Essay writing competition is organized by Cultural Committee of Aditya College of Engineering on the occasion of Women's' Day. The event was a grand success, wherein a total of 27 participants took part from all branches. An English essay writing competition was held for the students. The students were asked to write on the topic "Role of women in building a beautiful society". The essay was judged on the basis of the student's vocabulary, presentation and creativity. The purpose of the competition was to encourage the students to enhance their thinking and writing skills. The essay should be in between 800- 1000 words. The essay should be in perfect English language. The essay should be 100% plagiarism free. Usage of active voice, multiple paragraphs to make it readable, add pictures to make it engaging and interesting are only considered. Student storytelling capability will be judged. The winners and runner up were encouraged with merit certificate and cash prizes.

Drawing competition is conducted by Cultural Committee of Aditya College of Engineering on 24-03-2021. 30 students from all branches participated and made the event a success. The participants actively participated in the competition and wondrously showcased their imaginative caliber. Amazingly, the enthusiasm among the participants was worth watching. Students touched many aspects related to environment in their paintings like save trees, green buildings, green cities and global warming. Students wonderfully depicted the dangers harming the planet and also the uniqueness of the planet was showcased through the variations of colours. It was amazing to watch how students creatively portrayed about such issues wondrously.
