Report on expert talk "Career after Civil Engineering"

Name of the Event: Career after Civil Engineering

Introduction to Event:

The Department of Civil Engineering at Aditya Engineering College (A), conducted a career-counselling programme to explore employment opportunities and potential growth in various civil engineering fields. This program's goal is to disseminate information about various approaches to expanding core ideas in structural engineering, concrete technology, mechanics of materials, construction management, geological science and engineering, and environmental engineering from the inside out. The session focuses on civil engineers, who have a wide range of career options, including building control surveyor, CAD technician, consulting civil engineer, contracting civil engineer, design engineer, nuclear engineer, site engineer, structural engineer, water engineer, and rural and urban transport engineer.

Event Date: 15-11-2021.

Co-ordinator: Dr S Govindarajan, Professor, Department of CE.

No of Participants: 236

Expert with Designation:

Dr. V. Sivarama Raju, Professor in civil engineering dept., S.R.K.R Engineering College, Bhimavaram.

Experts' Profile:

He completed PhD (Structural Engineering) from GITAM, Vizag. He has vast experience in academic and administrative activities. He also led an exceptional work in consultancy and research in various civil engineering specializations. As a part of professional career, he organised FDPs and Seminars.

Venue: Bill Gates Bhavan Room No.301.

Mr. N. Anil Kumar, Asst Prof, CE Dept.

Outcomes:

- Students learned how to be technically sound in the current job market for civil engineering sectors and how to have clarity about their future career as competition rises.
- Through this program, students got awareness on designing through various software's for employment.

Closing remarks:

Students are provided with information to develop themselves from the inside out and become competent to strive for their future construction sector. Moreover, few students discussed their entrepreneur ideas and learned "how to starter up" a business initiative.

Report on

A Workshop on "Career in Commercial application of AR and VR along with Building Information Modelling (BIM) Softwares"

Name of the Event: A one-day Workshop on "Career in Commercial application of AR and VR along with Building Information Modelling (BIM) Softwares"

Introduction to Event:

The Department of Civil Engineering at Aditya Engineering College (A), conducted a career-counselling programme to explore employment opportunities and potential growth in various civil engineering fields. The objective of this programme is to disseminate knowledge regarding the use of AR and VR in various BIM software programmes for commercial simulation as well as load behaviour in various structures and how they respond to deformations. The session focuses on role of civil engineers dealing mega structures to commercial home planners, landscapers, interior architectures and in any exceptional areas of civil engineering sector.

Event Date: 03-07-2021

Co-ordinator: Dr S Govindarajan, Professor, Department of CE.

No of Participants: 106

Expert with Designation:

Dr. Chava Srinivas, Professor, Velagapudi Ramakrishna Siddhartha Engineering College, Kanuru, Vijayawada.

Expert's Profile:

He completed Ph. D (Civil Engineering), 2007, Andhra University, Visakhapatnam, also has experience in handling various consultancy works, and specialized in structural engineering projects and research works.

Venue: Bill Gates Bhavan Room No.301.

Staffing:

Mr. N. Anil Kumar, Asst Prof, CE Dept.

PRINCIPAL
Aditya Engineering College
SURAMPALEM

Outcomes:

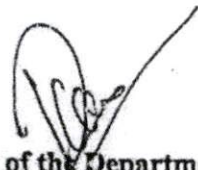

- Students will be equipped with knowledge on AR and VR technology and commercial implementation in building planning design and load acting and deformation areas in construction field.
- Students will be able to configure the setup to install workstation and equipment required for AR and VR simulation.

Closing remarks:

Students are now aware of commercial applications of AR and VR in various designing and simulation softwares. In addition, some students interacted with session expert, particularly on procurement and installation of AR and VR, licensing and registration on such consultancy works.

Agenda:

- Introduction to Electric Vehicles and its allied Industries
- EV 2-Wheeler/3-Wheeler/4-Wheeler Fleet.
- Solar integrated EV charging
- Career Opportunities in Electric Vehicles and its allied Industries

No. of Participants: 98 Students

Experts with Designation: Dr.K.Subbarao ,Professor of EEE, KLU University, Guntur.

PRINCIPAL

ADITYA ENGINEERING COLLEGE
SURAMPALAM - 533 437

Expert's Profile:

He is currently with KLU University, Guntur, and Andhra Pradesh, India, where he is a professor of Electrical Engineering. His research interests include control systems, Attacking Embedded Systems, electrical machines and their control. He has 7 Journal Articles, 1 Book Chapter and 1 Conference Proceedings. He Expertise in the Electrical Engineering, Electrical Machines Design, Control Systems Engineering.

