agenda/Event Flow:**

- 1) Junior Reservoir Engineer
- 2) Reservoir Simulation Specialist
- 3) EOR Specialist
- 4) Production Engineer
- 5) Completion Engineer

**Participants** : 112

**Resource person** : E. Sarat Babu, Reservoir Engineer, ONGC, Rajahmundry

  
PRINCIPAL

SURAMPALAM - 533 437

**Profile of resource person in brief:**

He is currently working as the Reservoir engineer, ONGC, Rajahmundry asset, He hold chemical engineering from nit warangal and joined in the ongc. His areas are reservoir engineering and enhanced oil recovery.

**Location and Venue:** KL Rao Bhavan, 301 Seminar Hall

**Staffing:**

E.Nandish Goud, Assistant Professor, Department of Technology

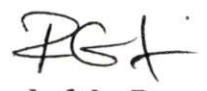

**Outcomes:**

The students got familiarized about

- How to get work safe in producing oil field
- Skills required for working as reservoir engineer
- Choosing of Software used for material balance, pvt studies and simulation
- Joining in training for operation for various role in reservoir engineering
- Various opportunities and choosing one among them of reservoir engineering, production, completion engineering

**Closing remarks-description:**

This 1-Day programme was conducted successfully fulfilling the goal of making students learn the principles of material balance, PVT analysis and recovery with time scale . As it was one of the good opportunities, all the participants were involved and interacted well. Finally, the program successfully came to end by giving necessary knowledge to students in the field of Reservoir engineering , production engineering and completion engineering.

Respected Sir,

Sub: Request to grant permission to organise a training programme-reg

The Department of Petroleum Technology is proposing to organize an expert talk on the topic "**Exploration Prospects and opportunities for Petroleum Engineers**" for B. Tech III, V, VII semester students to impart knowledge and insights about Exploration and Exploitation concepts on 07.09.2019. Hence, I request you to grant permission to organize the programme for the benefit of the students and sanction an amount of Rs 10,000/- for smooth conduction of event.

Please find below the budget estimation for the same.

S.No.	Particulars	Amount in Rs.
1	Honorarium	7,000
2	Travelling Allowance	2,000
3	Miscellaneous	1,000
Total		10,000

Thanking you sir,

Yours sincerely

## Department of Petroleum Technology

### A Report: An Expert talk on Exploration Prospects and opportunities for Petroleum Engineers

**Event Name:** Expert talk on Exploration Prospects and opportunities for Petroleum Engineers

#### **Introduction to Event:**

Petroleum Engineering (B.Tech) is among the most popular graduation courses that students take after completing their school. They have diversified career paths to follow for following, but taking a exploration path will be challenging working in teams. They work with drilling engineers, reservoir engineers, production engineers, completion engineer. The knowledge of geology of geosciences is very important to understand the behaviour of the wells, reservoir of hydrocarbon. After completing engineering there are many opportunities and geology is one path requires the knowledge of the subsurface. A knowledge of geology is must for Petroleum Engineers irrespective of their working location. There are plenty to start and learn, geology is the one of the starting of them.

**Event Date** : 07.09.2019

**Number of days** : 1

**Coordinator** : Mr M.V.V.S Anuprakash, Assistant Professor, Department of PT

#### **Event Flow:**

- 1) Well Site Geologist
- 2) Geoscientist
- 3) Well log Analyst
- 4) Mud Logger
- 5) Log Analyst
- 6) 2D and 3D Seismic Interpreter

**Participants** : 108

**Resource person** : Dr.G.Sarvesam, Retd executive director, Subsurface, ONGC

#### **Profile of resource person in brief:**

He has 35 years of experience in oil and gas industry with ONGC bachelors of science in mathematics and masters of technology in geophysics and seismology and published 10 international reputed journals. Expert and consultant in geophysics area.

ADITYA ENGINEERING COLLEGE  
SURAMPALAM - 533437

**Location and Venue** : KL Rao Bhavan, 301 Seminar Hall

**Staffing** :

E.Nandish Goud, Assistant Professor, Department of Petroleum Technology

**Outcomes:**

The students got familiarized about

- How to get work safe in geological site and geophysical approach
- Skills required for working in oil field
- Choosing of Software used for the subsurface maps
- Joining in training for operation for interpreting the maps
- Various opportunities and choosing one among them particularly geosciences and geophysics

**Closing remarks:**

This 1-Day programme was conducted successfully fulfilling the goal of making students learn the principles of geophysical and their applications . As it was one of the good opportunities, all the participants were involved and interacted well. Finally, the program successfully came to end by giving necessary knowledge to students in the field of geophysics.

To  
The Principal,  
Aditya Engineering College (A).

Respected Sir,

Sub: Request to grant permission to organise a Guest Lecture-reg.

The Department of Agricultural Engineering is proposing to organise a Guest Lecture on "Employment Opportunities in Agricultural Engineering" for B.Tech III, V and VII semester students on 26-09-2019. Hence, I request you to grant permission to organise the programme for the benefit of the students and sanction an amount of Rs 10,000/- for smooth conduction of the programme.

Please find below the budget estimation for the same.

