Report

A one Day Guest Lecture Conducted program was conducted on 22nd July, 2023 with Dr. U. Chandra Sekhar. The program was started with introduction of Resource person by principal, then a brief introduction is given by the student and then session continued by Resource person. He provided excellent real-world examples and he spoke about the numerous entrepreneurial prospects available to students and the various start-up strategies. He also discussed several prospects in foreign nations to improve knowledge of the latest equipment used in companies. Students who interacted with him after his lecture cleared their doubts and expressed their appreciation for the remarks he made. Finally, the program was conducted with a vote of Thanks.

Feedback from students

Students were very much interested in this event and responded positively to this type of event. They provided feedback, allowing them to improve their abilities and gain knowledge of various tools.

Remarks from Resource Person

The guest was satisfied with the well-organized event and hospitality from our college. The responses that he received from students and the clearing up their doubts delighted him as well.