Venue: Seminar Hall (Room No: 101), KL Rao Bhavan

Hospitality/Accommodation: Yes

Staffing:

1. Mr Ch Amarendra, Assoc. Professor
2. Mr N. Rajesh, Assoc. Professor

Outcomes:

- Students have got good knowledge on various types of batteries

Report on

Career Guidance Programme on

"Job opportunities in Power and Energy Sector"

Name of the Event : Job Opportunities in Power and Energy Sector

Introduction to Event:

Career Guidance Program on "Job Opportunities in Power and Energy Sector" was conducted at Aditya Engineering College (A), Surampalem by the department of EEE to make the students learn how to Power and energy sector. The objective of this programme is to impart the knowledge on power and energy sector. Power is among the most critical components of infrastructure, crucial for the economic growth and welfare of nations. The existence and development of adequate power infrastructure is essential for sustained growth of the Indian economy. India's power sector is one of the most diversified in the world. Sources of power generation range from conventional sources such as coal, lignite, natural gas, oil, hydro and nuclear power to viable non-conventional sources such as wind, solar, and agricultural and domestic waste. Electricity demand in the country has increased rapidly and is expected to rise further in the years to come. In order to meet the increasing demand for electricity in the country, massive addition to the installed generating capacity is required. India was ranked fourth in wind power, fifth in solar power and fourth in renewable power installed capacity, as of 2020. India is the only country among the G20 nations that is on track to achieve the targets under the Paris Agreement. Keeping this in view, the department has organised this training programme for the benefit of the students.

Event Dates: 10-12-2021

A Report of

Guest Lecture on "Making Career in Automobile Industry"

Name of Event: Making Career in Automobile Industry

Introduction to Event:

A guest lecture on "Making Career in Automobile Industry" has been organized on 21-03-2022 on at Aditya Engineering College (A), Surampalem by the Department of Mechanical Engineering. The aim of the programme was to talk about career opportunity in automobile Sector and Scope in Electrical vehicles manufacturing industry for Mechanical Engineers and role of engineers on Environmental impact. In this session students got information regarding career opportunities for Mechanical Engineers in automotive manufacturing industry including electric vehicles and role of engineers to solve environmental pollution issues in India. Keeping this in view, the department has organised this guest lecture for the benefit of the students of Mechanical Engineering.

Event Dates: 21-03-2022

Number of Days: 1 Day

Co-ordinator: Mr. N. Naresh, Assistant Professor, Department of Mechanical Engineering

No. of Participants: 320

Experts with Designation: Dr. Venkateshwarlu Chintala

Associate Professor

National Rail Transportation Institute (NRTI)

Expert Profile:

Dr. Venkateshwarlu, is alumni of IIT Delhi, did his PhD from Centre for Energy Studies, IIT Delhi in the field of transportation. He is the recipient of "Smt. Vijay Sodha" award for his best

research work at IIT Delhi in the year 2015. Currently he is working as Associate Professor and Programme Director (B.Tech.) at National Rail Transportation Institute (NRTI).

Venue: Seminar Hall (Room No: 101), K.L. Rao Bhavan

Hospitality/Accommodation: Yes

Staffing:

Mr.Ch. Ganesh, Assistant Professor, Department of Mechanical Engineering.

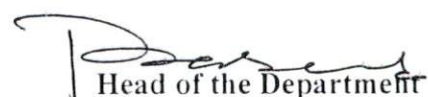

Outcomes:

- Students have understood Latest trends in automobile sector
- Students understood contemporary trends in electric vehicle and environmental issues.

Concluding Remarks:

This guest lecture was conducted successfully fulfilling the goal of making students to understand the about career opportunity in automobile Sector and Scope in Electrical vehicles manufacturing industry for Mechanical Engineers and role of Engineers to solve environment issues. It was one of the excellent opportunities to all the participants to interact with expert. The programme came to end by giving necessary knowledge to students in the field of automobiles and electric vehicles. This programme showcased a wide variety of examples to illustrate the key points about career in automotive sector.

A Report on

Seminar on "Scope of Employment for Mechanical Engineers in Energy sectors"

Name of Event: Scope of Employment for Mechanical Engineers in Energy sectors"

Introduction to Event:

One-Day programme on Scope of Employment for Mechanical Engineers in Energy sectors was conducted on 13-12-2021 at Aditya Engineering College (A), Surampalem by the Department of Mechanical Engineering. The aim of this programme to provide information regarding the career opportunities available in energy sector and scope of thermodynamics applications. Also the students learnt about the career opportunities available in new and renewable energy sources of energy sector. In this session students got information regarding different companies in government and private sector energy companies available in India. Keeping this in view, the department has organised this programme for the benefits of the students of mechanical engineering students.

Event Dates: 13-12-2021

Number of Days: 1 Day

Co-ordinator: Mr. Rajesh Kumar, Assistant Professor, Department of Mechanical Engineering

No. of Participants: 322

Experts with Designation: Dr. P. Satish Kumar

Associate Professor

Department of Mechanical Engineering

C.V.Raman Global University, Bhubaneswar, Orissa.