S.No.	Particulars	Amount in Rs.
1	Honorarium	7,000
2	Travelling Allowance	2,000
3	Miscellaneous	1,000
Total		10,000

Thanking you sir,

### Report on

### Guest Lecture on "Employment Opportunities in Agricultural Engineering"

**Event Name:** Guest Lecture on "Employment Opportunities in Agricultural Engineering"

#### **Introduction to Event:**

A Guest Lecture was conducted at Aditya Engineering College (A), Surampalem by the Department of Agricultural Engineering to enlighten the students regarding their future growth prospects. The objective of this programme was to let the students know the present scenario of employment. In 2019, the estimated youth unemployment rate in India was at 23.01 percent. According to the source, the data are ILO estimates. For the past decade, India's youth unemployment rate has been hovering around the 22 percent mark. The youth unemployment rate refers to those in the workforce who are aged 15 to 24 years and without a job, but actively seeking one. Generally, youth unemployment rates are higher than the adult unemployment rates, and India is no exception. Youth unemployment in India is significantly higher than the national unemployment rate. India's unemployment rate in general is not remarkably high when compared to those of other countries. Both India's unemployment rate and youth unemployment rate are below their global equivalents. The key role of an agricultural engineer is to improve agricultural production through better engineering methods, inventions, technology and equipment.

**Event Date:** 26-09-2019

**Coordinator:** Mr. Vikram Singh, Assistant Professor, Department of Ag.E

**No of Participants:** 152

#### **Expert with Designation:**

Mr. V. Gopichand, Sr. Engineer, Department of Advanced Machinery, Johndeere, Pune.

He completed his B.Tech in Agricultural Engineering from Acharya N.G. Ranga Agricultural University

To  
The principal,  
Aditya Engineering College(A).

Respected Sir,

Sub: Request to grant permission to organise a seminar -reg.

The Department of Management Studies is proposing to organise a Seminar on **"Career Opportunities in Total Productive Maintenance"** on 19-02-2020 for MBA II and IV semester and IMBA VIII semester students to enhance the opportunities in productive maintenance. Hence, I request you to grant permission to organise the programme for the benefit of the students and sanction an amount of Rs.10,000/- for smooth conduction of the Programme. Please find below the budget estimation for the same.

S.No.	Particulars	Amount in Rs.
1	Honorarium	8,000
2	Travel Allowance	1,000
3	Miscellaneous	1,000
Total		10,000

Thanking you sir,

Yours sincerely

### Report on a seminar on "Carrier Opportunities in Total Productive Maintenance"

**Name of the Event:** Carrier Opportunities in Total Productive Maintenance

#### **Introduction to the Event:**

A seminar was conducted at Aditya Engineering College(A), by the department of Management Studies to impart knowledge on TPM which is designed to disseminate the responsibility for maintenance and machine performance, improving employee engagement and teamwork within management, engineering, maintenance, and operations. The goal of TPM is the continuous improvement of equipment effectiveness through engaging those that impact on it in small group improvement activities. Total quality management (TQM) and total productive maintenance (TPM) are considered as the key operational activities of the quality management system. In order for TPM to be effective, the full support of the total workforce is required. This should result in accomplishing the goal of TPM.

### Report on an awareness Programme on "Essentials of Supply chain Management"

**Name of the Event:** Essentials of Supply chain Management

#### **Introduction to the Event:**

An awareness programme was conducted at Aditya Engineering College(A), by the department of Management Studies to impart knowledge on essential part of supply-chain management is to understand the end customer within the marketing channel. How will the customer want to receive the goods or services? Will special packaging be needed or will the item be displayed on store shelves? The customer is the key focus on ensuring an efficient supply-chain. Cost, quality targets, SLAs, and KPIs all need negotiations around the terms. If you want to be successful in supply chain management you need to become a good negotiator. Some practitioners are naturally gifted at negotiations, but a larger number of supply chain professionals need training and constant practice.

**Event Date:** 01-07-2019

**Coordinator:** Mr. C. Raj Kumar Assistant professor, Management Studies.

#### **Agenda:**

- Functions & Essentials of SCM
- Components of Supply chain Management
- Impact of Globalization in Supply chain
- Key aspects and Workflow

**No. of Participants:** 88

**Resource Person:** Ms. M. Jyothi, Assistant Professor, Vasavi College of Engineering, Tadepalligudem.

#### **Resource Person's Profile:**

She completed M. Com from Osmania University Currently working as an Assistant Professor in Vasavi College of Engineering, Tadepalligudem, and awarded SRI S.R. KANNIAIAH AND Smt. S. SUSHEELA BAI GOLD MEDAL from Osmania University in 1994.

**Venue:** Abdul Kalm Bhavan Seminar Hall (Room No: 101)

**Staffing:**

1. Mr. Krishna Gottipati Hari Asst. Professor
2. Ms. Chirra Madhulatha, Asst. Professor

**Outcomes:**

- students understood key drivers of supply chain performance and their inter-relationships with strategy and other functions.
- students developed the ability to design logistics systems and formulate integrated supply chain strategy.
- Students learnt to develop modeling skills by using excel solver.

**Closing remarks:**

After this awareness programme students got clarity about importance of Supply chain Management and how it creates way to new jobs. It helps manufacturers and retailers produce and transport only what they can sell. This eliminates the unnecessary expenses associated with producing, insuring, and shipping inventory a company can't sell.
