3. Feedback from students:

- Students are very much satisfied with the program conducted. One of the toughest parts of being an entrepreneur is finding the next opportunity to make it big in business.
- There is always another opportunity coming down the road, but our job is to distinguish the good ones from the bad ones and make smart business decisions that will set us or our startup ahead in the long run.
- The students suggested to organise more similar programs in future.

4. Remarks from Resource Person:

The students are really enthusiastic and very interested to know the facts about Entrepreneurship. They came up with innovative ideas in starting a business. Interacting with such aspiring young minds gives me pleasure.