Expert Profile:

Dr. P. Satish Kumar has completed Ph.D. in Mechanical Engineering from NIT Durgapur, Jharkhand. He has published more than 30 research paper, Book chapters in various national and

international journal. He is having 15 years of teaching and research experience. Currently he is working as Associate Professor in Department of Mechanical Engineering at C.V. Raman Global University, Bhubaneswar Orissa.

Venue: Seminar Hall (Room No: 101), K.L. Rao Bhavan.

Hospitality/Accommodation: Yes

Staffing:

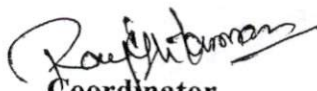

Mr.Ch. Ganesh, Assistant Professor

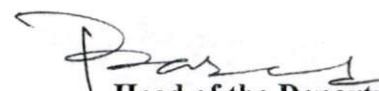

Outcomes:

- Students have understood the Role of traditional and non-traditional energy Sector for mechanical engineering graduates.
- Students understood the detailed application of Thermodynamic principles.

Concluding Remarks:

This seminar was conducted successfully fulfilling the goal of making students learn the Scope of employment for mechanical engineers in energy sectors and they have understood the basics related to green energy sources. As it was one of the good opportunity to all the participants to get involved and interacted well. The programme successfully came to end by giving necessary knowledge to students. This programme showcased a wide variety of examples to illustrate the key points about future in energy sector.

To
The Principal,
Aditya Engineering College (A).

Respected Sir,

Sub: Request to grant permission to organise a guest talk-reg.

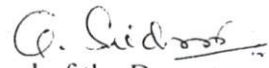

The Department of Electronics and Communication Engineering is proposing to organise a guest talk on "**Career Opportunities after Engineering and Electronics Engineering Simplified with Physical models**" on 13-05-22 for B.Tech. IV semester students of ECE to let the students aware of opportunities after Engineering. Hence, I request you to grant permission to organise the programme for the benefit of the students and sanction an amount of Rs 13,000/- for smooth conduction of the programme.

Please find below the budget estimation for the same.

S.No.	Particulars	Amount in Rs.
1	Honorarium	10,000
2	Travel Allowance	2,000
3	Miscellaneous	1,000
Total		13,000

Thanking you sir,

Yours sincerely

Report on Guest Talk on "Career Opportunities after Engineering and Electronics Engineering Simplified with Physical models"

Name of the Event: Career Opportunities after Engineering and Electronics Engineering Simplified with Physical models

Introduction to Event: Guest talk on "Career Opportunities after Engineering and Electronics Engineering Simplified with Physical models" was organised on 13-05-2022, at Aditya Engineering College (A). This programme is intended to make students aware of opportunities for Electronics Engineer. This programme has been organised by the Department of ECE.

Event Date: 13-05-2022

Co-ordinator: Mr.M.Hari Kishor, Assistant Professor, ECE.

Event Flow:

- Awareness on opportunities for ECE students
- Electronics engineering concepts in a simplified manner

No. of Participants: 264

Name and profile of Expert: Mr. V S R Suresh, Trainer GATE/IES, Unacademy.

He completed B.Tech in ECE and M.Tech in CSE. He had work experience in MadeEasy Delhi from 2010 to 2020 and Trained more than 2 Lakh students in EE / EC

Venue: Cotton Bhavan Seminar Hall (Room No: 208)

Staffing: Ms.Ch.V.Kiranmai, Asst. Professor

Outcomes:

- Students got awareness on career opportunities after B.Tech
- Students were able to interpret the complex concepts in easy way

Closing remarks:

This Programme enabled students to know about the opportunities they have and as it was one of the good opportunity, all the participants were involved and interacted well. This programme showcased a wide variety of career choices to prove themselves in the present competitive era.

Report on

Webinar "Opportunities and Challenges after Engineering"

Name of the Event: Opportunities and Challenges after Engineering

Introduction to Event:

A one day webinar on "**Opportunities and Challenges after Engineering**" was organised by the department of CSE at Aditya Engineering College (A), Surampalem. The objective of this programme is to give guidelines for students to choose better career in their interested fields. Campus placements can assist in securing a high-paying position even before graduation. Higher education is one of the most common professional paths after engineering. Students who wish to pursue a master's degree may appear for the GATE exam. They have the option of entering the government sector jobs after engineering. In order to give clarity to choose the better career opportunities, the department has organised this training programme for the benefit of the students.

Event Dates: 29th Nov 2021

Outcomes:

Students were equipped with the preparation strategies related to SCCL & GATE.

