## Standard Operating Procedure – SAC

The following steps are involved in a Standard Operating Procedure (SOP) for the Student Activity Council.

1. A meeting of the Student Activity Council Members will be held at the beginning of the academic year to propose and plan for the activities during the academic year
2. SAC regulatory body will be formed by the Principal through forming various clubs under SAC and selecting members of the clubs.
3. Sending requisition letter from the SAC General Secretary to the Principal seeking his permission to conduct the activities
4. Circulating an internal notice to all the SAC faculty coordinators, Student representatives, and students to participate in SAC programs.
5. A Post-event Report is prepared which includes all the major activities.
6. If any SAC club events didn't happen as per SPP the manager of the club need to give valid reasons to the president of SAC

## Report on Converting useless to useful

Recycling is the process of converting waste materials into new materials and objects. The recyclability of a material depends on its ability to reacquire the properties it had in its virgin state. It is an alternative to "conventional" waste disposal that can save material and help lower greenhouse gas emissions.

With this moto SAC Tech club and Entrepreneurship Club made different models with iron, plastic and Recycled papers. The models pics are placed below.

02.04.2022.

From  
General Secretary,  
Student Activity Council - SAC,  
Aditya College of Engineering,  
Surampalem.

To  
The Principal,  
Aditya College of Engineering,  
Surampalem.

Respected Sir,

Sub: Grant permission to organize "A one Day Hands on Experience in 3D Printing Technology". Req.- Reg.

Students Activity council would like to bring to your kind notice that SAC planning to organize "Project expo". In this regard, SAC request you to kindly grant the permission for organizing the above-mentioned program, and do the needful

Organizing the event may help to

- To increase prototype making skills
- To increase Designing skills
- To aware about Rapid prototyping technology
- To learn about industry 4.0 technologies

Thanking you sir

Yours Sincerely  
SAC - ACOE

## Event Report on A one Day Hands on Experience in 3D Printing Technology

Rapid prototyping and 3D printing technologies are emerging trends and comes under Industrial Revolution 4.0. SAC Tech club associated with Entrepreneurship Development Cell organized one day hands on experience in 3D printing technology with the support from Trigid Innovations Pvt.Ltd incubated start-up in Aditya College of Engineering.

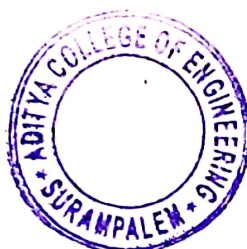

Students learnt about process of 3D printing technology and parts of the 3D printer, its assembly. Design and slicing, STL file conversion and creating G-Codes for printing the file.

In this workshop Mr. A. Sai Shared his expertise on 3D printing technology Co-Founder and CTO of Trigid Innovations Pvt.Ltd.  
Number participants: 95

Aditya College of Engineering,  
Surampalem.

To  
The Principal,  
Aditya College of Engineering,  
Surampalem.

Respected Sir,

Sub: Grant permission to organize "Project expo". Req.- Reg.

Students Activity council would like to bring to your kind notice that SAC planning to organize "Project expo". In this regard, SAC request you to kindly grant the permission for organizing the above-mentioned program, and do the needful

Organizing the event may help to

- To increase the presentation and prototype making skills
- To increase disruptive thinking process
- To increase problem solving skills

Thanking you sir

Yours Sincerely  
SAC - ACOE

Y. H. S. S.

Forwarded to principal sir,

Respected Sir,

Greetings of the day,

Aditya College of Engineering is one of the reputed Engineering Colleges in Andhra Pradesh. The College was established in the academic year 2008-2009 and consistently maintaining a commendable record of student academic performance since its inception.

Entrepreneurship Development Cell (EDC) in collaboration with Student Activity Council (SAC) is organizing "IDEA DAY". The Motive of the event is to impart the basic knowledge about start-ups, entrepreneur environment in INDIA and support provided by the government in terms of financial assistance to the young entrepreneurs etc. for our students.
