Greetings of the Day..!!

Hope you are doing well in your personal as well as professional endeavours. Your support to the institution till now is very valuable and appreciated.

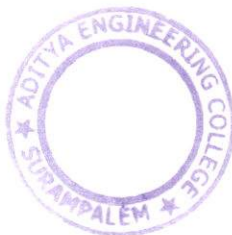

In a further move to enhance alumni engagement in the growth of the institution, the institute has taken the initiative to setup **Aditya Engineering College Alumni Fund** to enhance academic infrastructure facilities like laboratories, centres of excellence etc., and to provide financial support to the students in need.

As alumni of the institution, it's your turn to do something good for development of the institute. I request each one of you to be part of this initiative and donate in cash or kind. Expecting positive response.

Thanking you.

Yours Sincerely