The students got familiarized about

- SCCL exam
- How to prepare for SCCL
- Importance of GATE
- How to prepare for GATE

Closing remarks:

After this Programme, students got clarity about SCCL & GATE preparation and as it was one of the good opportunities, all the participants were involved and interacted well. This programme showcased strategies to crack these competitive exams.

A Report on Seminar on "Petroleum and Allied Industries-Geology

Event Name: Seminar on "Petroleum and Allied Industries-Geology

Introduction to Event:

Petroleum Engineering (B.Tech) is among the most popular graduation courses that students take after completing their school. Choosing the right career can be confusing for many students. The around there are opportunities in petroleum and is full of opportunities. And you might not be aware of most of them. After completing engineering there are many opportunities and one of them is geologist. A knowledge of Geology is must for Petroleum Engineers irrespective of their working location. There are plenty to start and learn, geology is the one of the starting of them

Event Date : 25-03-2022

Number of days : 1

Coordinator : Mr M.V.V.S Anuprakash, Assistant Professor,

Department of Petroleum Technology

Event Flow:

- 1) Exploration Geologist
- 2) Subsurface Geologist
- 3) Production Geologist
- 4) Reservoir Geoscientist
- 5) Subsurface Mapping specialists
- 6) Geologist wells
- 7) Geophysics wells

Participants : 107

Resource person : Mr. S L N Rao, Petrophysics Consultant, Manan Oil
Field Services

PRINCIPAL

ADITYA ENGINEERING COLLEGE
SURAMPALAM - 533 437

Profile of resource person in brief:

He has 36 years of Experience in upstream activity of Oil industry at various locations with 20 years in ONGC as Superintendent Geophysicist, experience in Log data processing using Geology, Evaluation, logging, processing and Interpretation, Master's degree in Exploration Geophysics from Center of Exploration Geophysics, Osmania University, Hyderabad

Location and Venue: KL RAO Bhavan, KLB 301 Seminar Hall.

Staffing:

K. Gargeyi, Assistant Professor, Department of Petroleum Technology

Outcomes:

The students got familiarized about

- How to make resume for the job require
- Skills required for JOB
- Trainings available for Petrel, CMG
- Joining in certificate and software of Petrel , CMG, Eclipse
- Various opportunities and choosing one among them

Closing remarks-description:

After this webinar students got clarity about their job-related activities, services provided activities. Some students shown interest to do Geology related training for job.

Report on

Guest Lecture on "Entrepreneurship Development through Horticultural Crops"

Event Name: Guest Lecture on "Entrepreneurship Development through Horticultural Crops".

Introduction to Event:

A Guest Lecture was conducted at Aditya Engineering College (A), Surampalem by the Department of Agricultural Engineering to explore growth prospects in employment. The objective of this programme is to impart the knowledge regarding different ways of developing business through Agricultural tourism, horticultural-farming, agro forestry and tree farming with a profitable outreach to humans and environment. An exposure to prevailing schemes like PMFME 2020 (PM formalization of micro food processing enterprises), an initiative under Aatma Nirbhar Bharat Abhiyan, which was implemented by the Ministry of Food processing industries(MOFPI), ODOP (One District One Product)" Van Dhan Vikas Kendhra" (for skill up gradation and capacity building training and setting up of primary processing and value addition facility) were mentioned. Further, knowledge regarding Custom Hiring Centre (CHC), a unit comprising set of farm machinery, implements and equipment meant for custom hiring by farmers was shared on the venue platform. By-product utilization of horticultural produce and their benefits in terms of health and employment opportunities were discussed in the session to enhance the perception of students.

Report on One day Programme on Customer Relationship Management

Name of the Event: Customer Relationship Management

Introduction to Event:

A one day programme was conducted at Aditya Engineering College(A), by the department of Management Studies to impart knowledge on Customer relationship management (CRM) which is the combination of practices, strategies and technologies that companies use to manage and analyze customer interactions and data throughout the customer lifecycle. The goal is to improve customer service relationships and assist in customer retention and drive sales growth. CRM systems compile customer data across different channels, or points of contact, between the customer and the company, which could include the company's website, telephone, live chat, direct mail, marketing materials and social networks. CRM systems can also give customer-facing staff members detailed information on customers' personal information, purchase history, buying preferences and concerns.

Report on

Awareness programme on "How to Crack the interviews"

Name of the Event: Awareness programme on "How to crack the interviews"

Introduction to Event:

An awareness programme was conducted at Aditya Engineering College(A), Surampalem by the Department of Master of Computer Applications to explore the students on how to crack the interviews. After Completion of studies, students are interested to get a good job. As the world becomes more digitalised, companies are transforming to use technology more intelligently and strategically. This is leading to the creation of new jobs in the IT sector, even as some earlier ones evolve or get obsolete. To get a good job, a student has to show his talent and achieve a job by showing all his skills. In this programme, the student will be able to know different skills and ways to crack job interviews.
