Discussions:

Agenda 1.1: Welcome address by the BOS chairperson.

1. The chairperson of BOS initiated the meeting by welcoming all the BOS members.
2. The chairperson introduced the experts and presented the highlights of the department, such as student and faculty achievements, admissions, placements, research activities, etc.,

Agenda 1.2: Discussion & Ratification of Vision, Mission, PEOs, POs and PSOs

1. The chairperson presented the department's vision and mission and requested the BOS members for suggestions.
 - Few of the BOS members have suggested combining Mission -1 and Mission- 2.
 - However, majority of the BOS members approved the department's vision and mission statements.
2. The chairperson presented PEOs and PSOs and requested BOS members for approval.
 - Few of the BOS members suggested to include the industry-ready related terminology in PEO2 and to rephrase the sentence regarding professional values in PEO3 and also suggested including terms like communication and AI instead of the word ECE in PSO1.
 - However, majority of the BOS members approved PEOs and PSOs.

6/10/23

Agenda 1.3: Discussion on ACET R23 proposed program structures UG & PG

1. The chairperson of BOS presented the R23 regulation and syllabus of the I-I and I-II sem and requested the members approve the same.
2. The BOS members have discussed the similarity of the proposed course structure with reference to the JNTUK R23 regulation.
 - Few of BOS members suggested that an audit course should not include credits.
3. Members have suggested to follow the PG course structure as per the JNTUK R19 regulation.

Agenda 1.4: Discussion on ACETR23 proposed syllabus for UG & PG – (BEE (Basic Electrical and Electronics) course and NA (Network Analysis))

1. The experts are requested to approve the course objectives (COs) for BEE course in I-I and NA course in I-II.
 - Few of the BOS members have suggested rephrasing the sentence of CO3 and CO4 as combinational and sequential circuits for the BEE course and also requested to include a glance from basic electronics to advancements in Unit-2.
 - Few of committee members have suggested introducing essential components which were already included in Unit-1 Part-A and also suggested to remove the code-conversion method in Unit-III.
 - The course coordinator of the network analysis proposed changes in the syllabus such as Superposition theorem, Star to delta conversion, and Network topology.
 - Members have recommended continuing with the same topic, i.e., superposition theorem in unit-1 to solve with dependent sources, star-to-delta conversion is shifted to unit-1 has been approved, and network topologies topic is not required.
 - The above discussion to be forwarded to the BOS of EEE department for finalization of NA syllabus
 - BOS Members have recommended providing a micro syllabus copy to the examiner for the setting of the question paper.
 - The members suggested to change the lab syllabus to meet the requirements of advanced technologies.

Agenda 1.5: Ratification of proposed model question papers

1. The chairperson presented the division of external and internal marks of the question paper.

- Few of members have suggested to exclude the 2 Marks questions from the external question paper.
- Members are approved to follow the internal and external evaluation process as per the JNTUK for both UG and PG.

Agenda 1.6: Finalization of setting question paper and valuation.

1. The finalization of setting question paper and valuation is to be discussed in the academic council.

Agenda 1.7: Analysis of the results

1. The chairperson discussed admission and success rates and analyzed the department results.

Agenda 1.8 : Any other item with the approval of the chairperson

- Members have suggested including only one textbook for a course that can cover all the topics in the syllabus and the remaining textbooks and URL's can be included in the references.
- Few of members have suggested to change the pattern of the continuous evaluation to give more emphasis on internal evaluation rather than external evaluation.

Agenda 1.9 : Next BOS Schedule

- The BOS members planned to organize the next BOS meeting in March 2024.

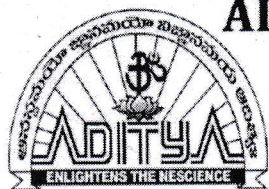

Agenda 1.10 : Vote of thanks

- The BOS chairperson summarized all the suggestions discussed in the meeting. Finally, the meeting ended with a Vote of Thanks.
