Essay writing competition is organized by Cultural Committee of Aditya College of Engineering. The event was a grand success, wherein a total of 52 participants took part from all branches. The students were asked to write on the topic "Is Digital Education a Good Idea?". The essay was judged on the basis of the student's vocabulary, presentation and creativity. The purpose of the competition was to encourage the students to enhance their thinking and writing skills. The essays were well written by the students. Students have to maintain word limit. The essay should be in between 800- 1000 words. Usage of active voice, multiple paragraphs to make it readable, adding pictures to make it engaging and interesting are only considered. Student storytelling capability will be judged. The winners and runner up were encouraged with merit certificate and cash prizes.

On the occasion of National Mathematics Day, the College Cultural Committee conducted online quiz competition for the students. The event started by paying floral tributes to the great legendary Mathematician Srinivasa Ramanujan. Following the Covid 19 protocol, the event was conducted online. Nearly 12 batches participated in the competition. Questions from different mathematical topics were asked. Students really enjoyed the show as it gave them time and chance to spontaneously think logically and find solutions. Team work mattered a lot. The jury appreciated the participants and the winners were awarded with certificates and prizes.

The Cultural Committee of Aditya College of Engineering organized **SANKRANTHI SAMBARAALU (Pongal Celebrations)** on January 11th, 2022 in the college premises. The event was a grand success as it had brought lots of fun and frolic. Songs, Dances, Colorful Rangoli, Traditional Dress, Bhogi Fire, Traditional Sweet making, the customary Gobbiyyallo song, Laughter and Merry-making, what not! It had brought countless joy and untold exuberance into the minds and hearts of all the participants. It was a jubilant experience and an ecstatic eye feast to the students and the faculty as well. Principal of our college, Dr A. Ramesh, participating actively in all the events along with his elite squad of HoDs and other dignitaries, accentuated the sacrality of the traditional and time-honored Festival of Telugu speaking people around the globe- Sankranthi or Pongal. The historicity of the festival was briefly enumerated He wished the gathering God's bounteous blessings and good luck in the coming days.

On the occasion of National Science Day, Project Expo was organized by Cultural Committee of Aditya College of Engineering on 27-02-2022. From all branches, 27 students exhibited their projects. This exhibition was a way of giving an opportunity to the students so that they too could be involved in activities. All students had a way of presenting their thoughts in distinct forms. They presented their innovative ideas and skills as well. It was a beautiful exhibition, full of skilled and innovative students. The response was also remarkable where other students flocked to see the project prototypes. The winners and runner up were encouraged with merit certificate and cash prizes.

The college Cultural Committee organized **UGADI VEDUKALU- Ugadi Festival**, in our College on 30th March 2022 surrounded by Telugu tastes, traditions, attire, devotions and so on. As the name suggests, Ugadi (uga plus adi) means the beginning of a new era or new sakam or a new year. It is TELUGU NEW YEAR DAY. The telugu calendar and telugu panchangam will start today. Dressed in the traditional attire, the countenances of all the boys and girls glittered with enticing and everlasting smiles adjoined with frivolous and frisky laughter pervading all through the location, singing, dancing, merrily moving around, wishing Happy Ugadi to all they encountered. It was a spectacular sight one shouldn't miss.

The ceremonial festive rituals started around 10 O' clock amidst a lot of pomp and festivity with Dr. A. Ramesh, Principal of our college as the distinguished Guest, accompanied by Dean Dr. PVVV Ravi Kumar and other HoDs as special invitees. In His key note address, Dr. Ramesh enunciated the traditional and the historical background of the festival and its prominence in the present times. Acclaiming the nobleness and the loftiness of "Ugadi Pachchadi" the special dish of the day, he has philosophized the meaning of life in its width and breadth, thus reinforcing the holistic approach towards life i.e; life is a mixture of innumerable emotions and that one should not be carried away by its peripheral or superficial sentiments. Imploring God's blessings, he wished the participants prosperity and longevity. The other dignitaries also addressed the gathering and wished the students all the very best. The programme ended with vote of thanks followed by savoring the specially prepared Ugadi Pachchadi.
